GE B4 MATH READY

**High School GPA**
- Weighted math GPA 3.3+
- Weighted GPA 3.0+

**Notes:**
- A grade of C- or higher/credit (CR) is required for passing
- An approved 12th grade math course requires: Algebra 2 as a prerequisite, be a year long course, & is designated as approved on the UC A-G List

**Students should consult with a major advisor to determine if math course(s) are still needed for requirements in the major.**

**Examples:**
- An Exercise Physiology student may have earned GE B4 credit from an AP Calculus exam but, may still need to complete MATH 105 Intro to Statistics for the major.
- A Business Administration major may have earned GE B4 credit from an AP Statistics and/or AP Calculus exam but, may still need to complete or need substitution approval to complete MATH 107 Finite Mathematics (AP Cal) and/or Math 108 Stats for Business (AP Stats)
