## C. CONCURRENT PROJECT EXPERIENCE (PART 2)

The five projects listed in above Section C, are required to be performed concurrently. Select the applicable years from the dropdown menus. Mark each box for the month of construction start under the year it started, and continue marking until you reach the year and month of completion. At some point in construction, all five projects must have been under construction at the same time (*at least one month column should be completely filled vertically*). **Failure to provide this information will result in disqualification of your firm from bidding this contract.**
