CHARACTERISTICS OF THE IDEAL LEADER

Instructions:

The *Characteristics of the Ideal Leader Inventory*, designed by PKAL, will provide insight about your strengths and your potential as a leader. This inventory reflects ideas and from a wide range of reflective leadership theorists and practitioners. See *Leadership— A PKAL Portfolio, 2004: Investing in the Future: Building Institutional Leadership for Natural Science Communities* (<http://www.pkal.org/documents/LeadershipHandbook.cfm>)

After completing the *Inventory*, you should identify a handful of key leaderships traits that are both critical and lacking at this time. With these growth areas identified, we suggest keeping a journal of efforts to incorporate the targeted traits into your professional life. You may want identify someone you know who truly exhibits the chosen leadership characteristics and interview them. Reassess your progress periodically.
