Better yet – Get your requests/transfers in earlier!
UNIVERSITY BUDGET

- **Budget Review**
  - Run account balance reports & review for:
    - Total DeptID overspent
    - Planning for remainder of the year
    - Review one-time entries
  - Review all funds, not just G1006 (SLF, CCF, RSCA, etc.)
  - Budgets do not need to zero BBA by line!
  - Assess budget needs for next fiscal year

- **Consider all Funding Sources**
  - Do you have other funds that can cover some expenses like CSE, UF, Lottery, or Campus Partners?
    - If so, start those transfers soon
UNIVERSITY BUDGET

- **Student Learning Fees/Consolidated Course Fee**
  - Monitor balances by program code
  - We will not be rolling forward program budget balances into 23/24. Any balances will be reallocated to central SLF Dept ID to be reallocated next year.
  - Consider whether any further spending in SLF/CCF is really necessary now that the academic semester has ended and whether it’s fulfilling its purpose of benefitting students.

Reminders:
- When “paying” another department, an actuals transfer should be recorded - NOT a budget transfer
- When submitting budget transfers you should be transferring budget from an account that has budget. Budget balances should not be negative unless budgeting for revenue

Myth of “use it or lose it”
- Be mindful of year end spending and don’t spend just to exhaust budget
- Funds do not disappear but roll back to college/division/program to be re-allocated next year or for future one time allocations

Don’t worry about balances in T8541/T8547/T8548. Balance are being covered centrally. Do not record expenses in these funds without prior approval.
