Featuring rigorous and engaging presentations by leading faculty in the:

- ✓ **College of Natural Sciences**
- ✓ **College of Engineering, Computer Science, and Construction Management**
- ✓ **College of Business**
- ✓ **College of Agriculture**
- ✓ **College of Humanities and Fine Arts**

Also, senior leadership from:

- ✓ **International Education and Global Engagement**

# Support provided by International Education & Global Engagement

The staff of International Education and Global Engagement will provide support for participants in custom summer programs. The International Admissions staff will also present important information on United States higher education and how to apply.

# Exploration of Northern California

The groups will travel to Mt. Lassen Volcanic National Park. Mt. Lassen is a lava dome volcano located less than two hours from Chico. Participants will enjoy the day exploring nature and reflecting on their time in Chico.
