Students who are enrolled in fewer than 12 units at CSU, Chico and are receiving a Federal Pell Grant may be eligible to receive additional Federal Pell Grant for courses taken at another California college. In order to be funded for coursework taken at an eligible California school, a consortium agreement form must be submitted to our office no later than the fourth week of the semester. View our website: <https://www.csuchico.edu/fa/programs/consortium-agreements.shtml> for a list of eligible schools. Students must be enrolled in a minimum of 6 units at CSU, Chico to be eligible to participate in consortium classes.

Check here if you are revising a previous consortium agreement request.

- I am enrolled in \_\_\_\_\_ units at CSU, Chico for the **(circle one)** Fall / Spring \_\_\_\_\_ semester for which I am requesting a consortium agreement.
- I am also enrolled at \_\_\_\_\_ College for the **(circle one)** Fall / Spring \_\_\_\_\_ semester. I will complete the following transferable coursework that applies to my degree at CSU, Chico:

Course #	Course Title	Units
Course #	Course Title	Units

Attach a copy of your enrollment form verifying that you have enrolled in the course(s) above. The Consortium Agreement will not be processed without a copy of your enrollment form. Consortium Agreements will be processed in order of receipt beginning the second week of the semester. Requests will NOT be accepted after the fourth week of school. Notification of approval or denial will be sent to you.

After grades post for the above course(s), you are required to complete the following 3 steps in order to provide proof of completion of coursework:

- 1) Submit an unofficial transcript to the CSU, Chico Financial Aid and Scholarship Office
- 2) Submit an official transcript to CSU, Chico Student Records and Registration Office
- 3) Notify the CSU, Chico Financial Aid and Scholarship Office once the units have been posted to your transcript (this is viewable on your Student Center account).

**I am aware that I may only receive financial aid through CSU, Chico. If consortium units are not completed at another school, my aid may be reduced or held for not meeting CSU, Chico’s satisfactory academic progress requirements.**
