4. WI/C waitlists: Nichols
 - a. Demand still higher than space available. Approximately 750 still on waitlist for Spring '16.
 - b. Political Science expressing interest in offering some sections of POLS 155 as WI.
5. DL-BASW issues
 - a. Seema Sehrawat from the School of Social Work visited to discuss issue in DL-BASW (Distributed Learning). The program is mostly online and students are only on campus two weekends per semester. Students are having a hard time finding Pathway courses online and would like to know if they can take courses in different Pathways as long as all three areas are covered. Kim and Charlene remember drafting a policy to address this but don't think it was ever completed. Kim will find her notes so CAB can make it official. For now, BASW students can substitute online courses as needed to meet requirement. This affects 15-25 students.
6. WI/C courses “slashed” with non-WI/C courses
 - a. There are a few of these situations and the question raised is whether or not this is correct and OK. It is, but not desirable. Adds to difficulty for students finding WI sections.
7. Other—No others.
