Assistant or Associate Professor in Medical-Surgical Nursing
School of Nursing, College of Natural Sciences

CSU, Chico is committed to enriching the educational environment of its students. The School of Nursing seeks candidates whose teaching, research, or service has prepared them to contribute to our campus commitment to diversity and inclusion in higher education.

We now proudly hold HSI designation.

The Position: Full time, academic year, tenure-track faculty position at the Assistant or Associate Professor level in the School of Nursing, beginning August 2019. California State University, Chico is seeking faculty who are competent in their field, collaborative with colleagues and staff, and committed to student success.

Salary: Salary commensurate with education and experience.

Initial Review Date: 01/18/2019; complete applications received after that date may be considered.

How to Apply: All applicants must apply online at: http://jobs.csuchico.edu/postings/5063. Applicants must provide current cover letter, CV, and the name & contact info of three professional references when applying. The letter should include how the applicant will support an increasingly diverse student body through teaching, service and research. Applications submitted via email or in-person to the department will not be considered.

Qualification Details:
Minimum Qualifications: The minimum education requirement for appointment to this position is a Master's degree in nursing with specialization in the area of medical-surgical nursing, at least one year's clinical experience in direct patient care in the medical-surgical specialty area within the last five years, and a course that includes practice in teaching nursing or one year's experience teaching nursing. All requirements for conferral of the degree must be met no later than August 21, 2019. Potential for significant achievement in areas of teaching, professional achievement and service required. The successful candidate should provide evidence of their commitment to or experience promoting and fostering a learning environment that is supportive of individuals from diverse backgrounds. In addition, applicants must be eligible for RN licensure in California and meet health policies and other requirements imposed by clinical agencies. Candidates must also pass a 10-panel drug test and background check as a condition of employment.

Preferred Qualifications: Doctorate in nursing or related discipline (required for advancement to Full Professor).

Responsibilities: This tenure-track position carries responsibilities in the areas of teaching, which include providing theory and clinical instruction for BSN, RN-BSN, and MSN students; new faculty teach a reduced teaching load for the first two years; scholarship - Candidate must demonstrate potential for significant achievement in professional growth and achievement; and service - Candidate must demonstrate potential for significant achievement in service to the program, university and community. Teaching assignments are based upon qualifications of the individual and the needs of the department. In addition, faculty are expected to participate in school governance, committee functions and student advising as needed.

The Department:
The School of Nursing, housed within the College of Natural Sciences, is comprised of 16 full-time and 29 part-time faculty, 200 undergraduate majors, 40 RN-BSN and 10 graduate students. The baccalaureate degree program in nursing and master's degree program in nursing at California State University, Chico are accredited by the Commission on Collegiate Nursing Education (http://www. accneaccreditation.org).
