Position: EOP Publications and Public Events Intern

Available: Fall 2018

Description: The Publications and Public Events Intern position would assist with direct communication to Educational Opportunity Program participants through e-mail, social media, and web pages, and also assist with the planning of large group events. The intern would report directly to the publications and public events specialist. This student would gain experience planning events and working in a group and would be an important member of the team.

Duties: Duties include, but are not limited to the following: Write and send student announcements, write and create lobby announcements, revise and edit documents, maintain EOP Facebook page, make web page updates using Cascade server, assist in planning large group activities such as the Career Information Fair and Graduation Celebration, actively participate in all trainings and staff meetings, able to work flexible hours including some required evenings, and other duties as assigned by immediate supervisor.

Qualifications: California State University, Chico student
- 2.50 gpa or above
- Sophomore standing or above
- Possess above average communication and writing skills
- Ability to work independently with a minimum of supervision
- Demonstrated ability to work effectively with a diverse population
- Knowledge of the Educational Opportunity Program
- Basic knowledge of university policies and procedures

Hours: 10-12 hours per week, academic year

Compensation: $11.60 per hour

Application: Application and supplemental questions are available at www.csuchico.edu/eop/student-resources/student-job-opportunities.shtml.

Please submit an application along with your résumé and answers to the supplemental questions, to the EOP Office, Student Services Center 310, California State University, Chico, Chico, CA 95929-0710.

Application Deadline: April 6, 2018 at 5:00 p.m.

Hiring is contingent upon funding. Priority is given to EOP and work-study students.
