CHICO STATE SUMMER CATS

ADVENTURE FULL DAY CAMP

Our classic full day summer camp is back for 2022. Campers will have the opportunity to partake in classic camp games/crafts, climb on our indoor climbing wall and meet new friends.

As with all our camps, the emphasis is on fun, teamwork, and healthy activities. Our job is to send them home tired. Act quickly because with the low enrollment cap this camp will sell out fast!

ADVENTURE HALF DAY CAMP

Half the day, all the fun! We intentionally keep our camp enrollment very low (>30) so that we can provide a safer and more interactive camp experience for all. Held outdoors on the Chico State campus, campers will have the opportunity to get a full day of camp packed into a half day.

Cool off with some water activities, try a new sport or learn a new craft idea. We emphasize fun, learning, and involvement for all while trying new things and making new experiences.
