Re: Memo- Abbreviation change request from 'FAIS' to 'ISFA'
Date: August 24, 2022

On April 21, 2022, the University issued EM 22-009, reorganizing the College of Business from four departments to three.

The College of Business hereby requests the abbreviation for its “Information Systems, Finance, and Accounting” department to be changed from ‘FAIS’ to ‘ISFA.’ This change would keep the department’s abbreviation consistent with its name and prevent future confusion in communications with other university units and external stakeholders.

Thank you for your consideration of this matter.
