Department of Food Science
California State University Chico
Chico, CA 95929-002

The Dr. Faye Dietetic Internship Award was created on the occasion of Dr. Faye Johnson's retirement from CSU, Chico to honor her for her many contributions and outstanding leadership in the field of dietetics.

It is her wish to acknowledge and encourage those students who have chosen internships that reflect their most passionate interests in the field. This is the primary criterion for selection for this award. Other selection criteria (in order of importance) include:

- Must be a senior or graduate student who has been accepted into an ADA approved dietetic internship;
- Must be pursuing the Registered Dietitian credential;
- Must have chosen an internship that matches their ongoing interests in the field of dietetics;
- Financial need is considered;
- Special consideration will be given to those students who have faced significant challenges: physical, financial, or family/dependent responsibilities, while pursuing their education.
