

Aggregated responses of 20 employers at the Business Career Fair (September 25, 2019)

At Chico State, students have the opportunity to earn a Minor<sup>1</sup> if they take a specific set of General Education classes. This year, we are reconsidering the names of the General Education Minors and we would like your help identifying the names of Minors that would strengthen (or supplement) student resumes for employment. Please help us

<b>4</b> Which of these minors would most strengthen (or supplement) a student's application for employment? Please only choose one.	
1	Gender and Sexuality
10	Gender Studies
1	Genders and Sexualities

<sup>1</sup> **Minors:** A Minor is an approved group of related courses, successful completion of which is recognized by certification on the transcript by the Registrar. Minors may consist only of those courses stipulated by the departments, schools, or academic units having administrative control of the program and, in addition, shall include all college-level prerequisites to the courses so stipulated. A minor shall include not fewer than 18 nor more than 30 semester units. Each minor shall include a minimum of 6 upper-division units as mandated by Executive Memorandum 86-001. (From the 2019-20 University Catalog).
