Dual Advising System: CSU, Chico utilizes a dual advising system to help you graduate on time. Undergraduate students are provided support through the Academic Advising Programs office as well as a major department advisor. While Academic Advisors help answer questions regarding GE, campus policies and procedures, and general university questions, your major department advisor can help with questions regarding major coursework, internships, and course substitutions.

Degree Requirements: Please review the program and graduation requirements for the major [here](#). The program requirements for the minor can be found [here](#).
