

WORK STUDY FUNDING REQUEST

The Campus Fee Advisory Committee (CFAC) allocates work study funds during each academic year. IRA work study funds are only available for students working specifically in support of IRA certified activities/programs. Work study funds cannot be used for student competitions or performances, but can be used for students supporting the competition or performance.

1. Name of IRA activity/program requesting the work study funds:

2. Name of your college/unit: _____

3. Dollar amount requested: _____

4. Number of students to be paid from these funds: _____

5. List how the work study funds will be used to support the IRA activity/program, including job duties, etc.:
