

Program Application Form MA in Psychology: Option in Psychological Science

Name _____ Phone number _____
Address _____

Undergraduate GPA: Overall _____ Last 60 semester units* _____ Last 30 semester units* _____
Graduate GPA: Overall _____ Number of graduate units taken _____

*Please use [our GPA calculator](#) to calculate your GPA for the last 60 and last 30 units.

To be eligible to apply for [classified status](#) in the Department of Psychology, you must have completed the following undergraduate prerequisite courses (within the last ten years). Fill in the course number (**and title if taken elsewhere**), grade and date each was completed. Complete as much as possible. Upload the completed document with your [Calstate Apply](#) application.

	CSU, Chico Courses	Or number and title of equivalent <u>upper-division</u> course (include the univ/college where course was taken)	Date (to be) completed	Grade (if known)
A. Research Methods for PSYC (equivalent can be lower-division)	PSYC 261	_____	_____	_____
B. Statistics for PSYC	PSYC 364	_____	_____	_____

For classified status, the above two courses in research methods and statistics are required. Additionally, three **upper-division content courses**, which together cover three of the areas shown on the right, are required. List three courses, **each one from a different area**. The first row shows an example of how to complete this list.

- A) Learning/Behavior Analysis
- B) Cognition/Perception/Educational Psychology
- C) Developmental/Life-Span Psychology
- D) Personality/Social/Cross-Cultural Psychology
- E) Abnormal/Clinical Psychology
- F) Biopsychology/Neuroscience
- G) Community/Health Psychology
- H) Evolutionary/Comparative Psychology
- I) Industrial/Organizational Behavior

Area	Course title	Course number	Date (to be) completed	Grade (if known)
D)	<i>Psychology of Personality</i>	PSYC 382	Spring '19	B+
_____	_____	_____	_____	_____
_____	_____	_____	_____	_____
_____	_____	_____	_____	_____

REMINDER: Incoming students who meet these prerequisites may be admitted with Classified Status into the MA in Psychology: Option in Psychological Science program. Students admitted as Conditionally Classified (who have yet to meet these prerequisites) may apply for Advancement to Classified Status upon completing these requirements, usually near the end of their first semester.
