

# Vernal Pool Landscapes

# Vernal Pool Landscapes

Edited by

Robert A. Schlising and Douglas G. Alexander

Department of Biological Sciences  
California State University, Chico

Based on papers presented at  
“The Vernal Pool Complexes of the Northstate –  
Biology, Conservation, and Management”

A conference held in Chico on 23 March 2006,  
Convened by the Butte Environmental Council

Studies from the Herbarium, Number 14  
California State University, Chico  
2007

Vernal Pool Landscapes

© 2007 Studies from the Herbarium

ISBN 978-0-9761774-1-8

Printed and bound in the United States

The vernal pool landscape shown on the front cover, part of the Vina Plains Preserve in Tehama County, was taken by Pauleen Broyles in the spring of 1982. The photo on the back cover of a conference field trip to the Vina Plains Preserve was taken by Douglas Alexander.

Cover design by Chris Ficken

# CONTENTS

<b>Introduction</b> .....	1
<b>Resistance and Resilience of Vernal Pool Vegetation</b> JENNIFER BUCK, SANDRA STARR, CAROL WITHAM, AYZAK SOLOMESHCH, ROD MACDONALD, MICHAEL BARBOUR AND ROBERT HOLLAND.....	3
<b>Biology and Landscape</b> .....	13
<b>Sediment, Gophers, and Time: A Model for the Origin and Persistence of Mima Mound—Vernal Pool Topography in the Great Central Valley</b> SARAH REED AND RONALD AMUNDSON.....	15
<b>Hogwallow Biogeography Before Gracias</b> ROBERT F. HOLLAND AND ALLAN D. HOLLANDER.....	29
<b>Biology of Specialist Bees and Conservation of Showy Vernal Pool Flowers. A Review</b> ROBBIN THORP .....	51
<b>The Nature of Summer Vascular Plant Life in Large Vernal Pool Basins at the Vina Plains Preserve</b> ROBERT A. SCHLISING .....	59
<b>Thirty Years Research on Vernal Pool Macroinvertebrates from Vina Plains</b> DOUGLAS G. ALEXANDER .....	89
<b>The Use of Eastern Sacramento Valley Vernal Pools by Ducks</b> RAYMOND J. BOGIATTO AND JOHN D. KARNEGIS.....	111
<b>Conservation</b> .....	119
<b>Large Scale Conservation Planning and the Protection of Vernal Pools</b> CAY C. GOUDE .....	121

**Conservation (continued)**

**A GIS-Based Vernal Wetland Acre/Density Index (VWADI) for Classification and Conservation of Vernal Pool/Annual Grassland Landscapes in California’s Great Central Valley**

JOHN C. DITTES, JOSEPHINE GUARDINO AND RICHARD A. RADMACHER .....125

**Overview of the Army Corps of Engineers Regulatory Program, Including Vernal Pool Landscapes**

LAURA WHITNEY .....143

**The Recovery Plan for Vernal Pool Ecosystems of California and Southern Oregon**

ELIZABETH WARNE .....147

**Endangered Species Act And Grassroots Activism**

NEIL LEVINE .....153

**The Role of Education and Partnerships in Vernal Pool Preservation**

CAROL W. WITHAM.....157

**Management .....161**

**Grazing, Vernal Pools and Preserving the Land**

DARRELL WOODS .....163

**Assumptions Used to Justify Prescribed Fire as a Restoration Tool in California Annual Grasslands**

RICHARD J. REINER, PETER M. HUIJK AND JACOB F. POLLOCK .....167

**Managing for Biodiversity in Vernal Pool Grasslands Using Fire and Grazing**

JAYMEE MARTY.....175

**Managing Vernal Pools and Other Habitats at Sacramento National Wildlife Refuge Complex**

JOSEPH G. SILVEIRA.....187

**Closing Remarks**

BARBARA VLAMIS, Executive Director, Butte Environmental Council.....211
