

CSU, CHICO – SCHOOL OF NURSING
Course Information – Semester 4
FALL 2024

FALL semester classes begin on **Monday, August 26, 2024.**

Faculty will use Canvas and Wildcat email to communicate with students regarding orientation and other class information.

All clinical requirements must be submitted to SentryMD by July 22, 2024. Students who have not submit their clinical requirements by the semester deadline will have a 10% (professionalism) grade deduction in the final grade for each of their clinical courses for the Fall 2024 semester. Please monitor your Chico State student email DAILY for updates, instructions, and any further requirements.

MANDATORY ORIENTATION for NURS 414 students in **sections 01, 02** will be held on **August 26, 2024**, from 08:30 – 13:30, Location: Kendall Hall 207.

MANDATORY ORIENTATION for NURS 414 students in **sections 03, 04** will be held on **October 14, 2024**, from 08:30 – 13:30, Location: Kendall Hall 207.

**Orientations are MANDATORY and no make-up is available.*

Enloe Orientation and OAK Modules:

All students enrolled in clinicals at Enloe Medical Center will meet at the Enloe Conference Center for orientation and computer training (usually the first Tuesday of the semester). Check Canvas and your Wildcat email for exact date and times. Expect to have a full first clinical day with mandatory training and orientation.

There are some learning modules (up to 10 hours) of online reading and testing that are due prior to orientation. 2-3 weeks before the start of the semester, you will receive an email from Enloe Medical Center with the subject heading: epm-alerts@elsevier.com Please follow the link provided in the email to login into your OAK account and complete all outstanding modules. All modules must be completed by **August 26, 2024**, otherwise you will not be allowed to participate at Enloe clinical sites until this requirement is met. If the modules are not completed on time, this might jeopardize your clinical start date with no way to make up the hours.

ATI EXAMS

The ATI critical care dosage calculation exam will be administered on the first day of orientation for **NURS 403**. Be sure to do the critical care dosage tutorials before the start of the semester. Students **CANNOT** administer medication in clinic settings unless they pass the Dosage Calculation Exam with $\geq 90\%$. If students score below a 90%, they will be expected to repeat the dosage exam until a $\geq 90\%$ is achieved. A re-take is usually scheduled 1-2 weeks after the original dosage exam and will be scheduled and administered by your clinical instructor.

Students enrolled in **NURS 413 Maladaptive Behavior** theory class will take the ATI theory exam approximately week twelve of the semester. The ATI theory exam comprises 10% of your grade for NURS 413.
