

There are two types of dental plans available to CSU State employees. Premiums for the employee and their eligible dependents are paid by the CSU with no cost to the employee.

Delta Dental PPO, is an indemnity plan that allows you to select the dentist of your choice. Your current dentist may participate in the Delta Dental PPO Network and/or the Delta Dental Premier Network in California. If so, he/she has claim forms and will file your claim. Since you are not assigned a specific dentist, you will not receive an identification card. Both you and Delta Dental have a shared responsibility of paying the dentist for services received (see appropriate comparison chart). If you select a dentist from the Delta Dental PPO Network, you will pay fewer out-of-pocket expenses. If you choose a non-Delta dentist, you must pay entirely for services obtained and then submit a claim form with appropriate documentation to Delta Dental PPO for reimbursement. Refer to the EOC booklet for coverage details and plan limitations. You may also contact Delta Dental PPO customer service at 1-800-626-3108. Benefits described in this comparison are guaranteed only when you select a participating dentist from Delta's networks.

DeltaCare USA HMO, (Available to CA Residents Only) is a prepaid dental maintenance organization, which means that all covered dental care for you and your dependents is prepaid and must be performed by DeltaCare USA panel dentists. You will receive an identification card and welcome letter. The welcome letter will show the name of your contract dentist. (You may change dentists by contacting DeltaCare USA.) Under this plan, each covered dental service has a specific co-payment amount, and some services are covered at no charge. All covered dental services deemed necessary by your dentist will be provided subject to plan limitations explained in the EOC booklet. You may also contact DeltaCare USA customer service at 1-844-519-8751.

If you have a specific question about a plan's coverage, benefits, or participating providers, please contact the plan directly.
