## V. **Key Objectives for Next Academic Year**

- Enhance Living Learning Communities – collaborations with campus partners to increase programming.
- Explore funding possibilities for potential new residence hall – Work closely with Vice President of Business and Finance, Chancellor's Office Financing and Treasury, and Facilities Management Services to acquire funding and approval for new residence hall in accordance with the campus master plan.
- Renaming of Sutter Hall to Éstom Jámani Hall - After thoughtful consideration and a thorough research-based examination of the legacy of John Sutter, the University is moving forward with the renaming of Sutter Hall. Éstom Jámani Hall is named for the "Middle Mountains," the buttes rising from the valley floor south of Chico. The phrase reflects what the area was known as by the Mechoopda and other surrounding Maidu tribes prior to colonial contact. Pronunciation: Es-tohm Yo-mah-ni
- Next Steps for Whitney Hall – Work with Facilities Management Services to determine the options and costs for Whitney Hall. Renovate or replace?
