A Higher Education Emergency Relief Funds (HEERF) Program
2021-2022 Academic Year

Complete application, save, and submit to: submission@csuchico.edu

Section I: Faculty Information

Faculty Name: _____

Department: _____

Title: _____

Email: _____

Phone: _____

Current/Past Participant in another campus faculty-mentored research program? Yes No

If yes – Program Name: _____ Date/Term: _____

Section II: Sponsored Student Information

Select from the following: Individual Student Project Small Team

If you are sponsoring more than one individual student project, complete a second application.

If you are sponsoring a small team (5 or fewer students), please add additional student information on the last pages.

Student Name: _____

ID #: _____

Email: _____

Phone: _____

Department/Program: _____

Class Level: _____

Transfer student? Yes No

Anticipated graduate date: _____

GPA: _____

Benefits to the Student. Please explain how this research experience might benefit this student (or students), keeping in mind the program criteria of supporting retention and academic progress, closing the equity gap, curbing feelings of social and intellectual isolation, advancing the understanding of and response to the pandemic's impact, and building student and community resiliency for the inevitable next crisis.

Section III: Project Information

Project Title: _____

What is the duration of the project (estimated start and end dates)? _____

Project Summary: Include a summary of the project including main questions, problems, or topics; methodology or approach; background and significance; potential impact, results, conclusions or outcomes. Please also highlight the specific involvement or role of the student in the research plan. If it applies, offer an explanation of how the project relates to some aspect of the pandemic (see call for applications).

Mentorship Plan: Please explain your plan for actively mentoring the student or student team. Include the duration of project, the student learning objectives, and expected outcomes such as a research or survey design, poster or conference paper, publication, etc.

Complete application, save, and submit to: submission@csuchico.edu

Notification of awards will be no later than October 15, 2021

Addendum A: Student information for Small Teams Only
