

Student Awards for Research and Creativity Outcomes Report

As we prepare the next set of Student Awards for Research and Creativity (SARC), we are interested in documenting the success of past awardees. Note that future decisions on funding will be based on the timely completion of Outcomes Reports for SARC awards. Please take a moment to answer the following questions:

1. Faculty mentor name _____
2. Student name _____
3. Research project title _____
4. Was the research project supported by SARC successfully completed? Yes No

a. If so, when? _____

5. What was the form of the final research/creative product?

Research paper

Experimental results written up

Poster

Other

6. How was the product of the SARC disseminated?

a. Was there a public presentation(s) of the activity? Yes No If yes was it:

On-campus

Off-campus

b. If the student presented at a scholarly conference or similar venue please describe the activity:

Student Awards for Research and Creativity Outcomes Report

7. How did participation in the project benefit the student? How did you, as a faculty member, benefit?

8. Any information you have about the student's success after completing the activity would be appreciated:

Thank you for providing this information. It will help us continue to provide these kinds of enriching activities for the benefit of students and faculty alike. If you have any suggestions for improvement of the SARC program, your ideas are welcome.

Thanks for all you do for our students!
