

**CSU Graduation Initiative
Bi-Monthly Report: October 2012**

Campus: CSU, Chico

Team Leaders: President Paul J. Zingg and Provost and Vice President for Academic Affairs Belle W. Wei

What did your team commit to completing during these months? (What did you promise?)	Status	What did you do and <i>how will it help?</i>
1. Continue Fall 2012 Tehama Group Communications (TGC) project on 'a culture of success'		1. TGC conducted a survey looking at the Transition Year (typically the sophomore year). Promoted DPR the week of registration with posters, fliers, and hands-on demo using laptops. <i>Focusing on the Transition Year will help determine what areas students might need additional help and resources to continue to succeed. Promoting the DPR will enable more students to take better responsibility for meeting their graduation requirements in a timely manner.</i>
2. Convene September Retreat to assess 2011-12 efforts and set priorities for 2012-13		2. A retreat never convened, however at our September 14 meeting, we assessed our 2011-12 efforts, and developed 2012-13 priorities and projects. <i>Strategically planning our future actions will keep our team focused on what is important – developing a culture of student success.</i>
3. Meet with departments to launch their respective Student Success Maps		3. Attended a college executive meeting to promote the maps and answer questions. <i>The maps (pdf and eventually online) will help students navigate the options for study and extracurricular involvement available on campus and indicate possible careers related to majors.</i>
4. Further develop Student Monitoring System and integrate with BbL		4. A subgroup met and discussed attributes to incorporate into the system. An RFP is being pursued in order to get cost info to answer the "build or buy" question. <i>Capturing diagnostic information for Student Monitoring System.</i>
