The University has been known by many names during its 134-year history:
- 1887–1921: Northern Branch State Normal School of California
- 1921–1935: Chico State Teachers College
- 1935–1972: Chico State College
- 1972–today: California State University, Chico

But even since the early days, the University has been commonly and lovingly known as Chico State.

WE’RE HONORED YOU HAVE CHOSEN TO JOIN US

You’ve done it! You have chosen Chico State and it is my pleasure to welcome you to our Wildcat family. We are a caring community that values academic excellence, diversity, relationships, and service. We believe in you and your success, and we will support you every step of the way. At Chico State, lives are transformed. Students Do & Dare, finding their passions and discovering who they are and who they want to be. We have high expectations for you and your future. Together, we are partners in your education. Congratulations and welcome to Chico State!

Gayle E. Hutchinson
President
California State University, Chico

We acknowledge and are mindful that Chico State stands on lands that were originally occupied by the first people of this area, the Mechoopda, and we recognize their distinctive spiritual relationship with this land, the flora, the fauna, and the waters that run through campus.

We are humbled that our campus resides upon sacred lands that since time immemorial have sustained the Mechoopda people and continues to do so today.
Our Statue

Located in Wildcat Plaza, *Lynx rufus californicus* is 7 feet tall from its claws to its ear tips and 9 feet long from nose to tail. It was a gift to campus in 2018 from the Alumni Association, the Associated Students, and Wildcat Athletics, and serves as a gathering place and a location to celebrate campus successes and achievements. Serving as both a campus greeter and fierce protector, the statue purposely looks out toward downtown Chico to highlight the importance of our relationship with the greater community.
Visitors to Kendall Hall will notice the 60 (and counting!) class year plaques along the walkway. Beginning in 1931, seniors added time capsules to commemorate each class, a tradition that continues today. Graduating classes hold a burial ceremony before Commencement in the spring, to open them 50 years later. Originally placed to spell out “CSC” for Chico State College, the design was updated to spell “CSU Chico” and make way for even more capsules. It will be completed with the Class of 2060!
What do you want to study? What fuels your passion? Chico State provides over 300 undergraduate and graduate academic offerings. Many of our majors are divided into areas of specialization and treated as options. You may also choose from a wide variety of minors, teaching credentials, certificates, and graduate programs. Pre-professional advising is also available if you plan to continue on to professional school in a field such as law, medicine, or optometry.
PLAN YOUR DEGREE

There are three basic types of courses that make up your degree:

1. General Education Courses—48 units
2. Major Courses—the number of courses varies by major
3. Elective Courses—additional courses you need to fulfill the total number of units needed to graduate (120-128)

GENERAL EDUCATION

You must complete 48 units (16 courses) of GE coursework. Some of this GE coursework can also “double-count” toward major and graduation requirements. GE is organized into three broad areas:

Lower Division—39 units
Oral Communication (A1), Written Communication (A2), Critical Thinking (A3), and Mathematics (B4) must be completed with a C− or better. Please note: A2 and B4 must be attempted within your first two semesters. Additionally, students take lower division courses in Scientific Inquiry and Quantitative Reasoning (B), Arts and Humanities (C), Social Sciences (D), Lifelong Learning and Self-Development (E), and Ethnic Studies (F). We recommend you complete these courses early in your college career as they serve as building blocks to later course work. Students fulfill their American Institutions requirement with History 130 and Political Science 155. These courses prepare you to be an active and informed member of a democratic society.

Upper Division Pathway—9 units
Three courses that expose you to a variety of Scientific Inquiry & Quantitative Reasoning (UDB), Arts & Humanities (UDC), and Social Sciences (UDD). These requirements are organized into ten Pathways to offer an integrated learning experience across the University academic disciplines. Students must complete their 9 upper-division units within one pathway.

Chico State’s innovative and nationally-recognized General Education (GE) Program organizes courses into thematic Pathways and allows the opportunity to earn an interdisciplinary minor that will enhance the résumé of students in any major.

GE courses don’t just prepare you for a specific job; they prepare you for any job, by teaching you how to think critically, how to write effectively, how to problem-solve, and how to build just societies and restore a sustainable planet.
Selecting a Major
Area of Study

Declaring a major is an important decision. We understand it can take some time to decide, but please don't put off thinking about your major. We advise taking exploratory courses within General Education and visiting with staff in Academic Advising Programs to help you decide. It is recommended that you declare or change your major before completing 45 units of academic coursework.

COLLEGE OF AGRICULTURE
Are you passionate about animals, growing things, or making food healthier? Check out these hands-on majors.

Agricultural Science–BS
- Agricultural Communication and Leadership
- Agricultural Science & Education

Agricultural Business–BS

Animal Science–BS

Plant and Soil Science–BS
- Crops and Horticulture
- Land and Soil Resource Management

COLLEGE OF BEHAVIORAL & SOCIAL SCIENCES
Are you curious about people, places, groups, societies, nations, and policies? Do you want to learn and understand how these topics develop, inform each other, and shape our lives? Check out the Behavioral and Social Science majors.

Anthropology–BA
Child Development–BA
Child Development
Criminal Justice–BA
Economics–BA
Geography–BA
- Human Geography & Planning
- Physical & Environmental Geography
Health Services Administration–BS
International Relations–BA
Intersectional ChicanX/LatinX Studies–BA

COLLEGE OF COMMUNICATION & EDUCATION
Do you enjoy helping others? Are you a leader? Do you hope to gain effective communication skills, maintain a healthy mind and body, or participate in the community? Do you like teaching, planning, communicating, designing or writing? Explore these exciting and educational programs.

Communication Design–BFA
Communication Sciences and Disorders–BS
Communication Studies–BA (**)
- Communication & Public Affairs
- Organizational Communication

Exercise Physiology–BS

COLLEGE OF BUSINESS
Do you wonder how organizations operate? Are you interested in problem-solving, decision-making, or streamlining a process? Do you like being in charge or convincing people to buy or do things? Look into the world of Business.

Business Administration–BS
- Accounting
- Entrepreneurship & Small Business Management
- Finance
- Human Resource Management
- Management
- Marketing
- Project Management

Business Information Systems–BS
- Business Analytics
- Management Information Systems
- Operations & Supply Chain Management

COLLEGE OF ENGINEERING, COMPUTER SCIENCE, & CONSTRUCTION MANAGEMENT
Are you curious about how things work? Do you characterize yourself as innovative and interested in making things better, faster, stronger, simpler, smarter, quicker, quieter, greener, and more efficient? Check out these exciting programs that prepare you for fulfilling, lucrative, and entrepreneurial careers.

Advanced Manufacturing and Applied Robotics
Civil Engineering–BS (*128)
- General Civil Engineering
- Structural Engineering
- Environmental and Water Resources

Computer Animation and Game Development–BA
- Animation Production
- Game Development

Computer Engineering–BS (*128)

Computer Information Systems–BS (**)

Computer Science–BS

Concrete Industry Management–BS (**)

Construction Management–BS

Electrical & Electronic Engineering–BS (*127)

Mechanical Engineering–BS (*127)

Mechatronic Engineering–BS (*128)
COLLEGE OF HUMANITIES & FINE ARTS
Do you like to study human expression of ideas through the arts, language, literature, and philosophy? Then check out Humanities and Fine Arts.

Art–BA
- Art Education
- Art History
- Art Studio
Art–BFA (Bachelor of Fine Arts)
- Art Studio
- Interior Architecture
Asian Studies–BA
English–BA
- English Education
- English Studies
- Literature
French–BA
German–BA
History–BA
- General History
- Pre-Credential Social Science
Humanities–BA
Latin American Studies–BA
Music–BFA
- General Music
- Music Education
- Music Industry
- Recording Arts
Musical Theatre–BFA
Philosophy–BA
Religious Studies–BA
Spanish–BA
- General
- Pre-Credential
Theatre Arts–BA

COLLEGE OF NATURAL SCIENCES
Do you have an interest in the structures and patterns of life, environments, and the physical world? Check out Natural Sciences.

Biochemistry–BS
Biological Sciences–BA
Biological Sciences–BS
- Cellular & Molecular Biology
- Ecological, Evolutionary, & Organismal Biology
- Plant Biology
Chemistry–BA
Chemistry–BS
Environmental Sciences–BS
- Applied Ecology
- Atmosphere & Climate
- Energy & Earth Resources
- Hydrology
Geology–BS
Geosciences–BS
- Physical Science Education
- Science Education with a Concentration In Geosciences
Mathematics–BS
- Applied Mathematics
- Foundational Mathematics Education
- General Mathematics
- Mathematics Education
- Statistics
- Mathematics Education (Credential)
Microbiology–BS
- Clinical Laboratory Science
- General Microbiology
Natural Sciences–BA
- Science Education
Nursing–BS
- General Nursing
Nutrition and Food Science–BS
- Food & Nutrition Communication
- General Dietetics
- Nutrition Management
Physics–BS
- General Physics
- Professional Physics

TIP
Plan Change Forms for declaring and changing an undergraduate major, option, or minor are available on the Chico State website at www.csuchico.edu

MAJORS – SYMBOLS LEGEND
• Options available in the major
◊ Patterns within the option
(*) Majors requiring more than 120 units
(**) Majors requiring a formal minor
Undergraduate Minors

A minor is an approved group of related courses usually within a single discipline. Traditional minors are generally a secondary area of study to the major and include anywhere from 18–30 units. Successful completion of a minor is noted on your transcript. Students who have a number of elective units may consider using those electives strategically to earn a minor. Minors are optional for most majors. Below is the list of minors offered at Chico State.

Accounting
Adapted Physical Activity
African American Studies
African Studies
Agricultural Business
Agriculture
American Indian Studies
Animal Science
Anthropology
Applied Computer Graphics
Applied Statistics
Art History
Art Studio
Asian American Studies
Asian Studies
Biochemistry
Biological Sciences
Biomedical Engineering
Broadcasting
Business Administration
California Studies
Career and Life Planning
Chemistry
Child Development
Cinema Studies
Classical Civilization
Coaching
Communication Design
Communication Studies
Comparative Religion
Computer Engineering
Computer Science
Creative Writing
Criminal Justice
Dance
Economics
English
Entrepreneurship and Small Business Management
Environmental Studies
Ethics
European Studies
Family Relations
Food Service Administration
French
Geography
Geology
Geospatial Literacy
German
Gerontology
Health Promotion
Health Services Administration
History
Humanities
Instructional Design
Interior Design
International Business
International Relations
Intersectional Chicana/Chicano Studies
Italian
Japanese
Journalism
Latin American Studies
Leadership Studies
Linguistics
Management
Management Information Systems
Managing Diversity in Organizations
Managing for Sustainability
Manufacturing
Marketing
Mathematics
Mathematics Education
Medieval & Renaissance Studies
Middle Eastern Studies
Modern Jewish and Israel Studies
Multicultural Studies
Music
Nutrition
Operations and Supply Chain Management
Philosophy
Photographic Studies
Physical Education
Physics

Political Science
Project Management
Psychology
Public Administration
Recreation, Hospitality, and Parks
Sexual Diversity Studies
Sociology
Spanish
Special Education
Sports Performance
Statistics
Theatre Arts
Tourism
Video Game Design
Women’s Studies
OUR MASCOT

The Wildcat became Chico’s mascot in 1924 by a vote of the student body. It was chosen because, according to recollections of those around at the time, it typified the kind of sassy, spitfire vigor and vitality the students wanted to project. The Wildcat first appeared as a sketch in the 1925 yearbook but later became a prankish gremlin known as SOCS (“Spirit of Chico State”). Since the early 2000s, we have the lovable Willie the Wildcat, who is commonly seen at special events or posing for selfies while strolling campus in his athletics jersey.
The nine graduation requirements break down the individual components required to earn a bachelor’s degree from Chico State and help you monitor your academic progress. Once you declare a major, your Degree Progress Report found in your Student Center on the Chico Portal outlines all degree requirements and is a great way to track your progress towards graduation!
GETTING A BACHELOR’S DEGREE:  
THE NINE GRADUATION REQUIREMENTS

1. Total Units
   - Earn at least 120 academic units (some majors require up to 128 units).
   - A maximum of 70 semester units from community colleges may be applied to the total units.
   - Unit load: to be considered a full-time student for Financial Aid eligibility you must take at least 12 units per semester. However, to graduate in four years, you must average 15 units a semester.
   **Tip:** Talk with advisors about what is an appropriate course load for you factoring in your study habits, work schedule and other time restraints.

2. Upper Division Units
   - Complete a minimum of 39 units of upper-division coursework (courses numbered 300 and higher). Enrollment in upper-division courses is normally restricted to students with junior or senior standing.

3. Residence Units
   - You must complete a minimum of 30 units in residence at CSU, Chico.
   - At least 24 of the 30 units must be upper division coursework (numbered 300 or higher) and 12 of the 30 units must be in the major.

4. General Education
   - Complete 48 units of General Education coursework as
   **Tip:** Certain majors have important modifications to GE. Consult your advisors, and Degree Progress Report (DPR) in your Student Center in the Chico Portal

5. Diversity
   You must complete two courses that focus on cultural diversity:
   - One course in United States Diversity (USD), focused on the experiences of one or more groups found in the U.S., typically underrepresented or marginalized groups
   - One course in Global Cultures (GC), focused on non-U.S. cultures
   **Tip:** Consult with advisors on ways to “double-count” these courses in GE.

6. American Institutions Requirement
   You must complete two courses that prepare you to vote and to participate in civic life:
   - HIST 130–United States History
   - POLS 155–American Government: National, State, and Local

7. Mathematics/Quantitative Reasoning and Writing Requirement
   - You must complete your required GE Quantitative Reasoning course (B4) with a C– or higher.
   - You must complete your required GE Written Communication (A2) course with a C– or higher.
   - You must complete two additional Writing (W) courses.
   - You must complete a Graduation Writing Assessment Requirement (GW) course in your major with a grade of C– or higher.

8. An Approved Major
   - You must complete an approved major program.
   - You should declare your official major as soon as possible (generally by the time you have complete 45 units) so that your Degree Progress Report (DPR) is accurate.
   - For a complete listing of Undergraduate Majors offered at Chico State, pages 6 and 7. Major program requirements are also fully described in the University Catalog.
   **Tip:** To declare your Major, you must fill out a Plan Change Form.

9. Grade Point Average
   - You must attain at least a 2.0 cumulative grade point average, which includes both transfer and CSU, Chico work, at least a 2.0 in courses required for the major, and at least 2.0 in all work taken at CSU, Chico.
   **Tip:** Some majors may have additional grade point average requirements; they are described in each major program description.

A unit is equivalent to one hour in class to two hours outside the classroom. The typical class is three units, meaning every week you will be expected to spend three hours in the classroom and six hours outside the classroom.
While your major course of study prepares you for your life’s work, General Education (GE) helps you understand the big picture, see connections, build skills, explore possible majors and minors, and become an all-around, well-educated person. You must complete 48 units of GE coursework. Some of the GE coursework can also “double-count” toward major and graduation requirements.
ADVANCED PLACEMENT & INTERNATIONAL BACCALAUREATE

ADVANCED PLACEMENT (AP) AND INTERNATIONAL BACCALAUREATE (IB) CREDIT

Advanced Placement Credit

Chico State grants credit toward its undergraduate degrees for successful completion of examinations of the Advanced Placement Program of the College Board. Students who present scores of three or better will be granted up to six semester units of college credit. The number of units and how they meet specific academic content requirements are specified in the Advanced Placement Examinations Chart at right.

INTERNATIONAL BACCALAUREATE (IB)

As recommended by the California State University Chancellor’s Office, Chico State grants credit toward its undergraduate degrees for successful completion of specific Higher Level International Baccalaureate examinations. Students who present the following passing scores will be granted up to six semester units of credit for each exam applied to the appropriate General Education requirements. Please consult the IB chart for specific details.

</tbody>
</table>

Either 3 or 6 units of credit will be allowed for all other exams and applied to meet lower-division breadth requirements as appropriate.

** Department requires formal assessment for placement into appropriate courses.

++ Student passing both AP Spanish exams with a 3 or better will receive credit for SPAN 101, SPAN 102 and SPAN 201 for a total of 12 units.

* Student passing Spanish—Literature and Culture exam with a score of 4 or 5 should request advising from a Spanish advisor for correct placement.
COURSE SELECTION TIPS

FIRST-YEAR COURSE SELECTION TIPS
Use the following tips to help develop a list of courses you would like to sign up for during course registration:

1. Do you have prior college credit or Advanced Placement Credit? If so, you may have completed some of your GE requirements. Reference the Advanced Placement & International Baccalaureate page of this guide and speak to an academic/peer advisor.

2. If you need support courses in Math and/or English, sign up for those first. See your Orientation Leader or Academic Advisor for required Math and/or English courses.

3. Consider taking 1–2 courses from GE, specifically A2 and/or B4 (these must be attempted in your first year).

4. Consider a First Year Experience (FYE) course which will also meet a GE requirement (see next page).

5. Take 1 or 2 courses from lower-division GE. Look for courses that “double-count” for your major and/or that meet Diversity Requirements.

TRANSFER COURSE SELECTION TIPS
Use the following tips to help develop a list of courses you would like to sign up for this afternoon during course registration:

1. You likely have your lower-division GE completed. Avoid lower division GE for now unless there is a course you are certain you have not completed.

2. You still need to take your upper-division GE pathway courses. Select one or two of these courses. Look to “double-count” diversity and major courses in consultation with your peer and major advisors.

3. Take any beginning courses in your major that you are sure you haven’t already taken.

ALL STUDENTS
Please note: Students must enroll in at least 12 units to be considered full-time for financial aid purposes. Students should enroll in 15 units in order to graduate in 4 years.
The nationally recognized First-Year Experience Program (FYE) supports student transitions to college through University (UNIV in class schedule) and General Education U-courses (section numbers 50 or 51 in the class schedule) that incorporate High Impact Practices, including collaborative and active learning, peer mentors and engagement with public issues through a Public Sphere Pedagogy (PSP) event.

Our PSP events include the Town Hall Meeting for POLS 155, where students interact with local experts in chosen policy areas and Sense of Place for U-Courses and our UNIV courses, where students present their research to faculty and local professionals who have an invested interest in their learning. These active learning strategies are proven to provide benefits to college students of all backgrounds, including higher grade point averages and higher student satisfaction with their education.

FYE-specific first-year courses are purposefully designed to help students explore their identity and interests, develop successful skills and habits, and make close connections to peers and faculty. Research clearly shows that students who become active and engaged members of the university community in their first year are more likely to make it to graduation than students who do not. Take one or more of the following classes in your first semester and set yourself up for long-term success in your college career!

FYE-SPECIFIC FIRST-YEAR COURSES ARE DESIGNED TO HELP YOU SUCCEED!

Here’s what students said about attending Town Hall Meeting

“It was an overall great experience. I enjoyed working with my group...our project was based on homelessness and how students could help lower the population and become more aware of the truth behind it.”

“The Town Hall really inspired me to get more involved in my community and stay educated on current politics. I was a little intimidated in the beginning of the discussion, but once I started speaking up I felt empowered.”

Here’s what students said about attending Sense of Place

“Sense of Place meant that Chico State does care about their students to host an event and share your research that you worked so hard on...it showed that the school actually cares about the students and it made me feel happy about that.”

“For me, Sense of Place meant [providing] an opportunity for me to grow as an individual by improving my public speaking skills, my communication skills in ...how I engaged with the audience... Sense of Place definitely helped me improve my self-esteem and I am thankful for that. We gained knowledge on how to conduct proper research from start to end and that’s truly amazing because now in the future we, as students, will do better...conducting research.”
We have essential policies in place to support you in your educational journey. As a Chico State student, you’re responsible for knowing what’s expected to meet your degree requirements and for seeking academic advising along the way. For more information about Academic Policies: [http://catalog.csuchico.edu/viewer/ACAREGS.html](http://catalog.csuchico.edu/viewer/ACAREGS.html)
KEY ACADEMIC POLICIES

Academic Integrity: Students are expected to maintain a high standard of academic honesty and integrity. Dishonesty may bring grade reduction, disciplinary probation, suspension or expulsion. Details are outlined in the Code of Student Rights and Responsibilities. Student Conduct, Rights, and Responsibilities in Student Services Center 480 is the office charged with handling such cases. It is also a resource for students who believe they have been discriminated against or treated unfairly.

www.csuchico.edu/scr/integrity.shtml

Class Attendance: Students are expected to attend classes regularly. Be sure to talk with your instructors about an absence. Be aware that instructors can, if they choose, drop you from a course for non-attendance.

Planned Educational Leave & Withdrawal: A Planned Educational Leave (PEL) is available to undergraduates who are in good standing. A PEL holds your spot for one year so you don’t have to reapply to the University. If, due to extenuating circumstances, you find you need to withdraw from the University, be sure to speak with an advisor in Academic Advising Programs in Student Services Center 220 to discuss filing a PEL.

www.csuchico.edu/aap/

Declaring or Changing a Major: Declaring or changing a major is an important decision. We advise taking exploratory courses and visiting with staff in Academic Advising Programs in Student Services Center 220 to help you decide. It is recommended that you declare or change your major before completing 45 units of academic coursework. A Plan Change Form for declaring and changing major, option, or minor are available on the Student Records and Registration website.

www.csuchico.edu/aap/

Classification by Class Level: Your class level is determined by the number of units you’ve completed.

- First Year: completed 0–29 units (100 level classes)
- Sophomore: completed 30–59 units (200 level classes)
- Junior: completed 60–89 units (300 level classes)
- Senior: completed 90 or more units (400+ level classes)

Grade Grade
Points Points
A 4.0
A– 3.7
B+ 3.3
B 3.0
B– 2.7
C+ 2.3
C 2.0
C– 1.7
D+ 1.3
D 1.0
F: Failure 0
CR: Credit N/A
NC: No Credit N/A

Repeating Courses & Academic Forgiveness: Students may repeat courses (a maximum of 28 units) if the earlier attempt resulted in a grade of “C–” or lower or “no credit.” Students may repeat a course “with forgiveness” for courses taken at CSU, Chico (a maximum of 16 units). Forgiveness means the previous letter grade is removed from the GPA computation.

Students wishing to repeat a course should meet with an Academic Advisor in Student Services Center 220.

www.csuchico.edu/aap/

GRADING POLICIES & SYMBOLS

Grade Point Average (GPA):

- Term GPA: Grades earned in a specific semester
- Chico State GPA: All courses taken at Chico State
- Overall GPA: All college courses taken including those from other colleges/universities
- Dean’s List: Compiled every semester by each college of students who earn a 3.5 GPA or better on 12 or more graded units the previous semester.
- Graduating with Honors: For more information, contact the Honors program in Sutter Hall 150.

www.csuchico.edu/honors/

OTHER GRADE SYMBOLS:

W (Withdrawal): Issued when a student drops a class with appropriate approval after the fourth week of the semester and it does not impact the GPA. Undergraduate students are limited to 18 units of (W) grades.

WU (Withdrawal Unauthorized): Issued when a student stops attending a classes without properly dropping or withdrawing from it. A (WU) computes in the GPA as 0 points, similar to an (F) grade.

I (Incomplete): Used in cases where course requirements cannot be met for unforeseen reasons and is assigned at the discretion of the instructor. Students must work with the instructor to complete remaining work. An (I) grade must be made up within one calendar year after it is assigned by the faculty member.

IC (Incomplete Charged): The (IC) symbol may be used when a student who received an authorized incomplete (I) has not completed the required coursework within the allowed time limit. The (IC) replaces the (I) and is counted as an F in the GPA.

2022 GE courses list:

www.csuchico.edu/aap/general-education.shtml
ACADEMIC ADVISING IS HERE TO SUPPORT YOU

We’ll help you explore academic and co-curricular options, make plans to graduate, help you understand academic policies and procedures, assess your academic skills, and develop effective study- and time-management strategies. We’ll also help you connect with faculty who can guide you further on your academic path or major.
ADVISING AT CHICO STATE

Develop Your Plan to Graduate
Don’t know where to start? Unsure about your major or minor? Not sure what courses to take? Advisors can help!

Chico State uses a Dual Advising System
You get support from both Academic Advising Programs as well as your major academic department. We encourage you to visit your academic advisors early and often (at least once a semester) and some departments require mandatory major advising.

Academic Advising
- Home for undeclared students
- Helps students with major and minor exploration
- Assists with General Education (GE) course planning
- Advises on GE Minors
- Provides GPA advising
- Helps students navigate important academic policies such as academic probation and repeats
- Provides e-advising tools and registration help
- Located in Student Services Center 220. Advisors see students on a drop-in basis.

Major Advising
- Provides help with major course planning & selection
- Assists with course substitution in the major
- Advises on scholarships, internships and careers
- To determine who your major advisor is, visit the Major Advising Directory.

E-ADVISING TOOLS

GPA Calculator
Concerned about how a grade will impact your GPA? This tool helps you compute your grade point average and project your future GPA as well as the grades needed to achieve a desired GPA. It is available at http://www.csuchico.edu/aap/calculator.shtml

Degree Progress Report (DPR)
Want to see what courses you have left to graduate? The DPR is used to help you track your progress towards meeting Chico State’s graduation requirements, including GE, major and minor requirements. You can access the DPR from your online Student Center.

Degree Planner
Want to map out your entire 4 years at Chico State? This interactive on-line tool allows you to drag-and-drop required courses to develop a flexible four-year plan. It is available in your online Student Center.
REGISTRATION TIPS

Check your registration holds. All registration holds must be cleared before registering for classes.

Know your registration time. Every student is given a specific registration date and time. Check your Student Center on the Chico State Portal for your registration appointment. Classes fill on a first-come, first-served basis.

Registration fees. After registering for classes, check your portal for billing details. See www.csuchico.edu/sfin/ for registration fee information.

Can’t get the courses you want? If you are unable to enroll in all of your preferred courses on your registration day, keep checking back during subsequent registration periods. New sections of courses and additional seats are often added and other students drop freeing up seats in the course.

Need help registering? If you are having trouble registering for classes, contact the Office of the Registrar during regular business hours at (530) 898-5142.

REGISTRATION DATES AND TIPS

FALL SEMESTER 2022
New Student Orientation  June & July, 2022
Course schedule adjustment
for all new students  Aug. 1–3, 2022
Add/Drop Period  Aug. 8–Sept. 2, 2022
Fall Classes Begin  Aug. 22, 2022
Census (no adds or drops without a serious & compelling reason after this date)  Sept. 19, 2022
*Please note that there is an 18-unit cap on the number of units a Student can register for until the add/drop period. This number may vary from semester to semester.

WINTER SESSION 2023
Winter Session Registration  Nov. 1, 2022–Jan. 3, 2023
Winter Session runs  Jan. 3–20, 2023
*See https://rce.csuchico.edu/home and/or the online Class Schedule for details and registration information

SPRING SEMESTER 2023
Continuing Student Registration  Oct. 24–Nov. 18, 2022
Add/Drop Period  Jan. 9–Feb. 3, 2023
Spring Classes Begin  Jan. 23, 2023
Census (no adds or drops without a serious & compelling reason after this date)  Feb. 17, 2023

SUMMER SESSION 2022
Summer Session Registration  Apr. 3–Aug. 15, 2023
Summer Session  Aug. 15, 2023
*See https://rce.csuchico.edu/home and/or the online Class Schedule for details and registration information

WAITLISTING
• Most classes that are full allow students to waitlist (except those which require instructor consent or special permission).
• Students on a waitlist will be placed in the course when someone chooses to drop it and space becomes available.
• Students will not be enrolled in a waitlisted class if there is a time conflict with an already enrolled class or if they are already enrolled in another section of the class.
• Students are allowed to waitlist a maximum of 10 units and will not be enrolled in a waitlisted course if enrollment would cause them to exceed the maximum units allowed.
• Waitlists are “turned off” at the end of the first week of classes each semester. At that point, it is up to the instructor to decide if the student can enroll in the class.
• Students must attend the classes for which they are waitlisted or risk being dropped from the waitlist.
• If you are enrolled in a class from the waitlist, it is your responsibility to drop the class should you decide not to attend.

The Family Educational Rights and Privacy Act of 1974 (FERPA)
FERPA is a federal law regarding the privacy of student records and the obligations of the institution, primarily in the areas of release of the records and the access provided to these records. Education records include academic, financial, health and student conduct records. This information is protected under FERPA, and parents may not have access unless the student has provided authorization that specifically identifies what information may be released to the parent(s).

Contact the Office of the Registrar for more information at (530) 898-5142, or online at www.csuchico.edu/registrar/ferpa
YOUR STUDENT ACCOUNT
Review your Portal > Student Center > Financials > What I Owe for Outstanding Charges, Pending Financial Aid, Total Due and Due Dates. Also review any Tasks, Holds, and To Do’s.

TUITION AND REGISTRATION FEES*
Please visit our New Student Orientation web page for current-year tuition and registration fees.

PAYMENT DUE DATES
Fall 2022 July 27, 2022
Spring 2023 December 8, 2022

OPTIONAL TUITION PAYMENT PLAN
Intended only for California residents who are not receiving financial aid. Additional $33.00 contract fee (non-refundable). Self-enroll in your Student Center after your fees have posted and before the payment due date. Enrollment is for one semester only; for future semesters, enroll again.

UNIVERSITY HOUSING CHARGES
Rent and meal plan charges are posted to the student account. For rates and installment due dates, visit: www.csuchico.edu/housing or call University Housing at 530-898-6325.

HOW TO MAKE PAYMENTS
In person: Checks and cash only.
Online: credit and debit card payments, e-check payments from your bank account, and California ScholarShare payments. Login to your Student Center and use the Make-A-Payment button OR visit www.csuchico.edu/sfin, use the Make-A-Payment button and login with student’s Chico State ID# and six-digit birth date.
Mail: personal or bank checks, money orders, 529 and College Savings Plan checks.
Make checks payable to CSU, Chico or Chico State.
Include student’s name and Chico State ID#.
Mail to:
Chico State
Student Financial Services–0242
940 West 1st Street
Chico, CA 95929

CONTACT STUDENT FINANCIAL SERVICES
www.csuchico.edu/sfin
530-898-5936 cash@csuchico.edu
Student Services Center 230. Call for hours.

FINANCIAL AID RECIPIENTS
Accept your financial aid in your Student Center before the payment due date. Your Pending Financial Aid for the semester will count toward your charges on your student account:
• If your Pending Financial Aid is less than your due amount, you pay the difference by the due date.
• If your Pending Financial Aid is more than your due amount, we refund the difference to you. Enroll in e-refund in your Student Center for direct deposit to a checking or savings account.

AUTHORIZATION TO RELEASE
Details of the student account are considered private; however, students can give permission so that Student Financial Services can have detailed conversations with designated individuals. Self-enroll in your Student Center; under Student Records, click on Authorization to Release.

*Payment due dates are subject to change. Nonresidents of California pay an additional $396 per unit.

The CSU makes every effort to keep student costs to a minimum. Fees listed in published schedules or student accounts may need to be increased when public funding is inadequate. Therefore, CSU must reserve the right, even after fees are initially charged or initial fee payments are made, to increase or modify any listed fees. All listed fees, other than mandatory system-wide fees, are subject to change without notice, until the date when instruction for a particular semester or quarter has begun. All CSU listed fees should be regarded as estimates that are subject to change upon approval by the Board of Trustees, the Chancellor, or the Presidents, as appropriate. Changes in mandatory system-wide fees will be made in accordance with the requirements of the Working Families Student Fee Transparency and Accountability Act (Sections 66028 - 66028.6 of the Education Code).

PARKING PERMITS
See our website for rates and information:
www.csuchico.edu/sfin > Parking Permits
FINANCIAL AID/SCHOLARSHIPS

CHICO STATE FINANCIAL AID & SCHOLARSHIPS

We understand the financial aid process can be confusing and overwhelming. The Financial Aid & Scholarship Office has friendly, knowledgeable staff members who are available to help you through the financial aid application process, and who strive to minimize financial barriers for you as you pursue your education. Reach out to us by phone, email, or live chat for any questions you might have!

Location: Student Services Center 250 (SSC 250)
Phone: 530-898-6451
Website, Live Chat, Videos, and Office Hours: www.csuchico.edu/fa
Financial Aid Email: finaid@csuchico.edu
Scholarships Email: scholarships@csuchico.edu

Do not neglect to file a FAFSA or CADAA. Without an aid application, you cannot receive financial aid, so be sure to file! We’re here to help you if you have questions about your application.

FAFSA: studentaid.gov/CADAA: dream.csac.ca.gov

TYPES OF FINANCIAL AID

• Scholarships (Wildcat, Athletic, and External)
• Grants (Federal and State)
• Federal Work-study
• Loans (Student and Parent)
• Middle Class Scholarship
• Stipends and Fee Waivers

VERIFICATION

The financial aid verification process is similar to an audit. If you are selected for verification, we will notify you via your Student Center To-Do List and Wildcat email to provide you with instructions on how to create a Financial Aid Account. Submit your tasks by the June 1 priority deadline to avoid financial aid disbursement delays. If we need to make any corrections to your FAFSA or CADAA your estimated financial aid award may be revised. Look for on-campus verification workshops or contact our office for help navigating the verification process.

APPLY FOR FINANCIAL AID

For each academic year you need financial aid, you must complete the Free Application for Federal Student Aid (FAFSA) or the California Dream Act Application (CADAA). Many students will submit the FAFSA; undocumented students who meet the non-resident exemption requirements under AB 540 may submit the CADAA. Both applications open on October 1 for the upcoming academic year.

The priority deadline to apply for aid for the upcoming academic year is March 2. Late applications can be submitted, but aid options may be reduced.
ACCEPTING AND RECEIVING YOUR AID

Financial Aid applicants are awarded aid in April. You will receive a Wildcat email with a link to your Financial Aid Offer Letter, with instructions on how to accept your aid and any required next steps needed to receive your aid. All aid is accepted in your Student Center via the Portal. Any aid you accept will be applied towards any university fees due. If you accept enough aid to cover your fee balance, no out-of-pocket payment will be due. If you accept more aid than the total balance due to the University, you will receive a disbursement (refund) at the start of each semester. If you do not have enough aid to cover your university charges, you will need to pay the balance by the fee payment deadline—July 27, 2022.

Exceptional Circumstances Appeals

Financial aid eligibility may be reconsidered based on new financial information not reflected on your FAFSA or CADAA. If you or your parents have a recent significant reduction of income, or if you have other exceptional circumstances, you may submit an appeal for our consideration. Please contact us for information on how to submit an appeal. You can also find information on appeals here: www.csuchico.edu/fa/appeals/ec-appeals.shtml

Common reasons to appeal include:

• Reduction in income
• Substantial non-reimbursed medical and/or dental expenses
• Financial support of extended family members
• Substantial non-reimbursed travel/commuting expenses
• Childcare expenses/elementary or secondary school tuition
• Change in student marital status
• Loss of home or property due to fire or other disaster

IMPORTANT STEP FOR CAL GRANT AND MIDDLE CLASS SCHOLARSHIP RECIPIENTS

New undergraduate students must communicate to the California Student Aid Commission that they plan to enroll in college and want to claim their Cal Grant or Middle-Class Scholarship. Students must register and log in to their WebGrants account to do this at mygrantinfo.csac.ca.gov. If the college of attendance listed is not accurate, students must initiate a school change through WebGrants. The California Student Aid Commission will notify us once your eligibility is confirmed and we will update your Cal Grant offer once confirmation is received. Middle Class Scholarships will be awarded in October.

IMPORTANT DEADLINES FOR 2022–2023

June 1, 2022: Verification priority deadline
July 27, 2022: Fall fee payment deadline
August 18, 2022: First possible fall aid disbursement
December 8, 2022: Spring 2023 fee payment deadline
January 2-February 15, 2023: Wildcat Scholarship application is open for the 2023-2024 academic year. Applicants will be considered for over 500 scholarship opportunities at Chico State.
March 2, 2023: FAFSA/CADAA priority deadline for the 2023–2024 academic year

IMPORTANT WEBSITES

FAFSA: studentaid.gov
CADAA: dream.csac.ca.gov
Cal Grant/WebGrants: mygrantinfo.csac.ca.gov
Steps to Financial Aid: www.csuchico.edu/fa/steps
Award Information: www.csuchico.edu/fa/award-info
1. Consider your commitments:
   • Use a weekly schedule worksheet. Divide it into one-hour blocks
   • Fill in all of your commitments (classes, discussion periods, labs)
   • Add other regular scheduled activities (part-time jobs, commuting time, athletics, etc.)

2. Blocks of study time and breaks:
   • Develop and plan blocks of study time
   • Determine which hours of the day are most efficient (50-minute blocks are ideal)
   • Take frequent breaks
   • Study the most challenging material first when you’re fresh

3. Dedicated study spaces:
   • Determine a place free from distraction (and friends) where you can maximize your concentration
   • Turn off or put away your cell phone

4. Review notes and readings just before class:
   • Write down 1 or 2 questions from readings
   • Ask the questions in class; demonstrate to your instructor you are prepared

5. Weekly reviews:
   • Review your assignments, notes, and calendar prior to the start of each week
   • List deadlines and exam dates on your planner or your cell phone

6. Achieve “stage one”–get something done:
   • Identify the first step to get the assignment started
   • Roughly draft your idea. You will have time to edit and develop it later

7. Use your free time wisely:
   • Identify times when you can study in “bits” (walking to school, riding the bus, in between classes, etc.)
   • Review flash cards, or, if you can concentrate, read or review a chapter

8. Reward yourself:
   • Ideally, schedule a six-day week to allow yourself a “free” day to do whatever you wish!
   • Don’t over-extend yourself
   • Stick to a reasonable schedule
   • Strive for balance in your life

9. Utilize your resources!
   • Visit with Academic Advising Programs in Student Services Center 220
   • The Student Learning Center in Student Services Center 340
   • The WellCat Counseling Center in Student Services Center 430

REPORTING CRIMES
In an Emergency: Dial 9-1-1 to report an emergency, crime, or suspicious activity.

NON-EMERGENCY CALLS
Dial (530) 898-5555

ANONYMOUS TIP REPORTING
Text keyword CHICOSTATE with your message to 847411

CHICO STATE ALERTS
Update your information at www.csuchico.edu/alerts.
The University sends notice of on-campus emergency situations to students, faculty, and staff, based on the information you provide:

- Call to home, office, or mobile phone number
- Text message (SMS) to mobile device
- Email to a specified address

BLUE LIGHT PHONES
If you ever feel threatened on campus, these blue light phones ring directly into the Chico State Police Department when the button is pushed. Emergency Blue Light Phones are located at exterior locations throughout Chico State’s campus.

CAMPUS CONNECTION SHUTTLE INFORMATION
The shuttle is a free service for use by all Chico State students, faculty and staff.

HOURS OF OPERATION
6 p.m. to Midnight (during fall and spring semesters)

Route runs approximately every 30 minutes.

ABOUT TITLE IX
Title IX is a federal law established in 1972 that prohibits sex discrimination in education. In 2014, the law was amended to include sexual violence against women. At Chico State, we believe it’s everyone’s responsibility to contribute to the safety of the entire college community. Together, we can make a positive difference toward securing a respectful learning environment, where no one is unlawfully excluded from participation in, denied the benefits of, or subjected to discrimination in any college program or activity on the basis of sex or gender.

SAFE PLACE
Safe Place is a campus-based program to provide support services to individuals victimized by violence. Services are confidential and available for all students. To contact Safe Place, call (530) 898-3030.

TITLE IX TRAINING
All California State University (CSU) students are required to complete Title IX training in a system-wide effort to ensure that all CSU students are provided a safe learning environment. At Chico State this training takes the form of a video-based sexual misconduct prevention program called Not Anymore. The program is designed to help you prevent and appropriately respond to sexual misconduct, and includes critical information to help you understand what to watch out for, how to protect yourself, how to step in if needed, and how to file a complaint or a report. Questions regarding the Not Anymore training should be directed to the Title IX Coordinator at (530) 898-4949.

TIP
WellCat Substance Abuse Prevention and Education
The WellCat Substance Abuse Prevention and Education program is available to students in an effort to prevent alcohol and drug abuse at Chico State, and promotes responsible decision-making with respect to alcohol and drug use. Our staff is also available to provide information to students who are concerned about alcohol and other drugs. Location: SUTR 150P and is open from 8am to 5pm, Monday–Friday. For more information, please call us at (530) 898-6450.

WELCOME TO THE STAR CENTER

The STAR Center exists to provide a place for academic preparation and support for historically underserved students at Chico State who are not part of formal support group programs such as the Equal Opportunity Program, Chico Student Success Center, and TRiO Student Support Services. We strive to provide an atmosphere for educational collaboration and innovative approaches to enhance student achievement.

The STAR Center offers:

- Active Study Space
- Academic Advising
- Academic Preparation & Support
- Faculty Engagement
- Post-Graduation Exploration
- Academic Resources

What will you dare to do?
Invest in yourself.

The College of Business offers a Bachelor of Science Degree (BS) in Business Administration or Business Information Systems.

“My favorite thing about the College of Business at Chico State is the fantastic business advising services. They offer a full-time business advising staff to help students in both their education and future career plans. They are there to support you from the day you attend Orientation until the day you walk across that stage with a diploma in hand.”

California State University Chico
College of Business

See what we have to offer by visiting www.csuchico.edu/cob
How to get Started

- Attend an info session
- Meet with an advisor
- Attend an app workshop

The "why"

Expand your perspective, meet new people, learn a new language, gain professional and personal skills.

Academics

Earn academic credit for your general education, major and/or minor requirements.

Finances

Take financial aid with you on your program, and apply to scholarships.

Passport Place: Need a passport? Stop by SSC 440 to get yours today. Open to students and the greater Chico community.

ARC assists students with various disabilities, medical conditions, and learning disabilities. Students who had DSPS services, 504 plans, or IEPs in K–12 may be eligible for services at Chico State.

ARC offers a variety of services including:
- Exam Services (extended time/distraction-reduced environment)
- Note-taking Services
- Accessible Technology
- On-Campus transportation

To register, go to the ARC website at www.csuchico.edu/arc and click on the “Apply Here!” button to submit an application and provide documentation.

For more information, email arcdept@csuchico.edu, call (530) 898-5959, or stop by the office in the Student Services Center, Room 170.
Why go Greek?

Leadership
Learn and expand your potential through leadership roles within the executive boards and councils.

Brotherhood/Sisterhood
Build lifelong relationships within the community that will give you a sense of belonging.

Community Service
Give back to Chico State and Butte through a variety of philanthropic events and activities.

Academic Support
Get access to a wealth of resources for your academic success.

Social Involvement
Make everlasting memories by participating in university sponsored events, retreats, conferences, intramural sports, mixers, trips, and more!

For information on the Chico State Fraternity and Sorority Community, please visit https://www.csuchico.edu/fsa/index.shtml, or follow us on social media @chicostatefsa.

Learn more about each of our councils and find the chapter that's best for you!

WellCat Health Center assists students with their diverse healthcare needs in order to facilitate overall academic and personal growth. Our team strives to give students the opportunity to excel on campus by providing access to healthcare education and services, which include provider appointments, laboratory, pharmacy, and x-ray.

WellCat Counseling Center provides one-on-one and group counseling with the aim of enhancing students’ personal and academic effectiveness by offering emotional support in crisis conditions, facilitating personal growth, and promoting a campus environment that values positive mental health. Student-led programs—UMatter and Peer Coaching—raise awareness about emotional and physical self-care, and teach the necessary skills for students to make self-affirming choices in college and throughout their lifetime.

WellCat Safe Place provides confidential support services to individuals impacted by traumatic experiences. We strive to restore one’s belonging while collaborating to build an equitable culture through empathy and empowerment. Safe Place services are confidential and available for all students, faculty, and staff at CSU, Chico.

WellCat Prevention is committed to providing evidence-based educational programs and services that raise campus awareness about alcohol and drug misuse. WellCat Prevention strives to engage, enable, and empower students to make responsible and healthy choices, especially in areas where substance misuse is a concern.
YOU ARE WELCOME HERE

Each year in September we host our annual Native American Welcome Reception where students can meet Native staff, faculty, and students. Enjoy fun activities and giveaways, and learn more about campus resources.

HOUSING
Chico Rancheria Housing
chicorancheriahousingcorporation.org

We acknowledge and are mindful that Chico State stands on lands that were originally occupied by the first people of this area, the Mechoopda, and we recognize their distinctive spiritual relationship with this land, the flora, the fauna, and the waters that run through campus. We are humbled that our campus resides upon sacred lands that since time immemorial have sustained the Mechoopda people and continue to do so today.
## OUR SYMBOLS

<table>
<thead>
<tr>
<th>Symbol</th>
<th>Description</th>
</tr>
</thead>
<tbody>
<tr>
<td>Institutional Wildcat</td>
<td>Designed to honor <em>Lynx rufus californicus</em>, our Wildcat mascot, this is the core identity of the University. It is also an enduring symbol of our cherished natural environment and honors our connection to the ancestral lands of the Maidu and Mechoopda people, upon which our institution is built.</td>
</tr>
<tr>
<td>Ceremonial Seal</td>
<td>The University Seal is comprised of several key elements: the year of Chico State’s founding in 1887; the University motto of “Today Decides Tomorrow;” our Wildcat mascot; decorative columns and arches in the architecture of our oldest buildings; and the oak tree, which was a staple for the Mechoopda and remains a tireless symbol of unity and wisdom.</td>
</tr>
<tr>
<td>Athletics Wildcat</td>
<td>Proud, distinct, and adaptable, our athletics identity is a worthy symbol of our championship culture. Our student-athletes train to win—in the classroom and on the field—with a fierce commitment to continuous improvement in order to make a positive impact on the team and the world.</td>
</tr>
<tr>
<td>Big C Spirit Mark</td>
<td>The Big C Spirit Mark pays tribute to the honors athletics association Block C Club, as well as the letters earned by student-athletes for their years of competition. It’s also a tribute to the first letter of our name—Chico—and our state—California, and aims to evoke a sense of pride, loyalty, and tradition.</td>
</tr>
<tr>
<td>Paw Print</td>
<td>Our Wildcats make an immediate and lasting impression wherever they go. This mark vividly and immediately conveys our brave personality.</td>
</tr>
<tr>
