

Aggregated responses of 240 students representing over 50 majors on September 30, 2019.

At Chico State, students have the opportunity to earn a Minor<sup>1</sup> if they take a specific set of General Education classes. This year, we are reconsidering the names of the General Education Minors and we would like your help identifying the names of Minors that are **the most interesting, understandable, and relevant to students**. Please help us identify the best names possible!
