	Address:			
	Street	City	State	Zip

Students who are enrolled in fewer than 12 units at Chico State and are **receiving a Federal Pell Grant** may be eligible to receive additional Federal Pell Grant for courses they are taking at another California college. In order to be funded for coursework taken at an eligible California school, a consortium agreement form must be submitted to our office no later than the fourth week of the semester. View our website: [www.csuchico.edu/fa/programs/consortium-agreements.shtml](http://www.csuchico.edu/fa/programs/consortium-agreements.shtml) for a list of eligible schools. Students must be enrolled in a minimum of 6 units at Chico State to be eligible to participate in consortium classes.

Check here if you are revising a previous consortium agreement request.

- I am enrolled in \_\_\_\_\_ units at Chico State for the (**circle one**) Fall / Spring semester for which I am requesting a consortium agreement.
- I am also enrolled at \_\_\_\_\_ College for the (**circle one**) Fall / Spring semester. I will complete the following transferable coursework that applies to my degree at Chico State:

Course #	Course Title	Units

Attach a copy of your proof of enrollment verifying that you have enrolled in the course(s) above. The Consortium Agreement will not be processed without a copy of your enrollment form. Consortium Agreements will be processed in order of receipt beginning the second week of the semester. Requests will NOT be accepted after the fourth week of school. Notification of approval or denial will be sent to your Wildcat email.

After grades post for the above course(s), you are required to complete the following steps to provide proof of completion of coursework:

- 1) Submit an unofficial transcript to the Chico State Financial Aid & Scholarship Office
- 2) Submit an official transcript to Chico State Student Records & Registration Office
- 3) Notify the Chico State Financial Aid & Scholarship Office once the units have been posted to your transcript (this is viewable on your Student Center account).

**I am aware that I may only receive financial aid through Chico State. If consortium units are not completed at another school, my aid may be reduced or held for not meeting Chico State’s satisfactory academic progress requirements.**
