

FINANCIAL AID INFORMATION

If you are unable to afford the purchase of the required College of Engineering, Computer Science, and Construction management (ECC) laptop out-of-pocket or with your current financial aid award, please contact the College of ECC office (530-898-5963). The Chico State Financial Aid Office is aware that all College of ECC majors have a required laptop purchase. If possible, the Financial Aid Office will increase your Cost of Attendance to include the additional computer expenses and process a new loan for you. You MUST use these loan proceeds to purchase a required laptop.

IMPORTANT APPLICABLE NOTES:

- You must have filed a *prior academic year* FAFSA to be eligible for loans funds. The Financial Aid Office will not be able to provide funds without a completed *prior academic year* FAFSA.
- You must be officially admitted into a College of ECC degree program.
- The Financial Aid Office is able to do a one-time budget increase for the purpose of purchasing a computer.
- There are no special loans designated for the above computer purchase. These loans are the standard Direct Subsidized or Direct Unsubsidized loans. Freshman are eligible for up to \$3500/year, sophomores are eligible for up to \$4500/year, and junior and seniors are eligible for up to \$5500/year.
- You must maintain all other relevant financial aid eligibility requirements to be eligible for the above funding.
- If you have additional questions specific to eligibility determination or other financial aid related concerns, you may contact the Financial Aid Office by phone 530-898-6451 or e-mail finaid@csuchico.edu, or by visiting their website at <http://www.csuchico.edu/fa/>.
