

Grants Resource Center  
**Deadlines**  
 Funding Expertise. Personally Delivered.

August 12, 2019

This publication includes deadline dates for the month of November 2019 and late announcements for the months of October 2019 and September 2019. Proposals submitted by a referenced target date will be included in a particular review cycle, while those received after the target date will be held for the next review cycle. It is advisable to contact the program staff cited in each listing to obtain all available information.

**Those deadlines marked by an asterisk (\*\*) are tentative. In some cases, these are specific dates that may change depending on the timing of the deadline notices and in others, we have listed just the month during which a deadline is expected. Deadlines marked by a double plus sign (++) are target dates.**

**Program:** Rome Prize

**Agency:** American Academy in Rome

**Next Deadline:** Nov 01, 2019 (*tentative*)

Supports 30 residential humanities or fine arts fellowships in Rome for emerging artists and scholars in the early or middle stages of their careers. Winners of five-month and 11-month fellowships receive stipends of \$16,000 and \$28,000, respectively; room and board; and an office or studio. A two-year fellowship of \$28,000 per year is also available. The academy also offers: Visiting Artists and Scholars Program, Affiliated Fellows Program, Rome Sustainable Food Project and Summer/Winter Programs. Annual deadline: 11/1. Application fees apply. See <http://www.aarome.org/apply/rome-prize/procedure-requirements> for details, including application fees.

**Program:** Academic Fellowships and Grants

**Agency:** American-Scandinavian Foundation

**Next Deadline:** Nov 01, 2019

Offers fellowships (up to \$23,000) and grants (up to \$5,000) to individuals to pursue research or study in one or more Scandinavian countries for up to one year. The number of awards varies each year according to total funds available. Awards are made in all fields. Applicants must have a well-defined research or study project that makes a stay in Scandinavia essential and must be a U.S. citizen or permanent resident to apply. Annual deadline: 11/1. Other programs available including translation awards (6/15). See <http://www.amscan.org/fellowships-and-grants/> for details.

**Program:** Fulbright Scholar-in-Residence Program

**Agency:** Council for International Exchange of Scholars

**Next Deadline:** Nov 01, 2019

Supports proposals to bring scholars and professionals from abroad to U.S. colleges and universities that infrequently or never have the opportunity to host visiting scholars. In addition to teaching courses, scholars give campus-wide and community lectures, help initiate international programs, and contribute to curriculum development. Program is especially appropriate for small liberal arts colleges, minority-serving institutions, and community colleges. Scholars can also receive awards through the Outreach Lecturing Fund which will fund short visits to other IHEs while in the U.S. See <http://www.cies.org/sir/> for details.

**Program:** Residential Fellowships

**Agency:** Dumbarton Oaks Research Library and Collection

**Next Deadline:** Nov 01, 2019

Dumbarton Oaks is a research institute of Harvard University, located in Washington, DC. Three types of residential fellowships relating to Byzantine Studies, Pre-Columbian Studies and Garden and Landscape Studies are available: Junior Fellowships for doctoral candidates completing their dissertations; Fellowships for established scholars who hold or will hold a doctorate by the start of the residency (stipends range from \$21,000 to \$35,000). Smaller Summer Fellowships for scholars at all levels are also available. Annual deadline: 11/1. See <http://doaks.org/research/> for updates when posted.

**Program:** Grant Programs

**Agency:** Graham Foundation

**Next Deadline:** Nov 15, 2019

Program offers grants in architecture and its role in arts, culture and society: Production and Presentation Grants for individuals or organizations; and Research and Development Grants for individuals. Grants fund production-related expenses to take a project from conceptualization to realization and public presentation and provide seed money for research-related expenses. Annual deadlines: 2/25 for organizations, 9/15 for individuals. Also offers Carter Manny Award, which supports dissertation research and writing by promising doctoral students (11/15). **Program:** Research Fellowships

**Agency:** Harry Ransom Humanities Research Center

**Next Deadline:** Nov 11, 2019

Supports scholarly research projects in all areas of the humanities. Priority, however, will be given to proposals that concentrate on the centers collections (major emphasis is on the study of literature and culture of the U.S., Great Britain and France) and that require substantial on-site use of them. Approximately 60 fellowships will be awarded. Fellowships range from one to four months, with stipends of \$3,500/month each. Also available are travel stipends of \$2,000 each, and dissertation fellowships with stipends of \$2,000 each. See <https://www.hrc.utexas.edu/fellowships/#program-guidelines> for details.

**Program:** Museum Grants for African American History and Culture

**Agency:** Institute of Museum and Library Services

**Next Deadline:** Nov 15, 2019

Supports projects that provide opportunities for the staff of African American museums to gain knowledge and abilities in the areas of management, operations, programming, collections care, and other museum skills identified as a high priority by applicants. Awards range from \$5,000 to \$250,000. There is a 1:1 cost share requirement for grants of more than \$50,000. New guidelines are posted 60 to 90 days before the deadline. See <http://tinyurl.com/jbkh58r> for updates.

**Program:** Invitation Fellowship Programs for Research in Japan

**Agency:** Japan Society for the Promotion of Science

**Next Deadline:** Nov 2019

Provides short and long-term opportunities for pre- and postdoctoral foreign researchers to, under the guidance of their hosts, conduct cooperative research with leading research groups in universities and other Japanese institutions. All fields of the humanities, social sciences and natural sciences are supported under this program. Researchers of all countries having diplomatic relations with Japan are eligible. Applications are submitted by the inviting researchers who wish to host foreign researchers in Japan. See <http://www.jsps.go.jp/english/index.html> for details.

**Next Deadline:** Nov 01, 2019

Supports planned conferences that help further AHRQ's mission to produce evidence to make health care safer, higher quality, more accessible, equitable and affordable, and to work with HHS and other partners to make sure that the evidence is understood and used. Provides up to \$50K/annually in direct costs for conferences on issues relevant to health services research, such as: research development; research design and methodology; dissemination and implementation; and research training, infrastructure and career development. Annual deadlines: 2/1, 5/1, 8/1, 11/1 through 11/2/21. See <https://grants.nih.gov/grants/guide/pa-files/PA-16-453.html> for updates.

**Program:** Health Services Research  
Dissertation Program (R36)

**Agency:** Agency for Healthcare Research and  
Quality

**Next Deadline:** Nov 01, 2019

Supports a continuation of an AHRQ program that provides support to individuals who are conducting research undertaken as part of an accredited academic program to qualify for a research doctorate degree. Health services research relevant to AHRQ's priority areas include: improving the quality, safety, efficiency, accessibility, and effectiveness of health care in the U.S. Applicants strongly encouraged to focus on topical areas unique to AHRQ. Results should be directly relevant to providers and practitioners, administrators, payers, consumers, policymakers, and insurers. LOIs are due 30 days before application submission. Annual deadlines: 2/1, 5/1, 8/1, 11/1 through 5/2/23. See <https://grants.nih.gov/grants/guide/pa-files/PA-18-765.html> for details.

**Program:** Research Grants

**Agency:** American Foundation for Suicide  
Prevention

**Next Deadline:** Nov 15, 2019

Supports research on suicide and suicide prevention from a variety of disciplines: psychiatry, medicine, psychology, genetics, epidemiology, neurobiology, and others. Grants are awarded for one to two years under five programs: Young Investigator Grants (\$90K); Standard Research Grants (\$100K) and Linked Standard Research Grants (\$300K/required LOIs due 9/15 ); Distinguished Investigator Grants (\$125K); Postdoctoral Research Fellowships (\$112K); and Pilot Grants (\$30K). Annual deadline: all applications are due 11/15. Focus grants also available (8/1 for required LOIs). See <http://tinyurl.com/lay24gz> for details.

**Program:** BRAIN Initiative: Development of Next Generation Human Brain Imaging Tools and Technologies (U01 Clinical Trial not allowed)

**Agency:** National Institutes of Health

**Next Deadline:** Sep 03, 2019

Supports the full development of new or next generation non-invasive human brain imaging tools and methods that will lead to transformative advances in NIH's understanding of the human brain. This FOA seeks innovative applications that are ready for full-scale development of breakthrough technologies with the intention of delivering working tools and acts as the second stage of the tool/technology development funding series: RFA-MH-14-217 and RFA-MH-15-200. LOIs are due 30 days prior to the application due date. Annual deadline: 9/3/19 through 9/4/21. See <https://grants.nih.gov/grants/guide/rfa-files/rfa-eb-19-002.html>

**Program:** Basic Cancer Research in Cancer Health Disparities

**Agency:** National Institutes of Health

**Next Deadline:** Nov 19, 2019

This program encourages grant applications from investigators interested in conducting basic, mechanistic research into the biological/genetic causes of cancer health disparities. These research project grants will support innovative studies designed to investigate biological/genetic bases of cancer disparities, such as mechanistic studies of biological factors, including cancer prevention intervention strategies, and the development and testing of new methodologies. Annual deadlines: 6/18 and 11/19 through 11/20/20. See <https://grants.nih.gov/grants/guide/pa-files/PAR-18-654.html> for details.

**Program:** Research Grants  
**Agency:** Osteogenesis Imperfecta Foundation  
**Next Deadline:** Nov 30, 2019

Osteogenesis Imperfecta (OI) is a genetic bone disorder, characterized by fragile bones that break easily, that causes muscle weakness, hearing loss, fatigue, joint laxity, curved bones, scoliosis, blue sclerae, dentinogenesis imperfecta (brittle teeth), and short stature. Foundation supports Michael Geisman Research Fellowships (11/30), Investigator Travel Grants (open deadline), and Pulmonary Function Research. (TBD). See <http://tinyurl.com/5cnmwk> for updates.

**Program:** Research Programs  
**Agency:** Parkinson's Foundation

**Next Deadline:** Oct 01, 2019  
Supports well designed clinical research that advances the science of Parkinson's disease by addressing comparative effectiveness of treatment, current unmet needs, and/or clinical controversies. Provides several awards for institutions and independent researchers. Most deadlines are for LOIs. See <http://parkinson.org/research/Grant-Opportunities/Deadlines> for details.

-----

**Program:** Research Grants Program  
**Agency:** Skin Cancer Foundation  
**Next Deadline:** Nov 01, 2019

Supports basic research, clinical studies, and educational programs related to skin cancer. Research must be conducted by dermatology residents, fellows, and young faculty (5-10 years post first academic appointment) from institutions within the U.S. Preference is given to basic or clinical projects that address methods for reducing the incidence, morbidity and mortality of skin cancer. The available awards are \$50,000 (2) and \$25,000 (1), based on the scope of the project. Will not support overhead costs. Annual deadline: 11/1. See <http://www.skincancer.org/for-medical-professionals/research-grants> for details.

**Program:** FDA Support for Conferences and Scientific Meetings (R13 Clinical Trial Not Allowed)

**Agency:** U.S. Food and Drug Administration

**Next Deadline:** Oct 11, 2019  
Supports applications to facilitate the provision of federal financial assistance in support of high-quality conferences and scientific meetings designed to research and investigate a topic clearly aligned with the FDA mission. A conference or scientific meeting is defined as a symposium, seminar, workshop, or any formal meeting, whether conducted face-to-face or virtually to exchange information and explore a defined subject, issue, or area of concern impacting the public's health within the scope of the FDA's mission. LOI's are due 8 weeks before the due date. Annual deadlines: 10/11/19; 4/13/20 and 10/13/20; 4/12/22 and 10/12/21; 4/12/22 and 10/11/22 through 10/12/22. See <https://grants.nih.gov/grants/guide/pa-files/PAR-19-306.html>

**Program:** Fellowship and Grant Opportunities  
**Agency:** American Museum of Natural History  
**Next Deadline:** Nov 01, 2019

Provides fellowships and research grants across several disciplines: comparative biology, anthropology, invertebrate zoology, paleontology, physical sciences (astrophysics and earth and planetary sciences), and vertebrate zoology. Programs available for undergraduate (next due date 2/15/19), doctoral and graduate students (next due date 12/15/19), and postdoctoral researchers (11/15 annually) with varying award amounts. Other active grants include: Annette Kade Graduate Student Exchange [11/1/19], Research Experiences for Undergraduates [2/15/20], and Collection Study Grants [5/1/20]. See <https://www.amnh.org/our-research/richard-gilder-graduate-school/academics-and-research/fellowship-and-grant-opportunities/> for details.

**Program:** Residential Fellowship Program  
**Agency:** Center for Advanced Study in the Behavioral Sciences

**Next Deadline:** Nov 01, 2019 (*tentative*)

Supports a residential postdoctoral fellowship program for scientists and scholars from the U.S. and abroad for one academic year. Disciplines include anthropology, economics, political science, psychology and sociology. Past classes have included humanists, educators, linguists and biological scientists. Applications solicited 18 months before fellowship begins. Stipend of up to \$77,000 available. Eligibility limited to those with a Ph.D. or professional degree (JD, MD). Summer workshop support also available for research. See <https://casbs.stanford.edu/fellowships> for details.

**Program:** Professorships, Awards, and Postdoctoral Fellowships

**Agency:** Mathematical Sciences Research Institute

**Next Deadline:** Oct 01, 2019

MSRI hosts semester-length programs that become the leading edge in mathematical research. Research Professorships (10/1) provide up to \$5,200/month for distinguished researchers making key contributions to their programs; must have received doctorate before 2007. Research Member awards (12/1) support residency of at least a month with optional per diem support of \$3,500/month and/or travel expenses. Postdoctoral Fellowships (12/1) provide \$6,000/month for one semester plus research travel expenses to mathematicians with Ph.D.s awarded in at least the previous five years. **Agency:** Partnership for Clean Competition  
**Next Deadline:** Nov 01, 2019

Supports scientific research advancing knowledge in the anti-doping sphere. Grant and Fellowships pre-applications are accepted awarded three times annually (annual deadlines: 3/1, 7/1, 11/1). For applicants invited to submit full applications, the due date is the first day of the month following the pre-application deadline. The PCC also offers micro-grants year round for grants requiring less than \$75,000 and six months to complete. See [www.cleancompetition.org](http://www.cleancompetition.org) for updates.

**Program:** Landscape Scale Restoration Grants  
**Agency:** U.S. Department of Agriculture  
**Next Deadline:** Sep 13, 2019

Supports collaborative, science-based restoration of priority forest landscapes, leverage public and private resources, and support priorities identified in State Forest Action Plans. Coordination with State Foresters is essential. Deadline refers to the required initial draft all partners and collaborators must submit to the relevant State Forester(s). See <https://www.fs.usda.gov/naspf/working-with-us/grants/landscape-scale-restoration-grants>

---

**Program:** Capacity Building Grants for Non Land-Grant Colleges of Agriculture (NLGCA)

**Agency:** U.S. Department of Agriculture

**Next Deadline:** Oct 01, 2019

Provides matching funds for the purchase or other acquisition of equipment and other infrastructure (not including alteration, repair, renovation, or construction of buildings); the professional growth and development of the faculty of the NLGCA Institution; and the development of graduate assistantships. Assists NLGCA Institutions in maintaining and expanding the capacity to conduct education, research, and outreach activities relating to agriculture, renewable resources, and other similar disciplines. See <http://nifa.usda.gov/funding-opportunity/capacity-building-grants-non-land-grant-colleges-agriculture-program-nlgca> for details.

---

**Program:** Small Business Innovation Research (SBIR) Program

**Agency:** U.S. Department of Agriculture

**Next Deadline:** Oct 23, 2019

Supports small businesses and their partners (including colleges and universities) in projects dealing with agriculturally related manufacturing and alternative and renewable energy technologies across all SBIR topic areas. USDA SBIR's flexible research areas ensure innovative projects consistent with USDA's vision of a healthy and productive nation in harmony with the land, air, and water. Deadline refers to Phase I awards. See <http://nifa.usda.gov/funding-opportunity/small-business-innovation-research-program-phase-i> for details.

---

**Program:** Climate Programs

**Agency:** U.S. Department of Commerce

**Next Deadline:** Oct 28, 2019

Supports scientific understanding of the changing climate system and its impact. Areas of interest include modeling; observing systems, data stewardship, and climate monitoring, predictions and projections, climate impacts on water resources, coasts/climate resilience; sustainability of marine ecosystems, and changes in weather and climate. Multiple competitions possible. LOIs encouraged by August 23. See <http://cpo.noaa.gov/grants> for details.

---

**Program:** Marine Debris Removal

**Agency:** U.S. Department of Commerce

**Next Deadline:** Sep 04, 2019

Supports development and implementation of locally-driven, marine debris prevention, assessment, and removal projects that benefit coastal habitat, waterways, and NOAA trust resources. Projects must create long-term, quantifiable ecological habitat improvements, especially targeting derelict fishing gear and other medium- and large-scale debris. Projects should also foster awareness of the effects of marine debris to further the conservation of living marine resource habitats, and contribute to the understanding of marine debris composition, distribution and impacts. 1:1 Cost-sharing is required. Deadline refers to required LOI. See <https://marinedebris.noaa.gov/funding/funding-opportunities> for details.

**Program:** Sea Scallop Research and Research Set Aside

**Agency:** U.S. Department of Commerce

**Next Deadline:** Sep 20, 2019

Notice supporting research to enhance the understanding of the scallop resource or contribute to scallop fishery management decisions. Funds support Survey Related Research; Research to assess the impact of offshore wind energy development on the Atlantic sea scallop resource; Research to support the investigation of turtle behavior and its potential impact on the scallop fishery in the Mid-Atlantic and Georges Bank; Bycatch research; Scallop meat quality research, etc. Deadline refers to research program. See [https://www.nefsc.noaa.gov/coopresearch/rsa\\_program.html](https://www.nefsc.noaa.gov/coopresearch/rsa_program.html)

**Program:** U. S. Army Communications-Electronics Research, Development and Engineering Center Broad Agency Announcement

**Agency:** U.S. Department of Defense

**Next Deadline:** Nov 2019

Supports research, development, design, and testing directly related to the advancement of battlefield technologies in the area of Power and Energy. Research interests include but are not limited to: Electrochemical Based Portable Power Sources; Fuel Based Portable Power Sources; Data Acquisition Systems; Co-Generation ECU; Thermoelectric Generator Demonstrator; Power & Energy Systems; Renewable Energy Sources; Battery Charges; and Power Management/Smart Grid. Required white papers are accepted at any time before 11/3/20. See <http://tinyurl.com/ppolm48> for details.

**Program:** Air Force Summer Faculty Fellowship Program

**Agency:** U.S. Department of Defense

**Next Deadline:** Nov 2019 (tentative)

Supports U.S. citizens and those with legal permanency eight-to-twelve week research residencies at participating Air Force research facilities for Ph.D. holding full-time science, mathematics, and engineering faculty at U.S. colleges and universities. The goal is to enhance the research interests and capabilities of faculty (both new and experienced researchers) and to elevate the awareness of Air Force research needs. Application opens in September with possible November or December deadline. See <http://afsffp.sysplus.com/> for updates.

**Program:** Science Undergraduate Laboratory Internships (SULI)

**Agency:** U.S. Department of Energy

**Next Deadline:** Oct 07, 2019

Program encourages undergraduate students to pursue STEM careers by providing research experiences at DOE National Laboratories. Interns perform research, guided by laboratory staff, on projects related to ongoing programs. Appointments are for 10 weeks in the summer, 16 weeks in the spring and fall. Each DOE laboratory/facility offers different research opportunities; not all DOE laboratories/facilities offer internships during the Fall and Spring Terms. See <https://science.osti.gov/wdts/suli> for updates.

-----

**Program:** Research Grants and Start-Up Grants  
**Agency:** U.S.-Israel Binational Science Foundation

**Next Deadline:** Nov 07, 2019 (*target date*)

Supports collaborative research to promote cooperation among U.S. and Israeli scientists. Applications must include at least one scientist from each country on a split program basis. Topics in odd years are biomedical engineering, health sciences, life sciences, and psychobiology; topics in even years are atmospheric and earth sciences, chemistry, computer sciences, ecology and systematic biology, economics, energy, environment, materials, mathematics, oceanography and limnology, physics, and sociology. Other programs available, deadlines throughout November. Limited submission: investigators may submit only one proposal to each annual competition. See <http://www.bsf.org.il> for more

-----

**Program:** Science and Engineering/Medical Research Programs

**Agency:** W. M. Keck Foundation

**Next Deadline:** Nov 01, 2019

Supports the development of new, high risk, transformative research geared towards promising new technologies to include the creation of advanced instruments used to further research ideas. Funding priority areas: medical, science and engineering research. Awards are up to \$5 million, and typically fall between \$500,000 and \$2 million. Limited submission: one application per institution each cycle. This is a two-part application process. Phase I application annual deadlines: 5/1 (contact program officer between 1/1 and 2/15 for support) and 11/1 (contact program officer between 7/1 and 8/15 for support). Invited applicants will participate in Phase II. See <http://wmkeck.us/grant-programs/research> for details.

-----

**Program:** Research Programs

**Agency:** Water Environment & Reuse Foundation (WE&RF)

**Next Deadline:** Sep 12, 2019

Supports research that enhances the quality and reliability of water for natural systems and communities with an integrated approach. WE&RF funds water research on behalf of its subscribers, and facilitates collaboration among organizations seeking funding partners for high-priority issues. Multiple opportunities may be available including additional Sept 2019 deadlines (9/24/19). See <http://tinyurl.com/8ytdhll> for details.

**Program:** Grant Programs

**Agency:** Wenner-Gren Foundation for  
Anthropological Research

**Next Deadline:** Nov 01, 2019

Supports anthropological research and writing. Pre-doctoral opportunities include, but are not limited to: Dissertation Fieldwork (annual deadlines: 5/1, 11/1). Postdoctoral opportunities include, but are not limited to: Engaged Anthropology (annual deadline: 2/1, 8/1 must have received Dissertation Fieldwork grant), research grant support (annual deadlines: 5/1, 11/1), fellowships (annual deadline: 5/1), and conferences and workshops (annual deadlines: 6/1, 12/1). Also offers Institutional Development program (annual deadlines: 5/15, 9/15). All nationalities eligible. See <http://www.wennergren.org/programs/> for details.
