Each college calculates its own student budget, also known as **Cost of Attendance**. At Chico State the student budget is based on the **estimated cost** of a typical student's registration and tuition fees, books and supplies, living expenses (food and housing), transportation, and personal expenses for a nine-month academic year (fall and spring semesters). Your actual budget will vary depending on where you live (on or off campus or with your parents) and on your discretionary spending.

<b>Chico State Estimated Undergraduate Full-Time Budget for 2024-25 (nine-month academic year)*</b>			
<u>Standard Items</u>	<u>On Campus</u>	<u>Off Campus</u>	<u>With Parents or Relatives</u>
Tuition/Fees**	\$8,472	\$8,472	\$8,472
Books/Supplies	1,096	1,096	1,096
Food/Housing	16,500	11,644	8,666
Transportation***	740	1,852	2,410
Personal	2,280	3,024	2,318
<b>Total</b>	<b>29,088</b>	<b>\$26,088</b>	<b>\$22,962</b>

**Undergraduate budgets reflect estimated tuition fees based on full-time enrollment.** Other costs are averaged. Students who live on campus are responsible for the food and housing rates of their License Agreement. The above food/housing figure is an averaged estimate.

- \* Budgets are for a **nine-month academic year**. They include **direct university charges** (tuition/fees and on-campus food and housing) and **discretionary expenses** (transportation, books and supplies, personal expenses, and off-campus food and housing). Loan origination fees may be added if loans are accepted. Note: On-campus food and housing is contracted for the entire 9-month period.
- \*\* Note all CSU listed tuition fees should be regarded as **estimates** that are subject to change upon approval by the CSU Board of Trustees. **Non-resident** students add an additional \$396 per unit to regular tuition fees. **Western University Exchange (WUE)** students pay 150 percent of the State University Tuition Fee and 100 percent of the campus fees.
- \*\*\* Students may request a budget transportation increase if they commute to Chico from outside the city or travel to off-site locations for course credit required for their degree.
