

Public Health & Pre-Nursing Cross-Major Planning Guide

Use this planning guide in careful consultation with [Academic Advising](#), the [Chico State Catalog](#), and your Degree Progress Report.

If you're interested in promoting health, working with people and serving the community, the public health (PHHA) major may be a great fit for you. In this major, you'll learn how to influence health policy, change lives, build coalitions, and plan, implement, and evaluate health programs.
