  - **Assoc Professor rank:** SET results shall be removed/deleted from faculty files after promotion or appointment at a higher rank. Keep SETs provided after the dossier turn-in date of the academic year of promotion evaluation.

## Temporary Faculty

Archive all non-working PAF files current PAF folders, indicating file destroy date per [CSU Academic Records Retention Schedule](#) (10 years after separation). For current temp faculty follow the file cleaning instructions below.

- **Personal Data/Vita:** Keep most current and the oldest (oldest-hopefully being the vita submitted upon applying for the position). Delete all other stuff.
- **Peer Evaluations (aka Classroom Evaluations):** Leave all
- **RTP Reports:** Leave all RTP reports, rebuttals, and letters (from Provost, etc.) in file
- **SETS:** keep 5 years, then delete the rest (if faculty going to t/t position, keep all)

## PT faculty hired into Tenure Track Position

- **Current or Old Docs –** Leave anything related to the tenure track position, plus any items that might be included in service credit year(s)
- **Appointment docs –** leave all, from beginning appt on campus to current
- **Peer Evaluations (aka Classroom Evaluations): PT to TT:** Not considered a promotion – Leave ALL

- **SETs** – keep files only within the period of review, delete the rest. If service credit is given, be sure to include those years.

**Sabbatical Info in PAF**

- Leave Requests go in Sabbatical File (for each year)
- Written Report of Sabbatical Activities filed upon return of Sabbatical goes in PAF (typically attached to ACF form).
