Please clarify whether you would like to complete the DPD requirements in order to be eligible for an ACEND accredited dietetic internship. Please check one of the following options that describes your plan of study:

I intend to complete the DPD courses in addition to the courses required for the MS degree

I intend to *only* complete the courses required for the MS degree

Complete the table below with information regarding the required pre-requisite courses for the graduate program. In addition to a bachelor's degree, the following pre-requisite courses must be completed prior to admission to the graduate program: general chemistry (with lab), organic chemistry (with lab), physiology (with lab), microbiology (with lab) and statistics. If classes were retaken, please only include most recent attempt.
