

Giving Back

We hope your learning experiences at Chico State helped you to pursue a rich and satisfying career. Are you willing to help current students in the Department of Nutrition and Food Science do the same? The same level of excellence in education that you received while attending Chico State is being threatened by the budget reduction in California. As a result, the Department of Nutrition and Food Science is relying more on private donations. Please consider donating to the Department of Nutrition and Food Science through the Chico State [Giving Website](#).

Department of Nutrition and Food Science Wish List

- Please consider establishing an annual \$1,500 scholarship for an undergraduate, graduate, or dietetic internship student named on behalf of a donor or in memory of a loved one.
- Additional time for students to obtain hands-on experience in medical nutrition therapy at the Rural Northern California Simulation Center (\$1,500 a day).

Circle of Friends

What is it?

Circle of Friends is a network of alumni, current students, faculty, staff, and friends who are committed to providing ongoing private support to preserve the department's dedication and commitment to excellence. With reduced state budgets for higher education, private funding is critical to ensure the highest quality education and training for our students. Funds may be used to support student scholarships and awards, undergraduate and graduate research, registration fees so students may attend professional meetings such as the annual meeting of the California Academy of Nutrition and Dietetics, small equipment purchases for our laboratory courses, and additional resources for our classes.

Circle of Friends Goals:

- To reestablish alumni relationships with the department
- To encourage student pride and participation
- To encourage involvement among community supporters
- To facilitate networking among nutrition professionals
- To celebrate NFSC contributions to the University and greater North State community

Donor Benefits:

- Networking with alumni, faculty, students, and community partners
- Donation recognition in the annual NFSC newsletter
- Circle of Friends directory, which is mailed to you each summer

If you donated in the past to the Department of Nutrition and Food Science and would like to be included in the Circle of Friends directory, please complete the form below and return to the Department of Nutrition and Food Science.
