

Chico State Youth Summer Camps COVID-19 Protocols

- Each camper will have their temperature taken prior to entering the facility. A camper with a temperature of 100.4F or greater will not be allowed to attend camp. A retest after 5 minutes will then be performed.
- All participants will be required to wear a mask at all times during camp.
- Hand sanitizer stations will be on hand and campers will be asked to use hand sanitizer and/or wash their hands pre and post activity.
- Equipment and other high touch points will be disinfected at minimum once per day.
- Areas will be designated where campers must stand or sit six feet apart while waiting for an activity to begin, at breaktime, or while seated in a classroom
- Room capacity limits based upon recommended spacing will be enforced.
