Assistant Professor Position  
Electrical and Computer Engineering Department  
College of Engineering, Computer Science, and Construction Management

California State University, Chico is committed to achieving the goals of equal opportunity and endeavors to employ faculty and staff of the highest quality reflecting the ethnic and cultural diversity of the state. We are committed to achieving excellence through diversity in the classroom and the workplace. We strive to establish a climate that welcomes, celebrates, and promotes respect for the contributions of all students, faculty, and staff.

The Position: The Electrical and Computer Engineering Department is searching for a tenure-track Assistant Professor to start August 20, 2019. California State University, Chico is seeking faculty who are competent in their field, collaborative with colleagues and staff, and committed to student success. Position is contingent on funding.

Minimum Qualifications: The minimum education requirement for appointment to this position is a Ph.D. in Electrical Engineering, Computer Engineering, or related areas. Candidates nearing the completion of the doctorate may be considered; however, the doctorate must be complete by August 20, 2019.

Preferred Qualifications: Committed to excellence in teaching, scholarship, and sponsored research. Successful applicants must be specialized in one or more of the following areas: Real-time Embedded Systems, Embedded Systems Programming, Computer Architecture, Digital System Design, Programmable Logic, Digital Signal Processing.

Responsibilities: This tenure-track position carries responsibilities in the areas of teaching, scholarship, and service. Teaching assignments are based upon qualifications of the individual and the needs of the department.

Salary: Salary is commensurate with education and experience.

The Department: For more information about our programs, please visit the department website: http://www.csuchico.edu/eece/.

Closing Date: Review of applications will begin as received and complete applications will continue to be received until February 25, 2019.

How to Apply: All applicants must submit: a completed application form (available at http://www.csuchico.edu/oapl/unit_3_app.pdf), CV, cover letter, complete set of transcripts, and three letters of recommendation to: Dr. Kathleen Meehan, Electrical and Computer Engineering Department Chair; 400 West 1st Street; Chico, CA 95929. Please direct any questions to kmeehan@csuchico.edu.

CSU, Chico is an Equal Opportunity Employer. We consider qualified applicants for employment without regard to race, religion, color, national origin, ancestry, age, sex, gender, gender identity, gender expression, sexual orientation, genetic information, medical condition, disability, marital status, or protected veteran status and only employ individuals authorized to work in the U.S.

For disability-related accommodations, please call the ADA Coordinator at (530) 898-5959.

A background check (including a criminal records check) must be completed satisfactorily before any candidate can be offered a position with the CSU. Failure to satisfactorily complete the background check may affect the appointment status of applicants or continued employment of current CSU employees who apply for the position.

An annual security report disclosing crime statistics for California State University, Chico can be obtained by contacting the Chico State University Police Department (530-898-5555) or by visiting: www.csuchico.edu/up/clery_report.shtml

The person holding this position is considered a “mandated reporter” under the California Child Abuse and Neglect Reporting Act and is required to comply with the requirements set forth in CSU Executive Order 1083 (revised July 21, 2017) as a condition of employment.

All positions are contingent on funding.
