SESSION 2:

Leveraging Existing Work to Build Community School Strategies

FEBRUARY 16TH 10AM-12PM

Building off of the learnings from the previous session, this session be a deeper dive into the first steps of community school development. Participants will have an opportunity to connect work already underway in their districts to the key elements of community school strategies and work together with facilitators to begin to develop goals for early community school.

SESSION 3:

Community Schools Grant Planning Support

MARCH 9TH 10AM-12PM

Participants think through the opportunities offered by the California Community Schools Partnership Program (CCSPP) and create a plan for both applying for and maximizing the CCSPP grants with a focus on the ways in which rural districts and schools are well-positioned to maximize this opportunity
