The campus selection committee has completed the evaluation of proposals received from firms interested in providing design, preconstruction and construction services for California State University, Chico. After careful review and consideration, including evaluation of technical proposals and interviews, and opening the fee proposals, the committee is exercising the option in RFP section 1.02 to award two (2) TOCA MEAs. It is the intent of California State University, Chico to award contracts to:

**Swinerton Builders  
Otto Construction**

as the two apparent responsive and responsible proposers receiving the highest number of points for RFP2021-05MM.
