**GE Minor Name:** General Education Minor in Race, Ethnicity, and Sovereignty

**Rationale:** EM 19-021 calls for “a process of revising the number and/or title of upper-division Pathways and corresponding GE Minors and designating the lower- and upper-division courses that will count for each GE Minor.” All ten existing existing minors have been discontinued, and this one of ten new minors added in their place. For a list of the extensive consultation that guided CAB's implementation of EM 19-021, please see CAB's website: <https://www.csuchico.edu/ge/2021/consultation.shtml>

**Proposal for a New Minor:  
General Education Minor in Race, Ethnicity, and Sovereignty**  
Recommended by the Curriculum Advisory Board to EPPC, March 22, 2020

The Academic Senate (EM 19-021) charged CAB with “revising the number and/or title of upper-division Pathways and corresponding GE Minors and designating the lower- and upper-division courses that will count for each GE Minor” for Fall 2021 implementation. As instructed by Senate, “in 2019-20, CAB will propose changes to existing GE Minors to EPPC,” and during this process, no courses that currently have GE status, including “experimental courses,” will forfeit their status. On March 10, following months of transparent consultation, including publicly announced committee and subcommittee meetings, and after incorporating feedback from two EPPC Discussion Items on February 20 and March 5, CAB voted to approve 10 GE Minors to recommend to EPPC.

**In a report to the Academic Senate on January 31, 2019 on the completion of the five-year review of the GE Program, CAB shared a summary of the recommendations of the External Reviewer, Vice Provost Grassian, and Provost Larson who stated that the GE Program should “establish a policy to discourage double-counting courses with other programs.”**

**In the case of this minor, there is some overlap with majors and minors focused on specific ethnic groups, as well as a Minor in Multicultural Studies. In response to students, the proposed GE Minor moves away from the existing Diversity Studies minor and provides intersectional approaches to topics such as racism, colonialism, sexism, homophobia, classism, and ableism as they directly impact marginalized communities of color. Students in this minor will examine the relationships of privilege and oppression, workings of power and forms of resistance through social justice movements, Indigenous sovereignty efforts, and other forms of resistance.**

**GE Minors, by definition, are unique from any other curricula on campus: they connect a select set of lower- and upper-division GE courses to form an intellectually cohesive course of study that explores an issue or subject from multidisciplinary perspectives. They are distinct and should have a minimal impact on existing programs.**

We will investigate the complex politics, economics, and diverse cultural traditions associated with plants in California. The course will emphasize 1) traditional Native American gathering practices and uses, 2) introduced plants and traditions of immigrants, 3) the cross-cultural conversation of sharing plant knowledge, and 4) the emerging practices of people seeking to reconnect with using wild plants as food and “botanicals.” Students will discuss relevant literature and participate in hands-on exercises in plant identification, cultivation, ethical collecting, and representative preparation techniques. Special focus will be on Northern California, including the Mechoopda Maidu Indian Tribe of Chico Rancheria. 3 Units. Prerequisites: GE Areas A1, A2, A3, and B4 or consent of the instructor.

Note: Chairs and Deans have indicated preliminary support for these courses, including any changes to existing courses. However, in consultation with the Academic Senate and Curriculum Services, CAB will not request Intent Memos and/or CPRs until after the completion of the senate process. Chair/Dean support, therefore, are not formal "approvals," but rather indications of possible support during normal curriculum processes (Intent Memo and CPR) that will likely take place in August 2020.

- ~~E. Explain provisions for articulation of the proposed minor with community college courses.~~
- F. Complete catalog copy, including admission and completion requirements. See the current University Catalog for correct format; please follow it exactly. Before the proposal is submitted to Curriculum Services, it may be helpful to review catalog copy with Academic Publications.

**Note 1: The catalog copy represents changes to existing courses approved by CAB but pending normal curriculum process (Intent Memos and/or CPRs) after the completion of the senate process, as recommended by Curriculum Services and the Academic Senate.**

**Note 2: The catalog copy includes new prerequisites for upper-division GE courses, which will be added to all upper-division GE courses (whether in GE Minors or not) for Fall 2021 implementation. The new prerequisites are our campus response to EM 19-021's mandate that "CAB will work with relevant units to transition our practices to support EO 1100, sec 2.2.3." Here's EO 1100, sec. 2.2.3**

**The 9 upper-division GE courses are designed to be taken after upper-division status (completion of 60 semester units or 90 quarter units) is attained. Students enrolling in upper-division GE courses shall have completed required lower-division GE courses in written communication, oral communication, critical thinking, and**

**mathematics/quantitative reasoning. Campuses may require no more than 9 upper-division GE semester units (or the quarter equivalent).**

**After working with relevant units on campus, CAB recommends adding a prerequisite statement to all UD GE courses (for Fall 2021 catalog), but not adding the prerequisite to PeopleSoft, etc. Here is the prerequisite language that we will add to all UD GE courses, beginning with the Fall 2021 catalog (the same as San Francisco State's):**

**Prerequisites: GE Areas A1, A2, A3, and B4 or consent of the instructor.**

**In Fall 2021, Chico State's A4 will be renamed as B4 to align with EO 1100.**

Attach [the New Minor signature form](#) to the front of the proposal and submit to Curriculum Services after all department and college reviews are complete.
