

LEA / School District Information

The information requested on this page is state required data. Please list the LEA(s) / School District(s) represented by your team.

***NOTE:** While many teams may only have one LEA, space for 3 additional entries has been provided to account for teams with members from more than one LEA / school district. When combined, the “Number of Team Participants” for all entries should equal the total number of participants on the team.

Name of LEA / School District:

Number of Team Participants associated with this LEA:
