C Laboratory Hazard Assessment Group: Holly test group Owner: Swan, Holly	Statest. 04/20/2021	>
 Laboratory Hazard Assessment Group, Feb 25, 2019 Test KW Owner, Wahl, Kenneth 	Started: 06/07/2021 Certified: 06/07/202	>

Step 4: Click Get Started -

Step 5: Select Group by clicking Select next to group you want to perform assessment on

Select a Group	
Groups need to be created by the Responsible Person (RP) . As a "Responsible Pers environment. In a research environment this would be the Principal Investigator (P the person who is ultimately responsible. If you are a member of a unit and need to	on" you are accountable for the health and safety of a group of people in their working). In more general work environments, this would be the supervisor of that group or be added to a group, please contact your RP for access. Go Back Create group

People Swan, Holly hswan@csuchico.edu	Locations
Abastillas, Kyrsten Leoni khabastillas@mail.csuchico.edu	• 125
Holly's Group	Select
People	Locations

Step 6: Follow instruction on screen. At the top of the screen shows the 6 different categories that will be covered in the hazard assessment.

- If you DON'T have any hazards in a specific category, you can click No at the bottom of the screen. You will then be directed to the next category.
- If you DO have hazards in a specific category, click Yes. This will take you to a new screen with yes/no questions for you to answer. Once all questions are answered, click Save and Continue as the bottom of the screen. You will then be directed to the next category.

Select Group	Chemical Hazards	Physical Hazards Description Descripti Descripti Description Descript
Radiological Hazards) Laser Hazards	O Non-Ionizing Radiation Hazards
Chemical Hazards		
Do you have any chemical hazards in your loca	ation?	
		CANCEL

Step 7: Once all categories have been complete, certify assessment (you can only do this if you are the group owner (i.e. responsible person/principle investigator). *** Note: If a Delegate completes an assessment on your behalf (as the group owner), you will receive an email from RSS which directs you to log into RSS, review for accuracy and certify assessment.

Select Group	Chemical Hazards	Physical Hazards	Biological Hazards	
Radiological Hazards	O Laser Hazards	Non-Ionizing Radiation Hazards		
Assessment Certification	on			

Once you certify the assessment, a summary will be shown of all hazards presents and PPE required or recommended.

Step 8: Ensure all members of group have reviewed and acknowledged assessment.

There are two ways to retrieve/view your assessment to verify who in your group has and who has not acknowledged the assessment:

Option 1: Click on link from email you receive from RSS. This takes you directly to your assessment (after you sign on with your Chico State SSO):
