IMPORTANT: Your written evaluation is important and will be given to the instructor after the class is over and your letter grade for the class has been submitted--not before. The instructor will use your evaluations to improve teaching and the University will use what you report as one part of the retention, tenure, promotion, and salary decision-making process.

4.1 What did your Instructor do to make this class a good learning experience for you?

4.2 What could your instructor do in the future to make this a better class?

How do you rate the overall quality of teaching in his class?	Unacceptable	☐ Minimally Acceptable	☐ Adequate
