   b. Go to your Student Center
   c. Click on Accept/Decline link at the bottom of the page
   d. No enrollment deposit is required from international students

2. Complete and email the enclosed Intent-to-Enroll form to iss@csuchico.edu.

U.S. Transfer Students
Step 1: Complete the top portion of the enclosed F-1 Transfer Eligibility Form.
Step 2: Take the completed F-1 Transfer Eligibility Form and a copy of your CSU, Chico admission letter to the International Student Advisor at your current school. Request that he/she transfer your SEVIS record to us at the end of your current program.
Step 3: Your new I-20 will be issued after your current school transfers your SEVIS record to us. Transfer processing must be completed prior to the end of the second week of classes.

Need to Go Home Before We Can Issue Your New I-20?
Don’t worry. We can send your I-20 to you in your home country. Send an email to us at iss@csuchico.edu to inform us of your travel plans. The admissions advisor assigned to your file will provide you with the appropriate information needed to receive your I-20 at home.

For Students Living Outside the U.S.
Once you know for sure that you will attend CSU, Chico, you must activate your new SEVIS record. Using the SEVIS ID# listed on your I-20 or DS-2019 form. Pay the SEVIS activation fee at www.fmjfee.com. You should do this at least 72 hours before your visa interview.

US Visa: Tips for Success
To receive a student visa, you must assure U.S. government officials that you intend to return to your home country after completing your education. Be prepared with a short, clear answer that explains how getting an education in the United States will help you achieve your career goals when you return home. You may have only a minute or two to speak with the immigration officer, so be prepared!

Be Prepared to Take These Items to the Embassy:
Your embassy or consulate will have instructions for what you need to bring to your visa interview. These are some of the documents they may ask for:
• Admission letter
• I-20 (F-1 students) or DS-2019 (J-1 exchange students)
• Valid passport (good for six months or longer)
• Proof of financial support while studying
• Transcripts from prior educational institutions
• Proof of English proficiency (not required if conditionally admitted)
• Receipt showing payment of SEVIS activation fee

• Medical statement from your doctor indicating good health
• J-1 students may need a list of approved CSU, Chico courses

Apply for Your F-1 Student or J-1 Exchange Student Visa

**Insurance and Immunizations**

**Health Insurance Coverage**

You are required by California State University to have adequate medical, medical evacuation, and repatriation insurance coverage by the start of your program at CSU, Chico and at all times thereafter while you hold an F-1 or J-1 visa.

For J-1 visa holders, failure to purchase such insurance is a violation of your immigration status and may result in the cancellation of your DS-2019 form and your disenrollment from the University.

Students may purchase insurance policies from any insurance provider as long as the following criteria are met:

- Accident/Injury medical benefits—$100,000 per accident or illness
- Repatriation of mortal remains—at least $25,000
- Medical evacuation—at least $50,000
- A deductible not to exceed $500 per accident or illness
- The insurance company must be underwritten by an insurance corporation with an A.M. Best rating of “A-” or above

**Students with government scholarships do not need to purchase additional insurance if insurance coverage is provided by their sponsor.**

**Immunizations and Tests**

Proof of immunization against Malaria and Rubella (MMR) and that you are negative for Tuberculosis (TB) is required. You may bring proof of your negative TB test to Orientation, provided that the test has been performed within 90 days of Orientation and is written in English. Turn these documents into the Student Health Center (SHC) during your Orientation on campus.

If you do not have these records at orientation, you will need to visit the SHC during orientation week to receive the required immunization or test. The MMR vaccination costs approximately $60 and the TB test costs approximately $55.

If you are under 19 years of age as of the first day of the semester, you must also present proof of immunization against Hepatitis B or complete the series of injections after you arrive. There is a fee for this injection series.

“Chico State is a place where you can be part of the community. I think that was one of the best parts for me because I felt welcomed into the society. I had no knowledge of American culture prior to coming to Chico, but I have met the best people and they taught me valuable things.”

—Rushi Thakkar, Computer Science major from India
