Executive Memorandum 21-007

March 16, 2021

From: Gayle E. Hutchinson, President

Subject: Approval of the New General Education Minor in California Studies

Upon the recommendation of the Academic Senate, and with the concurrence of the Provost, I approve the new GE Minor in California Studies within the General Education Program, effective fall 2022. Per [EM 19-021](#), “Upon completion of nine units from designated courses in an upper-division Pathway and an additional nine units from designated courses in lower-division GE, students will be awarded a GE Minor with the same name as the upper-division Pathway.”

Policy Title:	EM 21-007 GE Minor in California Studies

New GE Minor Signature Form

GE Minor Name: General Education Minor in California Studies

Rationale: EM 19-021 calls for “a process of revising the number and/or title of upper-division Pathways and corresponding GE Minors and designating the lower- and upper-division courses that will count for each GE Minor.” All ten existing existing minors have been discontinued, and this one of ten new minors added in their place. For a list of the extensive consultation that guided CAB's implementation of EM 19-021, please see CAB's website: <https://www.csuchico.edu/ge/2021/consultation.shtml>.

The Director of the Social Science Program has confirmed that the program will change the name of their California Studies minor. The Dean of the College of Behavioral and Social Science concurs.

**Proposal for a New Minor:
General Education Minor in California Studies**

Recommended by the Curriculum Advisory Board to EPPC, March 22, 2020

The Academic Senate (EM 19-021) charged CAB with “revising the number and/or title of upper-division Pathways and corresponding GE Minors and designating the lower- and upper-division courses that will count for each GE Minor” for Fall 2021 implementation. As instructed by Senate, “in 2019-20, CAB will propose changes to existing GE Minors to EPPC,” and during this process, no courses that currently have GE status, including “experimental courses,” will forfeit their status. On March 10, following months of transparent consultation, including publicly announced committee and subcommittee meetings, and after incorporating feedback from two EPPC Discussion Items on February 20 and March 5, CAB voted to approve 10 GE Minors to recommend to EPPC.

For more information about consultation and transparency, see:

(NOTE: Abbreviated new minor proposal form approved for use with GE minors by the Senate Executive Committee - crossed out items not required for GE Minors)

- I. Proposed title of new minor. **General Education Minor in California Studies**
- ~~II. Academic year of intended implementation.~~
- ~~III. Name of the department and college submitting the proposal; identify unit with primary responsibility for the minor.~~
- ~~IV. Statements on questions of need and demand.~~
 - ~~A. Relation of the minor to the University [Strategic Plan](#).~~
 - ~~B. Need for the proposed minor.~~
 - C. Identify other closely related curricula currently offered by the campus.
 - 1. Explain the impact the proposed minor will have on these programs.
 - 2. Explain how current programs do not meet the proposed minor's objectives.

In a report to the Academic Senate on January 31, 2019 on the completion of the five-year review of the GE Program, CAB shared a summary of the recommendations of the External Reviewer, Vice Provost Grassian, and Provost Larson who stated that the GE Program should “establish a policy to discourage double-counting courses with other programs.”

CAB reviewed course proposals to avoid duplicating the curricula of existing programs, and conducted course usage reports for every course proposed for a GE Minor, and in general recommended GE Minors to EPPC where students

couldn't count half or more of the courses in the GE Minor for any other program (major or minor) on campus.

In the case of this minor, there is a title overlap with an existing Minor in California Studies. The Director of the Social Science Program has confirmed that the program will change the name of their California Studies minor. The Dean of the College of Behavioral and Social Science concurs. Students can't double count half or more of the courses in the two minors, and the focus of the two minors is different. In particular, in addition to social/cultural/political courses, the GE Minor includes courses on California religion and spirituality, as well as Northern California businesses, and provides a critical examination of California history via multiple perspectives, including but not limited to Indigenous perspectives and critiques of systems of oppression.

GE Minors, by definition, are unique from any other curricula on campus: they connect a select set of lower- and upper-division GE courses to form an intellectually cohesive course of study that explores an issue or subject from multidisciplinary perspectives. They are distinct and should have a minimal impact on existing programs.

VI. Curriculum

Note: Proposed curriculum should take advantage of courses already offered in other

departments when subject matter would otherwise overlap or duplicate existing course content.

- A. Total number of units required for the minor. **18**
- B. List all new courses for the proposed program. **MGMT XXX: Socio-Economic Innovation in Far-Northern California.** 3 units. Course Description: Socio-Economic Innovation in Far-Northern California (from Butte County, north) examines the social, environmental and financial opportunities and challenges facing the North State geographic region with special respect to employment, natural resource utilization and management, and workforce development. Students will examine various economic sectors and innovative social enterprises found in the North State. The course utilizes both contemporary and historical lenses to develop student understanding of socio-economic issues in the North State. Various North State communities, cultures and geographies will be considered. Students will learn problem solving and issue resolution through strategic alliances, activism, and leadership by studying contemporary individuals and social enterprises in the North State. Prerequisites: Prerequisites: GE Areas A1, A2, A3, and B4 or consent of the instructor (new standard prerequisites for UD-GE courses).

Note: Chairs and Deans have indicated preliminary support for these courses, including any changes to existing courses. However, in consultation with the Academic Senate and Curriculum Services, CAB will not request Intent Memos and/or CPRs until after the completion of the senate process. Chair/Dean support, therefore, are not formal "approvals," but rather indications of possible support during normal curriculum processes (Intent Memo and CPR) that will likely take place in August 2020.

- ~~E. Explain provisions for articulation of the proposed minor with community college courses.~~
- F. Complete catalog copy, including admission and completion requirements. See the current University Catalog for correct format; please follow it exactly. Before the proposal is submitted to Curriculum Services, it may be helpful to review catalog copy with Academic Publications.

Note 1: The catalog copy represents changes to existing courses approved by CAB but pending normal curriculum process (Intent Memos and/or CPRs) after the completion of the senate process, as recommended by Curriculum Services and the Academic Senate.

Note 2: The catalog copy includes new prerequisites for upper-division GE courses, which will be added to all upper-division GE courses (whether in GE Minors or not) for Fall 2021 implementation. The new prerequisites are our campus response to EM 19-021's mandate that "CAB will work with relevant units to transition our practices to support EO 1100, sec 2.2.3." Here's EO 1100, sec. 2.2.3

The 9 upper-division GE courses are designed to be taken after upper-division status (completion of 60 semester units or 90 quarter units) is attained. Students enrolling in upper-division GE courses shall have completed required lower-division GE courses in written communication, oral communication, critical thinking, and mathematics/quantitative reasoning. Campuses may require no more than 9 upper-division GE semester units (or the quarter equivalent).

After working with relevant units on campus, CAB recommends adding a prerequisite statement to all UD GE courses (for Fall 2021 catalog), but not

adding the prerequisite to PeopleSoft, etc. Here is the prerequisite language that we will add to all UD GE courses, beginning with the Fall 2021 catalog (the same as San Francisco State's):

Prerequisites: GE Areas A1, A2, A3, and B4 or consent of the instructor.

In Fall 2021, Chico State's A4 will be renamed as B4 to align with EO 1100.

Attach [the New Minor signature form](#) to the front of the proposal and submit to Curriculum Services after all department and college reviews are complete.
