

Hazardous Materials & Hazardous Waste Labeling Guide, 2020

For hazardous materials that are not wastes:

The diagram shows a rectangular label with a white background and a blue border. On the left, the text "Gasoline, diesel fuel, water" is written in bold black font. To the right of the text are three diamond-shaped pictograms: a flame, a dead tree and fish, and a person with a star on their chest. Below the pictograms is a rectangular box containing the word "DANGER" in bold black letters. At the bottom of the label, it says "See Safety Data Sheet for more info—CSU Chico".

External labels with arrows point to various parts of the main label:

- "Product Name" points to the text "Gasoline, diesel fuel, water".
- "Mfg. info & cautions" points to the text "See Safety Data Sheet for more info—CSU Chico".
- "Pictograms" points to the three diamond-shaped symbols.
- "Signal word: (Danger or Caution)" points to the "DANGER" box.
