Instructions for Final Submission of a Thesis or Project

Master’s Candidate’s Responsibilities and Actions:

- Ensure your thesis or project is formatted using University Format and departmental style guidelines.

- Once your thesis or project defense date is scheduled, you may submit the Request For Final Progress Sheet form to the Office of Graduate Studies to be sent to your advisory committee’s chair. The request form can be returned to: graduatestudies@csuchico.edu and it will be forwarded to your Academic Evaluator in the Office of Graduate Studies.

- Defend your thesis or project to the advisory committee (your committee’s chair will submit the completed Final Progress Sheet to the Office of Graduate Studies after you have successfully defended your thesis or project).

- Sign the Master’s Candidate’s Agreement portion of the online Master’s Candidate and Committee Chair Thesis/Project Final Verification Form. Once signed, it will be submitted through the online website link to the committee’s chair to complete and sign. The online link is through Adobe Sign, and you will enter your committee chair’s email address. Once submitted, you will receive an email to confirm the document has been sent to your committee’s chair. Once received the coordinator will review for approval and inform you by email. NOTE: If during the review process, minor/cosmetic revisions are needed, the Office of Graduate Studies will allow one final edit, and the thesis or project will be returned to you to make revisions.
