- Standard Met (Level 3) & an approved 12th grade math course
- Standard Met (Level 3) & 4+ years of math or QR

### SAT Math Test Score
- 570+
- 550+ Subject Test in Math Level 1 or 2
- 520 – 560 & an approved 12th grade math course

### ACT Math Test Score
- 23+
- 20-22 & an approved 12th grade math course

### CATEGORY II: GE B4 MATH READY

- High School GPA
  - Weighted GPA 3.3+
  - Weighted GPA 3.0+

### CATEGORY III: GE B4 MATH WITH SUPPORT

- Does not meet criteria of Category I, II, or III
- Early Start Required

### CATEGORY IV: GE B4 MATH WITH SUPPORT

- Students should consult with a major advisor to determine if math course(s) are still needed for requirements in the major.

**Examples:**

- An Exercise Physiology student may have earned GE B4 credit from an AP Calculus exam but, may still need to complete MATH 105 Intro to Statistics for the major.
- A Business Administration major may have earned GE B4 credit from an AP Statistics exam but, may still need to complete or need substitution approval to complete MATH 107 Finite Mathematics (AP Calc) and/or Math 108 Stats for Business (AP Stats).
