CSU, Chico - Eduroam internet access

Access to the wireless network on campus is available in limited outdoor spaces. The campus currently has deployed 16 outdoor access points as shown on the enclosed map. Because all CSU campuses participate in Eduroam, students, faculty and staff from any CSU campus can log into the wireless network using their normal home campus login and password.

Where to go

Outdoor wireless is available in the following locations on our campus:

When it’s available

- Students are allowed in these areas during the hours of 8am to 5pm

Know before you go

Here is some important information for students who utilize campus' outdoor wireless:

- Public restrooms are not available at this time
- Parking permits are required for all university parking lots
• Street parking is available
