OUR NAME

The University has been known by many names during its 133-year history:

• 1887–1921: Northern Branch State Normal School of California
• 1921–1935: Chico State Teachers College
• 1935–1972: Chico State College
• 1972–today: California State University, Chico and CSU, Chico

But even since the early days, the University has been commonly and lovingly known as Chico State.
WE’RE HONORED
YOU HAVE
CHOSEN
TO JOIN US

You’ve done it! You have chosen Chico State and it is my pleasure to welcome you to our Wildcat family. We are a caring community that values academic excellence, diversity, relationships, and service. We believe in you and your success, and we will support you every step of the way. At Chico State, lives are transformed. Students find their passions and discover who they are and who they want to be. We have high expectations for you and your future. Together, we are partners in your education. Congratulations and welcome to Chico State!

Gayle E. Hutchinson
President
California State University, Chico

We acknowledge that CSU, Chico stands on the ancestral and unceded land of the Mechoopda Indian Tribe of the Maidu People. We recognize their long history on this land and we pledge ourselves to work with the Mechoopda as one community for the advancement and prosperity of all.
OUR STATUE

Located in Wildcat Plaza, “Lynx rufus californicus” is 7 feet tall from its claws to its ear tips and 9 feet long from nose to tail. It was a gift to campus in 2018 from the Alumni Association, the Associated Students, and Wildcat Athletics, and serves as a gathering place and a location to celebrate campus successes and achievements. Serving as both a campus greeter and fierce protector, the statue purposely looks out toward downtown Chico to highlight the importance of our relationship with the greater community.
Visitors to Kendall Hall will notice the 59 (and counting!) class year plaques along the walkway. Beginning in 1931, seniors added time capsules to commemorate each class, a tradition that continues today. Graduating classes hold a burial ceremony before Commencement in the spring, to open them 50 years later. Originally placed to spell out “CSC” for Chico State College, the design was updated to spell “CSU Chico” to reflect the University’s name today and will be completed with the Class of 2059!
You are Chico State
What do you want to study? What fuels your passion? California State University, Chico offers over 300 undergraduate and graduate academic offerings. These include over 65 undergraduate majors in liberal arts and in professional and technical areas. Many of our majors are divided into areas of specialization as options. You may also choose from a wide variety of minors, teaching credentials, certificates, and graduate programs. Pre-professional advising is available in several areas if you plan to continue on to professional schools in areas like law, medicine, or optometry.
GENERAL EDUCATION
You must complete 48 units (16 courses) of GE coursework (outlined on the GE Planning Sheet on pages 13 and 14). Some of this GE coursework can also “double-count” toward major and graduation requirements. GE is organized into three broad areas:

Foundation—18 units
Six basic skills courses, which includes four courses: Oral (A1) and Written Communication (A2), Critical Thinking (A3), and Mathematics (A4). Please note: A2 and A4 must be attempted within your first two semesters. These courses must be completed with a C– or better. This area also includes two science courses: a Physical Science (B1) and a Life Science (B2). We recommend you complete these courses early in your college career as they serve as building blocks to later course work.

American Institutions—6 units
Two courses, one in US History (HIST 130) and one in Political Science (POLS 155) designed to prepare you to be an active and informed member of a democratic society.

Breadth Pathways—24 units (15 Lower Division and 9 Upper Division)
Eight courses that expose you to a variety of disciplinary areas including Arts (C1), Humanities (C2), two Social Sciences (D1, D2), and Learning for Life (E). These remaining general education requirements are organized into 10 Pathways (see GE Planning Sheet, pages 13 and 14) to offer an integrated learning experience across the University academic disciplines. While students are not required to complete their lower division coursework in a single pathway, they must complete their 9 upper division units within one pathway.

OPTIONAL PATHWAY MINOR IN GE
You can earn an interdisciplinary Pathway minor in one of 10 subject areas if you wish, but it’s not required. You do this by picking your GE course work strategically with at least 9 lower division units and nine upper division units selected from the same subject Pathway for a total of 18 units.

To graduate in four years, you must complete 15 units per semester.

If you are receiving a Cal Grant, the award is limited to four academic years. Depending on your education level, Cal Grant eligibility may be less than four academic years. Consult the Financial Aid office if you have questions about your Cal Grant award.
Selecting a Major
Area of Study
Declaring a major is an important decision. We understand it can take some time to decide, but please don’t put off thinking about your major. We advise taking exploratory courses within General Education and visiting with staff in Academic Advising Programs to help you decide. It is recommended that you declare or change your major before completing 45 units of academic coursework.

COLLEGE OF AGRICULTURE
Are you passionate about animals, growing things, or making food healthier? Check out these hands-on majors.

Agriculture–BS
• Agricultural Science & Education
Agricultural Business–BS
Animal Science–BS
Plant and Soil Science–BS
• Crops and Horticutre
• Land and Soil Resource Management

COLLEGE OF BEHAVIORAL & SOCIAL SCIENCES
Are you curious about people, places, groups, societies, nations, and policies? Do you want to learn and understand how these topics develop, inform each other, and shape our lives? Check out the Behavioral and Social Science majors.

Anthropology–BA
Child Development–BA
Child Development/Liberal Studies–BA
Criminal Justice–BA
Economics–BA
Geography–BA
• Human Geography & Planning
• Physical & Environmental Geography
Health Services Administration–BS
International Relations–BA
Intersectional Chicano/Latino Studies–BA

Multicultural and Gender Studies–BA
• General Multicultural & Gender Studies
• Women’s Studies
Political Science–BA
• U.S. Politics
• Legal Studies
Psychology–BA
Public Administration–BA
Public Health–BS
Social Science–BA
• Multidisciplinary Studies
• Specialization Studies
Social Work–BA
Sociology–BA

COLLEGE OF BUSINESS
Do you wonder how organizations operate? Are you interested in problem-solving, decision-making, or streamlining a process? Do you like being in charge or convincing people to buy or do things? Look into the world of Business.

Business Administration–BS
• Accounting
• Entrepreneurship & Small Business Management
• Finance
• Human Resource Management
• Management
• Marketing
• Project Management

Business Information Systems–BS
• Management Information Systems
• Operations & Supply Chain Management

COLLEGE OF COMMUNICATION & EDUCATION
Do you enjoy helping others? Are you a leader? Do you hope to gain effective communication skills, maintain a healthy mind and body, or participate in the community? Do you like teaching, planning, communicating, designing or writing? Explore these exciting and educational programs.

Communication Design–BFA
Communication Sciences and Disorders–BS
Communication Studies–BA (**)
• Communication & Public Affairs
• Organizational Communication
Exercise Physiology–BS

Multicultural and Gender Studies–BA
• General Multicultural & Gender Studies
• Women’s Studies
Political Science–BA
• U.S. Politics
• Legal Studies
Psychology–BA
Public Administration–BA
Public Health–BS
Social Science–BA
• Multidisciplinary Studies
• Specialization Studies
Social Work–BA
Sociology–BA

COLLEGE OF COMMUNICATION, COMPUTER SCIENCE, & CONSTRUCTION MANAGEMENT
Are you curious about how things work? Do you characterize yourself as innovative and interested in making things better, faster, stronger, simpler, smarter, quicker, quieter, greener, and more efficient? Check out these exciting programs that prepare you for fulfilling, lucrative, and entrepreneurial careers.

Civil Engineering–BS (*128)
Computer Animation and Game Development–BA
• Animation Production
• Game Development
Computer Engineering–BS (*128)
Computer Information Systems–BS (**)
Computer Science–BS
Concrete Industry Management–BS (**)
Construction Management–BS
Electrical & Electronic Engineering–BS (*127)
Mechanical Engineering–BS (*127)
Mechatronic Engineering–BS (*128)
Sustainable Manufacturing–BS
COLLEGE OF HUMANITIES & FINE ARTS
Do you like to study human expression of ideas through the arts, language, literature, and philosophy? Then check out Arts & Humanities!

Art–BA
- Art Education
- Art History
- Art Studio

Art–BFA (Bachelor of Fine Arts)
- Art Studio
- Interior Architecture

Asian Studies–BA

English–BA
- English Education
- English Studies
- Literature

French–BA

German–BA

History–BA
- General History
- Pre-Credential Social Science

Humanities–BA

Latin American Studies–BA

Music–BFA
- General Music
- Music Education
- Music Industry
- Recording Arts

Musical Theatre–BFA

Philosophy–BA

Religious Studies–BA

Spanish–BA
- General
- Pre-Credential

Theatre Arts–BA

COLLEGE OF NATURAL SCIENCES
Do you have an interest in the structures and patterns of life, environments, and the physical world? Check out these majors.

Biochemistry–BS

Biological Sciences–BA

Biological Sciences–BS
- Cellular & Molecular Biology
- Ecological, Evolutionary, & Organismal Biology
- Plant Biology

Chemistry–BA

Chemistry–BS

Environmental Sciences–BS
- Applied Ecology
- Atmosphere & Climate
- Energy & Earth Resources
- Hydrology

Geology–BS

Geosciences–BS
- Physical Science Education
- Science Education with a Concentration In Geosciences

Mathematics–BS
- Applied Mathematics
- Foundational Mathematics Education
- General Mathematics
- Mathematics Education
- Statistics
- Mathematics Education (Credential)

Microbiology–BS
- Clinical Laboratory Science
- General Microbiology

Natural Sciences–BA
- Science Education

Nursing–BS
- General Nursing

Nutrition and Food Science–BS
- Food & Nutrition Communication
- General Dietetics
- Nutrition Management

Physics–BS
- General Physics
- Professional Physics

TIP
Plan Change Forms for declaring and changing an undergraduate major, option, or minor are available on the CSU, Chico website at www.csuchico.edu

MAJORS – SYMBOLS LEGEND
• Options available in the major
◊ Patterns within the option
(*) Majors requiring more than 120 units
(**) Majors requiring a formal minor
Undergraduate Minors

A minor is an approved group of related courses usually within a single discipline. Traditional minors are generally a secondary area of study to the major and include anywhere from 18–30 units. Successful completion of a minor is noted on your transcript. Students who have a number of elective units may consider using those electives strategically to earn a minor. Minors are optional for most majors. Below is the list of minors offered at Chico State.

Accounting
Adapted Physical Activity
African American Studies
African Studies
Agricultural Business
Agriculture
American Indian Studies
Animal Science
Anthropology
Applied Computer Graphics
Applied Statistics
Art History
Art Studio
Asian American Studies
Asian Studies
Biochemistry
Biological Sciences
Broadcasting
Business Administration
California Studies
Career and Life Planning
Chemistry
Chicano Studies
Child Development
Cinema Studies
Classical Civilization
Coaching
Communication Design
Communication Studies
Comparative Religion
Computer Engineering
Computer Science
Creative Writing
Criminal Justice

Dance
Economics
English
Entrepreneurship and Small Business Management
Environmental Studies
Ethics
European Studies
Exercise Science
Family Relations
Food Service Administration
French
Geography
Geology
Geospatial Literacy
German
Gerontology
Health Promotion
Health Services Administration
History
Humanities
Information Technology
Instructional Design
Interior Design
International Business
International Relations
Intersectional Chicano/Latinx Studies
Italian
Japanese
Journalism
Latin American Studies
Leadership Studies
Linguistics
Management
Management Information Systems
Managing Diversity in Organizations
Managing for Sustainability
Manufacturing
Marketing
Mathematics
Mathematics Education
Medieval & Renaissance Studies
Middle Eastern Studies
Modern Jewish and Israel Studies
Multicultural Studies
Music
Nutrition
Operations and Supply Chain Mgmt.
Philosophy
Photographic Studies
Physical Education
Physics
Planning and Development
Political Science
Project Management
Psychology
Public Administration
Recreation, Hospitality, and Parks Management
Sexual Diversity Studies
Sociology
Spanish
Special Education
Sports Performance
Statistics
Theatre Arts
Tourism
Video Game Design
Women’s Studies

In addition to the traditional minors listed here, it is also possible to earn an interdisciplinary Pathway Minor in General Education. Do this by taking 18 units in one of ten GE Pathways (9 units of lower division and 9 upper division). Meet with an Academic Advisor in SSC 220, or talk with your peer advisor to learn more about the GE Pathway Minor.

PATHWAY MINORS

Diversity Studies
Ethics, Justice, & Policy
Food Studies
Gender & Sexuality Studies
Global Development Studies
Great Books & Ideas
Health & Wellness
International Studies
Science, Technology & Values
Sustainability
WILLIE, OUR MASCOT

The Wildcat became Chico's mascot in 1924 by a vote of the student body. It was chosen because, according to recollections of those around at the time, it typified the kind of sassy, spitfire vigor, and vitality the students wanted to project. The Wildcat first appeared as a sketch in the 1925 yearbook but later became a prankish gremlin known as SOCS (“Spirit of Chico State”). Since the early 2000s, we have the lovable Willie the Wildcat, who is commonly seen at special events or posing for selfies while strolling campus in his athletics jersey.
YOU are Chico State

UNDERSTANDING YOUR GRADUATION REQUIREMENTS

The nine graduation requirements break down the individual components required to earn a bachelor’s degree from Chico State and help you monitor your academic progress. Once you declare a major, your Degree Progress Report found in your Student Center on the Chico Portal outlines all degree requirements and is a great way to track your progress towards graduation!
GETTING A BACHELOR’S DEGREE: THE NINE GRADUATION REQUIREMENTS

1. Total Units
   • Earn at least 120 academic units (some majors require up to 128 units).
   • A maximum of 70 semester units from community colleges may be applied to the total units.
   • Unit load: to be considered a full-time student for Financial Aid eligibility you must take at least 12 units per semester. However, to graduate in four years, you must average 15 units a semester.

   Tip: Talk with advisors about what is an appropriate course load for you factoring in your study habits, work schedule and other time restraints.

2. Upper Division Units
   • Complete a minimum of 39 units of upper-division coursework (courses numbered 300 and higher). Enrollment in upper-division courses is normally restricted to students with junior or senior standing.

3. Residence Units
   • You must complete a minimum of 30 units in residence at CSU, Chico.
   • At least 24 of the 30 units must be upper division coursework (numbered 300 or higher) and 12 of the 30 units must be in the major.

4. General Education
   • Complete 48 units of General Education coursework as outlined on the GE Planning sheet, pages 13 and 14.
   • General Education is divided into 3 broad areas: Foundation, American Institutions, and Breadth Pathways, page 5.

   Tip: Certain majors have important modifications to GE. Consult your Major Academic Plan (MAP), advisors, and Degree Progress Report (DPR) in your Student Center in the Chico Portal

5. Diversity
   You must complete two courses that focus on cultural diversity:
   • One course in United States Diversity (USD), focused on the experiences of one or more groups found in the U.S., typically underrepresented or marginalized groups
   • One course in Global Cultures (GC), focused on non-U.S. cultures

   Tip: Consult with advisors on ways to “double-count” these courses in GE.

6. American Institutions Requirement
   You must complete two courses that prepare you to vote and to participate in civic life:
   • HIST 130—United States History
   • POLS 155—American Government: National, State, and Local

7. Mathematics/Quantitative Reasoning and Writing Requirement
   • You must complete your required GE Quantitative Reasoning course (A4) with a C− or higher.
   • You must complete your required GE Written Communication (A2) course with a C− or higher.
   • You must complete two additional Writing (W) courses.
   • You must complete a Graduation Writing Assessment Requirement (GW) course in your major with a grade of C− or higher.

8. An Approved Major
   • You must complete an approved major program.
   • You should declare your official major as soon as possible (generally by the time you have complete 45 units) so that your Degree Progress Report (DPR) is accurate.
   • For a complete listing of Undergraduate Majors offered at Chico State, pages 6 and 7. Major program requirements are also fully described in the University Catalog.

   Tip: To declare your Major, you must fill out a Plan Change Form.

9. Grade Point Average
   • You must attain at least a 2.0 cumulative grade point average, which includes both transfer and CSU, Chico work, at least a 2.0 in courses required for the major, and at least 2.0 in all work taken at CSU, Chico.

   Tip: Some majors may have additional grade point average requirements; they are described in each major program description.

To guide you toward completing all the requirements for your degree, you can use a Degree MAP (Major Academic Plan). Your MAP illustrates an efficient path toward completing your degree, but it is not set in stone. Most GE courses are interchangeable throughout the various semesters. MAPs are available online at csuchico.edu/aap/maps.shtml.
While your major course of study prepares you for your life's work, General Education (GE) helps you understand the big picture, see connections, build skills, explore possible majors and minors, and become an all-around, well-educated person. You must complete 48 units (16 courses) of GE coursework (outlined on the GE Planning Sheet). Some of this GE coursework can also “double-count” toward major and graduation requirements.

**Upper Division GE Pathway Courses: 9 units**

- Select a Pathway and complete 1 course from each Disciplinary Area within that Pathway.
- It is recommended that you complete at least 45 semester units prior to beginning Upper Division GE.

**Legend:**
- (W) = Writing Course
- U.S. = United States Diversity
- GC = Global Cultures
- (F) = Offered fall semester only
- (S) = Offered spring semester only

(Fall 2020 Updated 3/2/2020)
Students must complete 48 units of General Education (GE) courses as specified on the GE Planning Sheet, pages 13 and 14. Since courses are added and deleted from General Education on a regular basis, the most up-to-date listing of courses can be found online under the University Catalog.

Please note that some majors have modifications to GE so be sure to refer to **Majors with Important Modifications to GE** in the University Catalog and consult your major advisor.

### FOUNDATION

**Area A1: Oral Communication (Complete one course)**
- CMST 131–Speech Communication Fundamentals
- CMST 132–Small Group Communication

**Area A2: Written Communication (Complete one course)**
- ENGL 130W–Academic Writing
- ENGL 130EW–Academic Writing–ESL
- ENGL 130PW–Academic Writing
- JOUR 130W–Professional Writing for Public Audiences

**Area A3: Critical Thinking (Complete one course)**
- CMST 255–Argumentation and Debate
- GEOS 104–Inquiry into Earth and Environmental Sciences
- PHIL 102–Logic and Critical Thinking (102E: ESL)
- PSYC 100–Applications of Critical Thinking and Decision Making

**Area A4: Mathematics/Quantitative Reasoning (Complete one course)**
- BSIS 111–Digital Literacy
- FINA 101–Personal Financial Literacy
- MATH 101–Patterns of Mathematical Thought
- MATH 105–Introduction to Statistics
- MATH 107–Finite Mathematics for Business
- MATH 108–Statistics of Business and Economics
- MATH 109–Survey of Calculus
- MATH 110–Concepts and Structures of Mathematics
- MATH 116–College Algebra

ADVANCED PLACEMENT & INTERNATIONAL BACCALAUREATE

ADVANCED PLACEMENT (AP) AND INTERNATIONAL BACCALAUREATE (IB) CREDIT

Advanced Placement Credit

Chico State grants credit toward its undergraduate degrees for successful completion of examinations of the Advanced Placement Program of the College Board. Students who present scores of three or better will be granted up to six semester units of college credit. The number of units and how they meet specific academic content requirements are specified in the Advanced Placement Examinations Chart at right.

INTERATIONAL BACCALAUREATE (IB)

As recommended by the California State University Chancellor’s Office, CSU, Chico grants credit toward its undergraduate degrees for successful completion of specific Higher Level International Baccalaureate examinations. Students who present the following passing scores will be granted up to six semester units of credit for each exam applied to the appropriate General Education requirements. Please consult the IB chart for specific details.

FIRST-TIME FRESHMAN COURSE SELECTION TIPS

Use the following tips to help develop a list of courses you would like to sign up for during course registration:

1. Do you have prior college credit or Advanced Placement Credit? If so, you may have completed some of your GE requirements. Reference page 18 of this guide and speak to an academic/peer advisor.

2. If you need support courses in Math and/or English, sign up for those first. See your Peer Advisor for required Math and/or English courses.

3. Consider taking 1-2 courses from the GE Foundation, specifically A2 and/or A4 (these must be attempted in your first year). Consult the GE Planning Sheet on pages 13 and 14.

4. Consider a First Year Experience (FYE) course which will also meet a GE requirement (see below).

5. Take 1 or 2 courses from the lower division Breath Pathways of GE. Look for courses that “double-count” for your major and/or that meet Diversity Requirements.

TRANSFER COURSE SELECTION TIPS

Use the following tips to help develop a list of courses you would like to sign up for this afternoon during course registration:

1. You likely have your lower division GE done. Avoid lower division GE for now unless there is a course you are certain you have not completed.

2. You still need to take your upper division GE pathway courses. Select one or two of these courses. Look to “double-count” diversity and major courses in consultation with your peer and major advisors.

3. Take any beginning courses in your major that you are sure you haven’t already taken. Consult your MAP (major academic plan) and major advisor.

ALL STUDENTS

Please note: Students must enroll in at least 12 units to be considered full-time for financial aid purposes. Students should enroll in 15 units in order to graduate in 4 years.

FIRST-YEAR COURSES DESIGNED TO HELP YOU SUCCEED!

Your first year at Chico State is an exciting time, but it can be a bit overwhelming! To support your transition, First-Year Experience courses incorporate High Impact Practices, proven to provide the most benefit to college students of all backgrounds, including higher grade point averages, and higher student satisfaction with their education. These first-year GE courses are specifically designed to help students explore their identity and interests, develop successful skills and habits, and make close connections to peers and faculty. They include collaborative and active learning, peer support and engagement with public issues that challenge students and are proven to increase enjoyment and success in college.

WHICH FIRST-YEAR EXPERIENCE WILL YOU CHOOSE?

“Combined” U-Courses
Meet two GE requirements in one combined project-based class. Courses are interdisciplinary with embedded peer mentors and a focus on collaborative, active learning.

(6 units) To find and register for U-Courses, ask your Peer Advisor or go to Courselinks in the Class Schedule. Please note: You must put both courses in your enrollment shopping cart at the same time before proceeding to check out!

“Stand Alone” U-Courses
Project based, with embedded peer mentors and a focus on collaborative, active learning. Make friends; learn together, all while supported by a peer mentor!

(3 units) Fall 2020 offering: History 130-50

“Connection Courses
First-year GE courses requirement with a 1 unit “Wildcat Weekend” and peer-led meet ups. Courses are designed to help you connect to peers with similar interest areas.

- “Most memorable part of this Wildcat Weekend was making new friendships and meeting new people”
- “Overall what I liked best about my Wildcat Weekend was that my group had fun. We were all strangers in the beginning”

(4 units) To find and register for Connection Courses, ask your Peer Advisor or go to Courselinks in the Class Schedule.

Public Sphere Pedagogy (PSP) Courses

(3 units)
- Town Hall (POLS 155)
- Chico Great Debate (CMST 131, CMST 132)
- Sense of Place (UNIV 105)

Focuses student coursework on contemporary public issues and places students in dialogue with diverse campus and community members.

“It was great and a good change from just lecture type classes. I learned a lot about how to gather data and do proper ethnographic research. I also learned how to create a policy brief.”

“The Town Hall really inspired me to get more involved in my community and stay educated on current politics. I was a little intimidated in the beginning of the discussion, but once I started speaking up I felt empowered.”

“It was an overall great experience. I enjoyed working with my group...our project was based on homelessness and how students could help lower the population and become more aware of the truth behind it.”
We have essential policies in place to support you in your educational journey. As a Chico State student, you’re responsible for knowing what’s expected to meet your degree requirements and for seeking academic advising along the way. For more information about Academic Policies: http://catalog.csuchico.edu/viewer/ACAREGS.html
KEY ACADEMIC POLICIES

Academic Honesty: Students are expected to maintain a high standard of academic honesty and integrity. Dishonesty may bring grade reduction, disciplinary probation, suspension or expulsion. Details are outlined in the Code of Student Rights and Responsibilities. Student Conduct, Rights, and Responsibilities in SSC 190 is the office charged with handling such cases. It is also a resource for students who believe they have been discriminated against or treated unfairly.

Class Attendance: Students are expected to attend classes regularly. Be sure to talk with your instructors about an absence. Be aware that instructors can, if they choose, drop you from a course for non-attendance. Extended absences should be reported to Academic Advising Programs in SSC 220.

Planned Educational Leave & Withdrawal: A Planned Educational Leave (PEL) is available to undergraduates who are in good standing. A PEL holds your spot for one year so you don’t have to reapply to the University. If, due to extenuating circumstances, you find you need to withdraw from the University, be sure to speak with an advisor in Academic Advising Programs in SSC 220 to discuss filing a PEL.

Declaring or Changing a Major: Declaring or changing a major is an important decision. We advise taking exploratory courses and visiting with staff in Academic Advising Programs in SSC 220 to help you decide. It is recommended that you declare or change your major before completing 45 units of academic coursework. A Plan Change Form for declaring and changing major, option, or minor are available on the Student Records and Registration website.

Classification by Class Level: Your class level is determined by the number of units you’ve completed.
- **First Year**: completed 0–29 units (100 level classes)
- **Sophomore**: completed 30–59 units (200 level classes)
- **Junior**: completed 60–89 units (300 level classes)
- **Senior**: completed 90 or more units (400+ level classes)

GRADING POLICIES & SYMBOLS

Grade Point Average (GPA):
- **Term GPA**: Grades earned in a specific semester
- **Chico State GPA**: All courses taken at Chico State
- **Overall GPA**: All college courses taken including those from other colleges/universities
- **Dean’s List**: Compiled every semester by each college of students who earn a 3.5 GPA or better on 12 or more graded units the previous semester.
- **Graduating with Honors**: For more information, contact the Honors program in Sutter Hall 150

**OTHER GRADE SYMBOLS:**

W (Withdrawal): Issued when a student drops a class with appropriate approval after the fourth week of the semester and it does not impact the GPA. Undergraduate students are limited to 18 units of (W) grades.

WU (Withdrawal Unauthorized): Issued when a student stops attending a classes without properly dropping or withdrawing from it. A (WU) computes in the GPA as 0 points, similar to an (F) grade.

I (Incomplete): Used in cases where course requirements cannot be met for unforeseen reasons and is assigned at the discretion of the instructor. Students must work with the instructor to complete remaining work. An (I) grade must be made up within one calendar year after it is assigned by the faculty member.

IC (Incomplete Charged): The (IC) symbol may be used when a student who received an authorized incomplete (I) has not completed the required coursework within the allowed time limit. The (IC) replaces the (I) and is counted as an F in the GPA.

Repeating Courses & Academic Forgiveness:
Students may repeat courses (a maximum of 28 units) if the earlier attempt resulted in a grade of “C–” or lower or “no credit.” Students may repeat a course “with forgiveness” for courses taken at CSU, Chico (a maximum of 16 units). Forgiveness means the previous letter grade is removed from the GPA computation. Students wishing to repeat a course should meet with an Academic Advisor in SSC 220.
ACADEMIC ADVISING IS HERE TO SUPPORT YOU

We’ll help you explore academic and co-curricular options, make plans to graduate, help you understand academic policies and procedures, assess your academic skills, and develop effective study- and time-management strategies. We’ll also help you connect with faculty who can guide you further on your academic path or major.
ADVISING AT CHICO STATE

Develop Your Plan to Graduate
Don’t know where to start? Unsure about your major or minor? Not sure what courses to take? Advisors can help!

Chico State uses a Dual Advising System
You get support from both Academic Advising Programs as well as your major academic department. We encourage you to visit your academic advisors early and often (at least once a semester) and some departments require mandatory major advising.

Academic Advising
• Home for undeclared students
• Helps students with major and minor exploration
• Assists with General Education (GE) course planning
• Advises on Pathway Minors
• Provides GPA advising
• Helps students navigate important academic policies such as academic probation and repeats
• Provides e-advising tools and registration help
• Located in SSC 220. Advisors see students on a drop-in basis.

Major Advising
• Provides help with major course planning & selection
• Assists with course substitution in the major
• Advises on scholarships, internships and careers
• To determine who your major advisor is, visit the Major Advising Directory.

VISIT YOUR PORTAL AND STUDENT CENTER FOR ACCESS TO ONLINE RESOURCES
• Smart Planner
• Degree Progress Report
• Unofficial transcripts
• Wildcat Scheduler
• Blackboard

E-ADVISING TOOLS
GPA Calculator
Concerned about how a grade will impact your GPA? This tool helps you compute your grade point average and project your future GPA as well as the grades needed to achieve a desired GPA. It is available at http://www.csuchico.edu/aap/calculator.shtml

Degree Progress Report (DPR)
Want to see what courses you have left to graduate? The DPR is used to help you track your progress towards meeting Chico State’s graduation requirements, including GE, major and minor requirements. You can access the DPR from your online Student Center.

Smart Planner
Want to map out your entire 4 years at Chico State? This interactive on-line tool allows you to drag-and-drop required courses to develop a flexible four-year plan. It is available in your online Student Center.
Graduating in a timely manner is a priority at Chico State. Smart Planner is a new tool that gives you an easy way to map your entire path to graduation.

**Smart Planner is integrated with Wildcat Scheduler!**

Log into your portal, navigate to Self Service, and click on the link to Smart Planner. Once you have selected your courses for the upcoming semester, you can simply import the classes listed in your planner into Wildcat Scheduler automatically. It’s that easy!

Find the tutorials at [https://www.csuchico.edu/dgap/smart-planner/video-tutorials.shtml](https://www.csuchico.edu/dgap/smart-planner/video-tutorials.shtml)

**5. Generate**
All Possible Schedules

**6. View**
To See Each Schedule

**7. Send to Shopping Cart**
From the “View” Screen, Click the “Shopping Cart” Button to Begin Registration!
REGISTRATION TIPS

Check your registration holds. All registration holds must be cleared before registering for classes.

Know your registration time. Every student is given a specific registration date and time. Check your Student Center on the Chico State Portal for your registration appointment. Classes fill on a first-come, first-served basis.

Registration fees. After registering for classes, check your portal for billing details. See www.csuchico.edu/sfin/ for registration fee information.

Can’t get the courses you want? If you are unable to enroll in all of your preferred courses on your registration day, keep checking back during subsequent registration periods. New sections of courses and additional seats are often added and other students drop freeing up seats in the course.

Need help registering? If you are having trouble registering for classes, contact the Office of the Registrar during regular business hours at (530) 898-5142.

WAITLISTING

- Most classes that are full allow students to waitlist (except those which require instructor consent or special permission).
- Students on a waitlist will be placed in the course when someone chooses to drop it and space becomes available.
- Students will not be enrolled in a waitlisted class if there is a time conflict with an already enrolled class or if they are already enrolled in another section of the class.
- Students are allowed to waitlist a maximum of 10 units and will not be enrolled in a waitlisted course if enrollment would cause them to exceed the maximum units allowed.
- Waitlists are “turned off” at the end of the first week of classes each semester. At that point, it is up to the instructor to decide if the student can enroll in the class.
- Students must attend the classes for which they are waitlisted or risk being dropped from the waitlist.
- If you are enrolled in a class from the waitlist, it is your responsibility to drop the class should you decide not to attend.

The Family Educational Rights and Privacy Act of 1974 (FERPA)

FERPA is a federal law regarding the privacy of student records and the obligations of the institution, primarily in the areas of release of the records and the access provided to these records. Education records include academic, financial, health and student conduct records. This information is protected under FERPA, and parents may not have access unless the student has provided authorization that specifically identifies what information may be released to the parent(s).

Contact the Office of the Registrar for more information at (530) 898-5142, or online at www.csuchico.edu/registrar/ferpa
YOUR STUDENT ACCOUNT
Login to your Portal > Student Center regularly for due amounts, due dates, Pending Financial Aid, To-Do-List items, and Holds. See: www.csuchico.edu/sfin > Student Accounts > Help Guides.

TUITION AND REGISTRATION FEES*

<table>
<thead>
<tr>
<th>Undergraduate Rates</th>
<th>0 – 6.0 units</th>
<th>6.1+ units</th>
</tr>
</thead>
<tbody>
<tr>
<td>Per Semester for California Residents:</td>
<td>$2,728.00</td>
<td>$3,934.00</td>
</tr>
</tbody>
</table>

PAYMENT DUE DATES
Fall 2020: July 29, 2020
Spring 2021: December 10, 2020

OPTIONAL TUITION PAYMENT PLAN
Intended only for California residents who are not receiving financial aid. Additional $33.00 contract fee (non-refundable). Self-enroll in your Student Center after fees have posted and before payment due date. Enrollment is for one semester only; for future semesters, enroll again.

UNIVERSITY HOUSING CHARGES
Rent and meal plan charges are posted to the student account. For rates and installment due dates, visit: www.csuchico.edu/housing or call University Housing at 530-898-6325.

HOW TO MAKE PAYMENTS
Online: credit and debit card payments (2.75% service fee); electronic check payments (no service fee). Login to your Student Center and use the Make-A-Payment button OR visit: www.csuchico.edu/sfin, use the CashNet button and login with student’s Chico State ID# and six-digit birthdate.

Mail: personal or bank checks, money orders, 529 and College Savings Plan checks. Make checks payable to Chico State. Include student’s name and ID#.

Mail to:
Student Financial Services
400 W 1st St
Chico, CA 95929-0999

CONTACT STUDENT FINANCIAL SERVICES
www.csuchico.edu/sfin > Student Accounts
530-898-5936
cash@csuchico.edu
Student Services Center 230
In person payments: Checks and cash only.

FINANCIAL AID RECIPIENTS
Accept your financial aid in your Student Center before the payment due date. Your Pending Financial Aid for the semester will count toward your charges on your student account:
• If your Pending Financial Aid is less than your due amount, you pay the difference by the due date.
• If your Pending Financial Aid is more than your due amount, we refund the difference to you. Enroll in Direct Deposit in your Student Center to get faster access to your financial aid refund.

AUTHORIZE TO RELEASE
Details of the student account are considered private; however, students can give permission so that designated individuals can have detailed conversations with Student Financial Services. Self-enroll in your Student Center; click on Authorize to Release.

*Amounts shown include optional $2 Student Involvement & Representation fee. Nonresidents of California pay an additional $396 per unit. Payment due dates are subject to change.

The CSU makes every effort to keep student costs to a minimum. Fees listed in published schedules or student accounts may need to be increased when public funding is inadequate. Therefore, CSU must reserve the right, even after fees are initially charged or initial fee payments are made, to increase or modify any listed fees. All listed fees, other than mandatory system-wide fees, are subject to change without notice, until the date when instruction for a particular semester or quarter has begun. All CSU listed fees should be regarded as estimates that are subject to change upon approval by the Board of Trustees, the Chancellor, or the Presidents, as appropriate. Changes in mandatory system-wide fees will be made in accordance with the requirements of the Working Families Student Fee Transparency and Accountability Act (Sections 66028 - 66028.6 of the Education Code).

PARKING PERMITS
See our website for rates and information: www.csuchico.edu/sfin > Parking Permits
OUR DIVERSITY MAKES US STRONGER

CHICO STATE WELCOMES

People of all races, ethnicities, and nationalities
People of all gender identities and expressions

WellCat Substance Abuse Prevention and Education

The WellCat Substance Abuse Prevention and Education program is available to students in an effort to prevent alcohol and drug abuse at Chico State, and promotes responsible decision-making with respect to alcohol and drug use. Our staff is also available to provide information to students who are concerned about alcohol and other drugs. Location: SSC 180, and is open from 8am to 5pm, Monday–Friday. For more information, please call us at (530) 898-6450.

UNIVERSITY POLICE DEPARTMENT
Parking Structure II, Room 101
Corner of W. 2nd & Chestnut St.

REPORTING CRIMES
In an Emergency: Dial 9-1-1 to report an emergency, crime, or suspicious activity.

NON-EMERGENCY CALLS
Dial (530) 898-5555

ANONYMOUS TIP REPORTING
• Text keyword CHICOSTATE with your message to 847411
• Tap the “Report Crime” icon in the “MyChicoState” app

CHICO STATE ALERTS
The University sends notice of on-campus emergency situations to students, faculty, and staff, based on the information you provide:
• Call to home, office, or mobile phone number
• Text message (SMS) to mobile device
• Email to a specified address

BLUE LIGHT PHONES
If you ever feel threatened on campus, these blue light phones ring directly into the CSU, Chico Police Department when the button is pushed. Emergency Blue Light Phones are located at exterior locations throughout Chico State’s campus.

CAMPUS CONNECTION SHUTTLE INFORMATION
The shuttle is a free service for use by all Chico State students, faculty and staff.

HOURS OF OPERATION
6 p.m. to Midnight (During fall and spring semesters)
Route runs approximately every 30 minutes.

CAMPUS CONNECTION STOPS
1. UPD Entrance: 2nd and Chestnut St. (PAC, Taylor, and Laxson meet here)
2. Student Services Center: Near 2nd and Ivy St. (BMU meet here)
3. A-Lot: S/W corner at blue light
4. University Village: N/E corner building #1 (all UV Campus Connections meet here)
5. Mechoopda Hall: S/E corner at blue light (Konkow and Esken meet here)
6. College Drive: West side at blue light (Nettleton Stadium and sports fields meet here)
7. Yolo Hall: South side at blue light (Tennis Courts meet here)
8. Shurmer Gym: S/E corner at blue light (Acker and Student Health Center meet here)
9. X-Lot: East side of parking lot at blue light
10. Parking Structure: N/W corner at 1st and Cherry St. (Langdon, O’Connell, and WREC meet here)
11. Meriam Library: North side at blue light (Siskiyou meets here)
12. Kendall Hall: West side at blue light (Glenn, Continuing Education, Colusa, Trinity, Selvester’s Café, Physical Science, and Ayres meet here)
13. Sutter Café: South side (Whitney, Shasta, Lassen, Housing Office, UHUB, Plumas, Tehama, and Butte meet here)
14. Holt Hall: South side at blue light
15. Modoc Hall: S/W corner at blue light (AJH and Gateway Museum meet here)

ABOUT TITLE IX
Title IX is a federal law established in 1972 that prohibits sex discrimination in education. In 2014, the law was amended to include sexual violence against women. At Chico State, we believe it’s everyone’s responsibility to contribute to the safety of the entire college community. Together, we can make a positive difference toward securing a respectful learning environment, where no one is unlawfully excluded from participation in, denied the benefits of, or subjected to discrimination in any college program or activity on the basis of sex or gender.

SAFE PLACE
Safe Place is a campus-based program to provide support services to individuals victimized by violence. Services are confidential and available for all students. To contact Safe Place, call (530) 898-3030.

TITLE IX TRAINING
All California State University (CSU) students are required to complete Title IX training in a system-wide effort to ensure that all CSU students are provided a safe learning environment. At Chico State this training takes the form of a video-based sexual misconduct prevention program called Not Anymore. The program is designed to help you prevent and appropriately respond to sexual misconduct, and includes critical information to help you understand what to watch out for, how to protect yourself, how to step in if needed, and how to file a complaint or a report. Questions regarding the Not Anymore training should be directed to the Title IX Coordinator at (530) 898-4949 or (530) 898-5195.
1. Consider your commitments:
   • Use a weekly schedule worksheet. Divide it into one-hour blocks
   • Fill in all of your commitments (classes, discussion periods, labs)
   • Add other regular scheduled activities (part-time jobs, commuting time, athletics, etc.)

2. Blocks of study time and breaks:
   • Develop and plan blocks of study time
   • Determine which hours of the day are most efficient (50-minute blocks are ideal)
   • Take frequent breaks
   • Study the most challenging material first when you’re fresh

3. Dedicated study spaces:
   • Determine a place free from distraction (and friends) where you can maximize your concentration
   • Turn off or put away your cell phone

4. Review notes and readings just before class:
   • Write down 1 or 2 questions from readings
   • Ask the questions in class; demonstrate to your instructor you are prepared

5. Weekly reviews:
   • Review your assignments, notes, and calendar prior to the start of each week
   • List deadlines and exam dates on your planner or your cell phone

6. Achieve “stage one”–get something done:
   • Identify the first step to get the assignment started
   • Roughly draft your idea. You will have time to edit and develop it later

7. Use your free time wisely:
   • Identify times when you can study in “bits” (walking to school, riding the bus, in between classes, etc.)
   • Review flash cards, or, if you can concentrate, read or review a chapter

8. Reward yourself:
   • Ideally, schedule a six-day week to allow yourself a “free” day to do whatever you wish!
   • Don’t over-extend yourself
   • Stick to a reasonable schedule
   • Strive for balance in your life

9. Utilize your resources!
   • Visit with Academic Advising Programs in SSC 220, the Student Learning Center in SSC 340, and the WellCat Counseling Center in SSC 430.

CHICO STATE
RECSPORTS

Multiple opportunities to play here at Rec Sports!

Join a sport club to travel and compete against other universities!

Play, have fun, and meet new friends in intramural sports

Participate in our one-time special events!
EXPLORE THE
WILDCAT Sync
STUDENT INVOLVEMENT PORTAL

Kickstart your Chico State experience! The Student Involvement Portal is your source for student-led organizations, events, Wildcat Welcome programs, and more!

Go to: csuchico.campuslabs.com/engage

Want to talk to someone about how to get involved?
Student Involvement Coordinators are waiting to help you! Visit the Student Life and Leadership office in BMU 220, directly above the Wildcat Store in the Bell Memorial Union.

DON’T JUST PICK A MAJOR
Choose a life!
You are Chico State

PLANNER

STUDENT PLANNER
OUR SYMBOLS

The University Flame was created by graphic design professor Gregg Berryman, and was introduced when the University became CSU, Chico in 1972. It symbolizes a flaming torch of learning, a growing plant or tree, a book or a scroll, or human shape.

The University Seal features a stylized illustration of Kendall Hall and the Trinity Hall bell tower, along with the Latin phrase, “Ars Probat Artificem,” which means “Art is the test of the artisan.”

The Athletics Wildcat is used by our NCAA Division II athletics teams to reflect the fierceness of the ‘Cats.
