

Online Completion of Upper Division Pathway, Writing (formerly Capstone) and Diversity (GC, USD)

Upper Division Pathway

As an upper division transfer student you are required to complete three upper division courses to satisfy the Upper Division Pathway requirement. The Upper Division Pathway requirement is completed by taking one course in each of the three disciplinary areas; Natural Sciences, Arts/Humanities, Social Sciences—the horizontal rows in the chart below.

The chart lists the three upper division Pathways that can be completed online.

If you are unable to complete the courses within one Pathway (column) you may take any one course from each disciplinary area (row) to complete the 9-unit Upper Division Pathway requirement in your Degree Progress Report (DPR). To obtain this modification contact Graduation Advising at gradadvising@csuchico.edu or (530) 898-5957.

Writing (Formerly Capstone)

Transfer students admitted prior to Fall 2018 need to complete the Writing (Formerly Capstone) requirement for graduation and may have a course in their major that will satisfy Writing (Formerly Capstone). See the link below to determine if your major has an approved Writing (Formerly Capstone) substitution. <http://catalog.csuchico.edu/viewer/17/GENED/GEWICAPSUB.html>

Students admitted after Fall 2018 please view your DPR to determine what Writing courses are required.

You may satisfy the Writing requirement by completing an Upper Division pathway course that has a ‘W’ after the course number. **Not all sections of a course are writing so make sure you enroll in the course with the ‘W’.**

Global Cultures (GC) and US Diversity (USD) requirements

If you have not already completed Global Cultures (GC) and US Diversity (USD) requirements prior to transferring you may be able to satisfy these requirements using courses in your major or the upper division pathway. Look for courses with the GC and USD designations to fulfill the requirements.

Listed below are online Pathway courses. Use this link to access the most recent information regarding availability of the online courses. <http://rce.csuchico.edu/schedule/online>
