This publication includes deadline dates for the month of June 2019 and late announcements for the months of May 2019 and April 2019. Proposals submitted by a referenced target date will be included in a particular review cycle, while those received after the target date will be held for the next review cycle. It is advisable to contact the program staff cited in each listing to obtain all available information.

Those deadlines marked by an asterisk (**) are tentative. In some cases, these are specific dates that may change depending on the timing of the deadline notices and in others, we have listed just the month during which a deadline is expected. Deadlines marked by a double plus sign (++) are target dates.

**Program:** ArtsLink Fellowships Exchange Programs  
**Agency:** CEC ArtsLink  
**Next Deadline:** Jun 01, 2019  
Supports exchanges between artists and arts organizations in the U.S. and Central/Eastern Europe, Russia, and Eurasia. U.S. Fellowships (10/15) support U.S. arts professionals to carry out projects in eligible countries; Fellowships Hosts (6/1) provides funding to host artists. International Fellowships (10/15) place artists from eligible countries at U.S. arts organizations for five weeks; Projects In the U.S. (1/15) support artists/arts managers/non-profits from eligible countries in collaboration with U.S. orgs/artists. See http://www.cecartslink.org/about/programs.html for details. Email: mtumenev@cecartslink.org

---

**Program:** Fellowship Programs  
**Agency:** Hagley Museum and Library  
**Next Deadline:** Jun 30, 2019  
Provides fellowships to use Hagley's collections in American economic, business, industrial and technological history. Hagley Exploratory Research Grants ($400) support one-week visits by scholars who need an exploratory review of the collection. Henry Berlin du Pont Fellowships support access to Hagley's research collections for as long as needed with a stipend of up to $400 per week for up to 8 weeks. Other fellowships available. Annual deadlines 3/31, 6/30, and 10/31. Also available: Dissertation Fellowships (11/15). See http://www.hagley.org/library-grants for details. Email: clockman@Hagley.org

---

**Program:** Invitation Fellowship Programs for Research in Japan  
**Agency:** Japan Society for the Promotion of Science  
**Next Deadline:** Apr 2019  
Provides short and long-term opportunities for pre- and postdoctoral foreign researchers to, under the guidance of their hosts, conduct cooperative research with leading research groups in universities and other Japanese institutions. All fields of the humanities, social sciences and natural sciences are supported under this program. Researchers of all countries having diplomatic relations with Japan are eligible. Applications are submitted by the inviting researchers who wish to host foreign researchers in Japan. See http://www.jsps.go.jp/english/index.html for details. Email: info@jspsusa.org

---

**Program:** Grants Program (Global Education/International Understanding)  
**Agency:** Longview Foundation  
**Next Deadline:** Jun 13, 2019  
Foundation makes grants to promote learning about world regions, cultures, international affairs and global issues in K-12 schools in the United States. Funding priorities include: State Networks (invitation only) and Internationalizing Teacher Preparation. Longview’s grants are typically between $15,000 and $25,000. Deadlines refer to required LOIs. See http://www.longviewfdn.org/applying/dates-deadlines/ for details. Email: globaled@longviewfdn.org  
**CFDA Number:**  
**Contact:** Jennifer Manise, Executive Director  
703-862-0023
**Program:** National Historic Publications & Records Commission

**Agency:** National Archives and Records Administration

**Next Deadline:** Jun 12, 2019

Supports archival projects, editing projects, educational programs, fellowships, publication grants, and projects dealing with electronic records including digitization. All projects must help to identify, preserve, publish, and increase public access to non-federal sources that document the history of the U.S. Competitions include: Access to Historical Records: Archival Projects (10/4/18) and Major Initiatives (1/17/19) - required preproposral; Archives Collaboratives: Planning Grants (4/4/19); and Publishing Historical Records in Documentary Editions (6/12/19) and 10/3/19). See http://www.archives.gov/nhprc/announcement/ for details. Email: jeff.DeLaConcepcion@nara.gov

---

**Program:** State & Regional Partners

**Agency:** National Endowment for the Arts

**Next Deadline:** Jun 2019

NEA supports state arts agencies throughout the U.S. to plan, evaluate, make decisions, & act as leaders in support of the arts. Forty percent of NEA's appropriation goes to these agencies. They also support regional partnerships for planning, evaluation, access, & arts touring series. Limited funding is available for national services provided by membership organizations of state arts agencies & regional arts organizations. See https://www.arts.gov/partners/state-regional for contact information on the appropriate agency.

**CFDA Number:** 45.007

**Contact:** State and Regional Staff
202-682-5097

---

**Program:** Digital Humanities Advancement Grants

**Agency:** National Endowment for the Humanities

**Next Deadline:** Jun 19, 2019

Supports development and implementation of digital initiatives in all areas of the humanities. Grants may involve: research that brings new digital approaches to the humanities; new digital modes of publication; exploration of digital approaches to preserve, archive, and make accessible traditional and "new media" resources in the humanities; new digital tools; and programs addressing emerging digital technologies in education settings. Replaces Digital Humanities Startup and Implementation Grants. Choose between Level I (up to $50,000), Level II (up to $100,000), and Level III awards (up to $325,000 with optional match up to $50,000). See http://tinyurl.com/j7vhlj9 for details. Email: odh@neh.gov

**CFDA Number:** 45.164

**Contact:** Jennifer Serventi, Senior Program Officer
202-606-8395

---

**Program:** Digital Projects for the Public

**Agency:** National Endowment for the Humanities

**Next Deadline:** Jun 12, 2019

Supports projects such as websites, mobile applications, games, and virtual environments that significantly contribute to the public's engagement with humanities ideas. Projects must be analytical and deeply grounded in humanities scholarship. Awards last one to three years and offer up to $30,000 for Discovery grants, up to $100,000 for Prototyping grants or up to $400,000 for Production grants. Awardees may receive funds outright or as matching funds or a combination. See http://www.neh.gov/grants/public/digital-projects-the-public for details. Email: publicpgms@neh.gov

**Contact:** Division of Public Programs
202-606-8269

---
**Agency:** National Endowment for the Humanities  
**Program:** Preservation and Access: Research and Development  
**Next Deadline:** May 15, 2019  
Supports projects that address major challenges in preserving or providing access to humanities collections and resources. These challenges include finding ways to preserve materials of critical importance to the nation’s cultural heritage from fragile artifacts and manuscripts to analog recordings and digital assets, and to develop advanced modes of searching, discovering, and using such materials. Supports grants for Planning and Basic Research (up to $75,000) and Advanced Implementation (up to $350,000). See http://www.neh.gov/grants/preservation/research-and-development for details. Email: preservation@neh.gov

**Program:** Creative Arts Exchange  
**Agency:** U.S. Department of State  
**Next Deadline:** Apr 01, 2019  
Creative Arts Exchange initiatives are arts-based international people-to-people exchanges that support and further State foreign policy objectives. FY 19 themes: Performing Arts; and Hip Hop Collaboration. Limited submission: one proposal per institution with at least four years' experience in academic exchanges. See http://eca.state.gov/organizational-funding/open-grant-solicitations for updates.  
**CFDA Number:** 19.415  
**Contact:**  
Division of Preservation and Access  
202-606-8570

**Program:** National Trust Preservation Fund  
**Agency:** National Trust for Historic Preservation  
**Next Deadline:** Jun 01, 2019  
Provides grants ranging from $2,500-$5,000 to initiate preservation planning and education projects. Funds may be used to obtain professional expertise in areas such as historic preservation, architecture, archeology, engineering, preservation planning, land-use planning, fundraising, organizational development, and law, as well as preservation education activities to educate the public. Intervention and emergency funds are also available throughout the year. One to one match is required. Annual deadlines: 2/1, 6/1, 10/1. See http://forum.savingplaces.org/build/find-funding/grant-seekers/preservation-funds for details. Email: grants@savingplaces.org

**Program:** Grants Program  
**Agency:** Weill (Kurt) Foundation for Music  
**Next Deadline:** Jun 01, 2019  
Promotes the public appreciation of the music of Kurt Weill, Lotte Lenya, and Marc Blitzstein. Funding will be provided for research and travel, dissertation fellowships, publication assistance, educational outreach, and college/university performances. Annual deadlines: 6/1 (for certain college/university performance grants) and 11/1. Applications for support of major professional productions/festivals/exhibitions, etc., will be evaluated on a case-by-case basis without application or performance deadlines. See http://www.kwf.org/grants-a-prizes/grant-program for details. Email: bsansone@kwf.org or wlr@kwf.org  
**CFDA Number:** N/A

---

**Program:** Fellowships and Research Grants  
**Agency:** Grant (William T.) Foundation  
**Next Deadline:** May 01, 2019

Supports grants and two fellowship programs for early and mid-career scholars research that enhances understanding of how youth settings work, how they affect youth development and how they can be improved; and when, how and under what conditions research evidence is used. The William T Scholars Program (7/2) focuses on career development. The Institutional Challenge Grants (TBD) encourages research institutions to build sustained research-practice partnerships with public agencies or nonprofit organizations in order to reduce inequality in youth outcomes. Research Grants (5/1 for LOIs) supports research on reducing inequality or improving the use of research evidence. Email: nrivera@wtgrantfdn.org See http://wtgrantfoundation.org/Grants for updates.

---

**Program:** Grant Programs  
**Agency:** Herb Block Foundation  
**Next Deadline:** Jun 06, 2019

Foundation supports three types of national grants: Defending Basic Freedoms (10/3/19) supports projects that safeguard the freedoms of the Bill of Rights and prevent discrimination. Encouraging Citizen Involvement (6/6/19) seeks to ensure a responsible, responsive democratic government through citizen involvement. Awards range from $5,000-$25,000. Deadlines refer to required LOIs. Also offers prizes for editorial cartooning. Pathways Out of Poverty (for DC area applicants only - 2/5/19) and various scholarships. See http://www.herbblockfoundation.org/programs for details. Email: info@herbblock.org
**Program:** Research Stipends  
**Agency:** IBM Center for The Business of Government  
**Next Deadline:** Apr 01, 2019  
Provides research stipends of $20,000 to individuals who are responsible for producing a 30-40 page research report in one of the areas presented within the solicitation. Manuscript must be submitted no later than six months after start of the project. Recipients will select the start and end dates of their research project. Reports should be written for government leaders and provide practical knowledge and insights. Focus areas include: Insight; Agility; Effectiveness; Risk; People; Engagement; and Digital. See http://www.businessofgovernment.org/ for details.

**Program:** NEA Foundation Grants  
**Agency:** National Education Association Foundation  
**Next Deadline:** Jun 01, 2019  
Provides grants to improve academic achievement of students in U.S. public schools and public higher education institutions in any subject areas. Global Achievement Grants supports the development and integration of global competencies into their daily classroom instruction. Student Achievement Grants (up to $5,000) support initiatives to improve academic achievement. Learning and Leadership Grants support high-quality professional development--$2,000 for individuals and $5,000 for groups. Applicants must be NEA members. Annual deadlines: 2/5 (Global Learning Fellowship); 2/1, 6/1 and 10/15 (Student Achievement); and 2/1, 6/1 and 10/15 (Learning & Leadership). See http://www.neafoundation.org/pages/grants-to-educators/ for details. Email: jgraytock@nea.org

**Program:** Project Management Research  
**Agency:** Project Management Institute  
**Next Deadline:** Apr 25, 2019  
Supports research proposals from scholars in project management and other disciplines (e.g. management, organizational psychology, education, sociology). Proposed research should have direct application to some aspect of project management. PMI encourages proposals from multi-disciplinary teams of scholars or teams consisting of academics and practitioners, who can potentially bring new ways of thinking and related bodies of literature to the field. Awards are up to $50,000. Annual deadline: 4/25; thesis research applications are due annually on 5/15. See http://www.pmi.org/learning/academic-research/sponsored for details. Email: SponsoredResearch@pmi.org

**Program:** Humanities Grants  
**Agency:** State Humanities Councils  
**Next Deadline:** Jun 2019  
State humanities councils are nonprofit organizations that operate in all fifty states. They support regional humanities projects aimed at increasing critical thinking, encouraging community involvement, and building connections between diverse community groups. Often award provides for public program development, curriculum development, planning, conferences, technical assistance, individual research support, and special projects, as well as seed grants. Do not normally fund equipment purchase or operating budgets. Deadlines vary by state. See https://www.neh.gov/about/state-humanities-councils for details and state contact information.

**Program:** Community Connect Grants  
**Agency:** U.S. Department of Agriculture  
**Next Deadline:** Apr 15, 2019  
Helps fund broadband deployment into rural communities where it is not yet economically viable for private sector providers to deliver service. Eligible applicants include most state and local governments, federally-recognized tribes, non- and for-profit corporations. Rural areas that lack any existing broadband speed of at least 4 Mbps downstream and 1 Mbps upstream are eligible. See http://www.rd.usda.gov/programs-services/community-connect-grants for details. Program: Investigator-Initiated Research and Evaluation on Firearms Violence  
Agency: U.S. Department of Justice  
Next Deadline: Apr 29, 2019  
Supports investigator-initiated research on firearms and violence with the objective of shedding light on the relationship between guns and violence. Examples of research in this area include the characteristics of firearm violence, risk and protective factors, interventions and strategies, and the effects of firearm policies and legislation on criminal justice and public safety. NIJ expects scholarly products to result from each award under this solicitation. Email: firearms@usdoj.gov. See http://www.nij.gov/funding/Pages/current.aspx?type=current for details.

Program: Research and Evaluation on Domestic Terrorism Prevention  
Agency: U.S. Department of Justice  
Next Deadline: Apr 22, 2019  
Program seeks to build knowledge and evidence related to strategies for effective prevention of terrorism in the United States. Applicants should propose research projects that will primarily benefit, and have clear implications for, criminal justice agencies and their attendant communities at the state, local, and tribal levels. NIJ is particularly interested in research responding to the following areas: evaluations of programs and practices to prevent terrorism, research to inform terrorism prevention efforts, and research on the reintegration of offenders to the community. Program: Research and Evaluation on Promising Reentry Initiatives  
Agency: U.S. Department of Justice  
Next Deadline: May 13, 2019  
NIJ requests proposals for rigorous research to examine reentry initiatives that incorporate promising practices, strategies, or programs. NIJ is interested in supporting evaluations of innovative reentry initiatives that focus on adult or young adults (aged 18-24) with a moderate-to-high risk of reoffending. A particular focus on the risk of reoffending with a violent crime is encouraged. See https://www.nij.gov/funding/Pages/current.aspx for details. Email: grants@ncjrs.gov

Agency: U.S. Department of Justice
Program: Research and Evaluation on Trafficking in Persons
Next Deadline: May 08, 2019
Supports research and evaluation efforts on the topic of trafficking in persons to address the knowledge gaps related to trafficking in persons in the United States. NIJ is particularly interested in studies that develop methods that measure effectively the cost of trafficking in persons, as well as in evaluation studies of counter-trafficking programs and tools. Applications should identify the implications of the proposed research for criminal justice policy and practice in the United States. See http://www.nij.gov/funding/current.htm for details. **Program:** Improving Patient Adherence to Treatment and Prevention Regimens to Promote Health (R01 Clinical Trial Optional)  
**Agency:** National Institutes of Health  
**Next Deadline:** Jun 05, 2019  
This program seeks to propose interventions to significantly improve medication adherence in individuals. Applications may target medication adherence in the context of treatment for a single illness or chronic condition (e.g., hypertension), to stave off a disease recurrence (e.g., cancer) or for multiple comorbid conditions (e.g., hypertension, diabetes, alcohol use disorders and HIV/AIDS). Contacts vary by institute. Annual deadlines: 2/5, 6/5, 10/5 through 5/8/21. See https://grants.nih.gov/grants/guide/pa-files/PA-18-722.html for details.

**CFDA Number:** 93.399  
**Contact:** Contacts vary by institute

---
**Program:** Independent Scientist Award (K02)
**Agency:** National Institutes of Health
**Next Deadline:** Jun 12, 2019

Supports outstanding to expand their potential to make significant contributions to their field of research by offering three to five years of salary support and "protected time" for newly independent scientists who can demonstrate the need for a period of intensive research focus as a means of enhancing their research careers. Some NIH Institutes and Centers may or may not require candidates to have an NIH research grant at time of application. Candidates must hold a doctoral degree, independent peer reviewed research support at the time the award is made, and commit a minimum of 9 person-months (75% of full-time professional effort) conducting research and relevant career development activities during the period of the award. Call before applying. Annual deadlines: 2/12, 6/12, 10/12 through 1/8/21. See http://grants.nih.gov/grants/guide/pa-files/PA-18-370.html for details including contact information.

**OER**

**Program:** Mentored Patient-Oriented Research Career Development Award (K23)
**Agency:** National Institutes of Health
**Next Deadline:** Jun 12, 2019

Most NIH institutes/centers support career development of investigators who focus their research efforts on patient-oriented research. Candidates must have a clinical degree or its equivalent. Doctorally prepared nurses, clinical psychologists, clinical geneticists, etc. may also apply. Provides support for five years of supervised study and research for clinically trained professionals who focus on patient-oriented research. Prospective candidates encouraged to contact relevant NIH staff for IC-specific programmatic budgetary information. Annual deadlines: 2/12, 6/12, 10/12 through 1/8/22. See http://grants.nih.gov/grants/guide/pa-files/PA-19-118.html (Independent Clinical Trial Required) and https://grants.nih.gov/grants/guide/pa-files/PA-18-375.html (Independent Clinical Trial Not Allowed) for details.

**301-451-4225**

**Program:** Mentored Clinical Scientist Research Career Development Award (K08)
**Agency:** National Institutes of Health
**Next Deadline:** Jun 12, 2019

Many NIH institutes support the career development of outstanding clinician research scientists. Goal is to provide specialized study (K08) for individuals with a health professional doctoral degree committed to a career in laboratory or field-based research. Candidates must have potential to develop into independent investigators. Not every NIH institute offers the K08 mechanism. It is suggested that applicants talk to NIH prior to submitting a proposal. Independent Clinical Trials are required. Annual deadlines: 2/12, 6/12, 10/12 through 1/8/22. See http://grants.nih.gov/grants/guide/pa-files/PA-19-116.html for details.

**CFDA Number:** 93.121
**Contact:** Contacts Vary

**Program:** Mentored Quantitative Research Career Development Award (K25)
**Agency:** National Institutes of Health
**Next Deadline:** Jun 12, 2019

Many institutes support this program designed to promote the career development of investigators with quantitative scientific and engineering backgrounds outside of biology or medicine (e.g., mathematics, statistics, computer science, informatics, physics, chemistry, and engineering) who are committed to behavioral and biomedical research. This mechanism is aimed at research-oriented scientists at the junior faculty level. Candidates must name a mentor. Annual deadlines: 2/12, 6/12, and 10/12 through 1/8/22. See http://grants.nih.gov/grants/guide/pa-files/PA-19-125.html (Clinical Trial Required) and https://grants.nih.gov/grants/guide/pa-files/PA-18-396.html (No Clinical Trial) for details.

**CFDA Number:** 93.855
**Contact:** Contacts vary by institute
**Program:** Mentored Research Scientist Development Award (K01)  
**Agency:** National Institutes of Health  
**Next Deadline:** Jun 12, 2019  
Supports beginning investigators who have a research doctorate and some postdoctoral research experience. Provides 3-5 years of nonrenewable support for an intensive, supervised career development experience in the biomedical, behavioral, or clinical sciences leading to research independence. Competitive applications will contain a well-thought-out career development and research plan, a committed and capable mentor, and institutional commitment. Call before applying. Annual deadlines: 2/12, 6/12, and 10/12 through 1/8/22. See [https://grants.nih.gov/grants/guide/pa-files/PA-19-127.html](https://grants.nih.gov/grants/guide/pa-files/PA-19-127.html) for details.

---

**Program:** NIH Exploratory/Developmental Research Grant Program (Parent R21)  
**Agency:** National Institutes of Health  
**Next Deadline:** Jun 16, 2019  
Many but not all NIH institutes support investigator-initiated, also known as unsolicited, exploratory and developmental research (R21) by funding the early and conceptual stages of such efforts. Priorities vary by Institute/Center (I/C). I/Cs that do not accept R21 applications under this announcement may offer similar programs. Combined budget for direct costs for the two year project period may not exceed $275,000. Consultation with NIH staff highly encouraged. Annual deadlines: 2/16, 6/16, 10/16 through 1/8/22. See [https://grants.nih.gov/grants/guide/pa-files/PA-19-053.html](https://grants.nih.gov/grants/guide/pa-files/PA-19-053.html) (no clinical trials) and [https://grants.nih.gov/grants/guide/pa-files/PA-19-054.html](https://grants.nih.gov/grants/guide/pa-files/PA-19-054.html) (clinical trials required) for details.

---

**Program:** NIH Small Research Grant Program (Parent R03)  
**Agency:** National Institutes of Health  
**Next Deadline:** Jun 16, 2019  
Not all NIH institutes support investigator-initiated, unsolicited, small grant research (R03) projects that can be carried out in a short period of time with limited resources. Supports different types of projects including pilot and feasibility studies; secondary analysis of existing data; self-contained research projects; development of research methodology; and development of new research technology. Direct costs limited to $100,000 over a two-year period, with no more than $50,000 in direct costs allowed in a single year. Annual deadlines: 2/16, 6/16, and 10/16 through 1/8/22. See [http://grants.nih.gov/grants/guide/pa-files/PA-19-052.html](http://grants.nih.gov/grants/guide/pa-files/PA-19-052.html) for details.

---

**Program:** Pathway to Independence Award (Parent K99/R00 Independent Basic Experimental Studies with Humans Required)  
**Agency:** National Institutes of Health  
**Next Deadline:** Jun 12, 2019  
Supports a timely transition of outstanding postdoctoral researchers with a research and/or clinical doctorate degree from mentored, postdoctoral research positions to independent, tenure-track or equivalent faculty positions. Applicants must have less than 4 years of postdoctoral research experience at the time of the initial (new) or the subsequent resubmission application and requires at least 12 months of mentored research training and career development (K99 phase) before transitioning to the R00 award phase of the program. Funding is available for up to 5 years covered within two phases. Annual deadlines: 2/12, 6/12 and 10/12 through 1/8/22. See [https://grants.nih.gov/grants/guide/pa-files/PA-19-090.html](https://grants.nih.gov/grants/guide/pa-files/PA-19-090.html) for details.  
**CFDA Number:**  
**Contact:** Contacts vary
**Program:** Research Enhancement Award Program (REAP) for Health Professional Schools and Graduate Schools

**Agency:** National Institutes of Health

**Next Deadline:** Jun 25, 2019

Supports basic and clinical research in educational institutions that provide baccalaureate or advanced degrees for a significant number of the Nation's research scientists, but that have not been major recipients of NIH support. REAP grants create opportunities for scientists and institutions otherwise unlikely to participate extensively in NIH research programs to contribute to the Nation's biomedical and behavioral research effort. Eligible institutions must award NIH-relevant baccalaureate or advanced degrees in health professions and have received less than $6 million per year of NIH support (total costs) in 4 of the last 7 fiscal years. Annual deadlines: 2/25, 6/25, 10/25 through 1/8/22. See https://grants.nih.gov/grants/guide/pa-files/par-19-134.html or https://grants.nih.gov/grants/guide/pa-files/par-19-135.html for details.

---

**Program:** Basic Cancer Research in Cancer Health Disparities

**Agency:** National Institutes of Health

**Next Deadline:** Jun 18, 2019

This program encourages grant applications from investigators interested in conducting basic, mechanistic research into the biological/genetic causes of cancer health disparities. These research project grants will support innovative studies designed to investigate biological/genetic bases of cancer disparities, such as mechanistic studies of biological factors, including cancer prevention intervention strategies, and the development and testing of new methodologies. Annual deadlines: 6/18 and 11/19 through 11/20/20. See https://grants.nih.gov/grants/guide/pa-files/PAR-18-654.html for details. Email: jennifer.isaacs@nih.gov

---

**Program:** Biology of Bladder Cancer (R01, R21 Clinical Trial Optional)

**Agency:** National Institutes of Health

**Next Deadline:** Jun 05, 2019

Supports research that deepens industry knowledge of bladder cancer biology to inlcude understanding of how tumors arise and progress, how to identify individuals at high risk, and ways to develop preventative or therapeutic interventions. This FOA will utilize the Research Project Grant (R01) mechanism, and is suitable for projects where proof-of-principle of the proposed technology or methodology has already been established and supportive preliminary data are available. Optional letters of intent are due 30 days prior to the due date. Annual deadlines: 2/5, 6/5 and 10/5 through 5/22/22. See https://grants.nih.gov/grants/guide/pa-files/PAR-19-168.html and for details. Email: rjohnso2@mail.nih.gov

**Program:** Technologies for Healthy Independent Living for Heart, Lung, Blood and Sleep Disorders (R43 - Clinical Trial Not Allowed)

**Agency:** National Institutes of Health

**Next Deadline:** Jun 10, 2019

Supports research on technologies that monitor health or deliver care in a real-time, accessible, effective, and minimally obtrusive way. These systems are expected to integrate, process, analyze, communicate, and present data to engage and empower individuals in their own healthcare with reduced burden to care providers. These technology systems have the potential to significantly improve the quality of life for people with disabilities, people aging with mild impairments, as well as individuals with chronic conditions. Annual deadline: 6/10 and 9/10 through 6/11/20. See https://grants.nih.gov/grants/guide/rfa-files/RFA-HL-19-016.html for details. Email: baileylasht@mail.nih.gov

--------------------------------------------

**Program:** Bioengineering Research Grants (BRG) (R01)

**Agency:** National Institutes of Health

**Next Deadline:** Jun 05, 2019

Supports collaborations between the life and physical sciences that apply a multidisciplinary bioengineering approach to biomedical problems; and accelerates the adoption of promising tools, methods and techniques for a specific research or clinical problem in basic, translational, or clinical science and practice in physics, mathematics, chemistry, computer sciences and engineering. Annual deadlines: 2/5, 6/5, and 10/5 through 5/8/22. See https://grants.nih.gov/grants/guide/pa-files/PAR-19-158.html for details. Optional companion funding also available at http://grants.nih.gov/grants/guide/pa-files/PAR-19-159.html

--------------------------------------------

**Program:** Drug Abuse Dissertation Research (R36)

**Agency:** National Institutes of Health

**Next Deadline:** Jun 16, 2019

Enhances the diversity of the drug abuse research workforce by providing dissertation awards on topics related to the study of basic and clinical neuroscience, development, epidemiology, prevention, treatment, services, or women and sex/gender differences as they relate to drug abuse. This award is for up to two years of support for the completion of the doctoral dissertation research project. LOI due 30 days prior to the application deadline. Annual deadlines: 2/16, 6/16, 10/16 through 1/8/20. See https://grants.nih.gov/grants/guide/pa-files/PA-16-443.html for details. Email: aklinwni@mail.nih.gov

**Program:** International Research Collaboration on Drug Abuse and Addiction Research  
**Agency:** National Institutes of Health  
**Next Deadline:** Jun 05, 2019  
Program encourages collaborative research applications on drug abuse and addiction that take advantage of special opportunities that exist outside the United States. Special opportunities include access to unusual talent, resources, populations, or environmental conditions in other countries that will speed scientific discovery. Projects should have relevance to NIDA, and where feasible should address NIDA's international scientific priority areas. Annual deadlines: 2/5, 6/5, 10/5 through 5/8/21. See https://grants.nih.gov/grants/guide/pa-files/PA-18-773.html for details. Email: ipdirector@nida.nih.gov

**Program:** Neuroscience Research on Drug Abuse (R01)  
**Agency:** National Institutes of Health  
**Next Deadline:** Jun 05, 2019  
The overarching goals of the research areas are to understand the neurobiological mechanisms underlying substance use disorders, with special emphasis on identifying changes and neuroadaptations that occur during dependence, withdrawal, and relapse to chronic substance use. An understanding of the basic mechanisms underlying substance use disorders can help to identify targets for prevention and treatment interventions. Annual deadlines: 2/5, 6/5, 10/5. Expires 1/8/20. Program: Advancing Mechanistic Probiotic/Prebiotic and Human Microbiome Research (R01)
Agency: National Institutes of Health
Next Deadline: Jun 05, 2019
Supports basic and mechanistic science to facilitate development of effective probiotics or pre-/probiotic combinations of relevance to human health and disease; and determine biological outcomes for the evaluation of efficacy of pre/probiotics in appropriate test systems and animal models. It will also encourage inter and multidisciplinary collaborations in a wide range of disciplines including nutritional science, immunology, microbiomics, genomics, other '-omic' sciences, biotechnology, and bioinformatics.

Program: Diet and Physical Activity Assessment Methodology (R01)
Agency: National Institutes of Health
Next Deadline: Jun 05, 2019
NIDDK and several other NIH institutes support research to enhance the quality of measurements of dietary intake and physical activity. Interests include: novel assessment approaches; better methods to evaluate instruments; assessment tools for culturally diverse populations or various age groups; improved technology or applications of existing technology; or integrated measurement of diet and physical activity along with the environmental context of such behaviors. Annual deadlines: 2/5, 6/5, and 10/5 through 9/8/21. See https://grants.nih.gov/grants/guide/pa-files/PA-18-856.html for details.

Program: Exploratory Developmental Clinical Research Grants in Obesity (R21)
Agency: National Institutes of Health
Next Deadline: Jun 16, 2019
Program encourages research grant applications from institutions/organizations that propose to conduct exploratory/developmental clinical studies that will accelerate the development of effective interventions for prevention or treatment of overweight or obesity in adults and/or children. Exploratory epidemiological research with a goal of informing translational/clinical research will also be supported within this program. Annual deadlines: 2/16, 6/16, 10/16 through 5/8/21. See https://grants.nih.gov/grants/guide/pa-files/PA-18-720.html for details.

Program: Medical Simulators for Practicing Patient Care Providers Skill Acquisition, Outcomes Assessment and Technology Development (R01 Clinical Trial Not Allowed)
Agency: National Institutes of Health
Next Deadline: Jun 05, 2019
Supports the assessment and further development of simulation technologies designed to improve patient safety and healthcare outcomes provided by practicing patient care providers and experienced (not trainee) physicians. Funding is allocated to three areas: 1) Skill Acquisition- evaluate strategies and protocols for simulation-based methods for skill acquisition and maintenance by experienced clinicians; 2) Outcomes Assessment- assess the relationship of simulation-based assessments of skills demonstrated by experienced clinicians with an emphasis on quality of clinical care delivery; and 3) Technology Development- develop virtual coaches by incorporating intelligent technologies into existing simulators. Annual deadlines: 2/5, 6/5 and 10/5 through 1/8/22. See https://grants.nih.gov/grants/guide/pa-files/PA-19-065.html Email: serranoj@mail.nih.gov

--------------------------------------------

Program: Pilot and Feasibility Clinical Research Grants in Kidney Diseases (R21)

Agency: National Institutes of Health

Next Deadline: Jun 16, 2019

Supports Exploratory/Developmental Research Grants (R21) that propose small scale or pilot and feasibility clinical and translational research studies, including epidemiological studies or clinical trials related to kidney disease research. Studies should address important clinical and translational questions and are potentially of high clinical and public health impact. It is anticipated that some projects supported by these grants may lead to full-scale clinical studies including diagnostic strategies, epidemiological studies, or randomized clinical trials of prevention, diagnosis or treatment of urologic disorders. Annual deadlines: 2/16, 6/16, 10/16 through 5/8/21. See https://grants.nih.gov/grants/guide/pa-files/PAR-18-743.html for details. Email: ziya.kirkali@nih.gov

------------------------------
Program: Promoting Research in Basic Neuroscience (R01)
Agency: National Institutes of Health
Next Deadline: Jun 05, 2019
Stimulates research addressing fundamental questions in basic neuroscience. Proposed projects can address any area of neuroscience within the missions of the participating institutes and should focus on understanding the structure and/or function of the normal nervous system. While fundamental basic research often generates insights relevant to disorders of the nervous system, this FOA is not intended to stimulate research that is explicitly disease-related. Annual deadlines: 2/5, 6/5, 10/5 through 1/8/21. See https://grants.nih.gov/grants/guide/pa-files/PAS-18-483.html for details. Email: rr260c@nih.gov

--------------------------------------------

Program: Mechanisms Underlying the Contribution of Sleep Disturbances to Pain (R01 Clinical Trial Optional)
Agency: National Institutes of Health
Next Deadline: Jun 05, 2019
Supports research to research mechanisms and processes underlying the contribution of sleep and sleep disturbances to pain and the development and maintenance of chronic pain. This FOA encourages interdisciplinary research collaborations by experts from multiple fields: neuroscientists, psychologists, endocrinologists, immunologists, geneticists, pharmacologists, chemists, physicists, behavioral scientists, clinicians, caregivers, and others in relevant fields of inquiry. Basic research linking pain and sleep is a low priority. Annual deadlines: 2/5, 6/5, and 10/5 through 5/8/22. See https://grants.nih.gov/grants/guide/pa-files/PA-19-200.html for details.

--------------------------------------------

Program: Addressing Caregiver Symptoms through Technological Tools (R01/R21 Clinical Trial Optional)
Agency: National Institutes of Health
Next Deadline: Jun 05, 2019
Supports the development and testing of tools to address symptoms in caregivers. The key to this announcement is the focus on the caregiver, regardless of patient symptoms or conditions. Research is needed to enhance symptom recognition and assessment in caregivers, and to promote technological strategies to alleviate distress in caregiver symptoms. Annual deadlines: 2/5, 6/5, 10/5 through 1/8/21. See https://grants.nih.gov/grants/guide/pa-files/PA-19-023.html Email: dianaa@mail.nih.gov

Program: Biobehavioral and Technological Interventions to Attenuate Cognitive Decline in Individuals with Cognitive Impairment or Dementia (R01 Clinical Trial Optional)
Agency: National Institutes of Health
Next Deadline: Jun 05, 2019
Support stimulates clinical research focused on biobehavioral or technological interventions to attenuate cognitive decline in individuals with dementia (such as Alzheimer’s disease, Lewy body dementia, vascular dementia), mild cognitive impairment (MCI), or disease- or age-related cognitive decline. Optional companion funding is available via R15 and R21 mechanisms. Annual deadlines: 2/5, 6/5, 10/5 through 1/8/21. See https://grants.nih.gov/grants/guide/pa-files/PA-18-348.html for details. Program: End-of-Life and Palliative Needs of AYA with Serious Illnesses (R01/R21 Clinical Trial Optional)
Agency: National Institutes of Health
Next Deadline: Jun 05, 2019
Supports research on the unique perspectives, needs, wishes, and decision-making processes of adolescents and young adults (ages 12-24 yrs. old) with serious, advanced illnesses; and research focused on specific end-of-life/palliative care models that support the physical, psychological, spiritual, and social needs of adolescents and young adults with serious illness, their families and caregivers. Annual deadlines: 2/5, 6/5, 10/5 through 1/8/22. See https://grants.nih.gov/grants/guide/pa-files/PAR-19-136.html Email: lynn.adams@nih.gov

Program: Environmental Exposures and Health: Exploration of Non-Traditional Settings (R01)
Agency: National Institutes of Health
Next Deadline: Jun 05, 2019
NINR and NIEHS support research to promote health, limit symptoms and disease and reduce health disparities in children and older adults living or spending time in non-traditional settings (e.g., community centers, churches, daycare, home-based schools, or dormitories). These settings result in exposure to environmental pollutants that result in health risks, such as lower respiratory diseases, chronic obstructive pulmonary disease, and cardiovascular diseases. Annual deadlines: 2/5, 6/5, 10/5 through 9/8/19. See http://grants.nih.gov/grants/guide/pa-files/PA-18-142.html for details. Email: mary.roary@nih.gov

Program: Health Promotion Among Racial and Ethnic Minority Males (R01)
Agency: National Institutes of Health
Next Deadline: Jun 05, 2019
NINR and NIDDK support projects that propose to stimulate and expand research in the health of minority men. Specific interests are to enhance understanding of the numerous factors influencing the health promoting behaviors of racial and ethnic minority males and their subpopulations age 21 and older across the life cycle; and focus on development and testing of culturally and linguistically appropriate health-promoting interventions. Annual deadlines: 2/5, 6/5, 10/5 through 1/8/20. Optional companion funding is available. See http://grants.nih.gov/grants/guide/pa-files/PA-18-144.html for details. Email: mary.roary@nih.gov

Program: Maternal Nutrition and Pre-pregnancy Obesity: Effects on Mothers, Infants and Children (R01 Clinical Trial Optional)
Agency: National Institutes of Health
Next Deadline: Jun 05, 2019
Supports research to improve health outcomes for women, infants and children, by stimulating interdisciplinary research focused on maternal nutrition and pre-pregnancy obesity. Maternal health significantly impacts not only the mother but also the intrauterine environment, and subsequently fetal development and the health of the newborn. Annual deadlines: 2/5, 6/5, 10/5 through 9/8/21. See https://grants.nih.gov/grants/guide/pa-files/PA-18-776.html for details. Email: sungsug.yoon@nih.gov

Program: mHealth Tools to Promote Effective Patient-Provider Communication (R01)

Agency: National Institutes of Health

Next Deadline: Jun 05, 2019

NINR, NICHD and the Office of Dietary Supplements support research using Mobile Health (mHealth) tools aimed at improving the effective patient-provider communication, and treatment and self-management of chronic diseases in underserved populations. Using Smartphone technologies, it is possible to transmit patient data digitally from remote areas to specialists in urban areas, as well as receive real-time feedback. Companion funding available. Annual deadlines: 2/5, 6/5 and 10/5 through 1/8/21. See http://grants.nih.gov/grants/guide/pa-files/PA-18-386.html for details. Email: dianaa@mail.nih.gov

Program: Obesity and Asthma: Awareness and Self-Management (R01 Clinical Trial Optional)

Agency: National Institutes of Health

Next Deadline: Jun 05, 2019

Supports research that examines the relationship between asthma, obesity and self-management. Studies that investigate molecular pathways linking asthma and obesity are encouraged as long as the studies describe how this relates to self-management. In addition, intervention studies targeting asthma or obesity and their effects on each other, and possible mechanisms of action and effect on behavior, are encouraged. Annual deadlines: 2/5, 6/5, 10/5 through 1/8/21. See http://grants.nih.gov/grants/guide/pa-files/PA-18-379.html for details. Email: hussk@mail.nih.gov

Program: Healthy Habits: Timing for Developing Healthy Behaviors in Children and Adolescents (R01)

Agency: National Institutes of Health

Next Deadline: Jun 05, 2019

NICHD and many other institutes support research (R01, R21) to identify mechanisms of influence and/or promote positive sustainable health behavior(s) in children and youth (birth to age 21). Interests include: effective, sustainable processes for influencing young people to make healthy behavior choices; identification of the appropriate stage of influence for learning sustainable lifelong health behaviors; and the role of technology and new media. Annual deadlines: 2/5, 6/5, 10/5 through 1/8/21. See https://grants.nih.gov/grants/guide/pa-files/PA-18-355.html for R01 details. Email: mary.roary@nih.gov

**Program:** Comparative Effectiveness Research in Clinical Neurosciences (UG3/UH3 Clinical Trial Not Allowed)

**Agency:** National Institutes of Health

**Next Deadline:** Jun 18, 2019

Supports observational comparative effectiveness research that addresses questions within the mission and research interests of the NINDS and may evaluate preventive strategies, diagnostic approaches, or interventions including drugs, biologics, and devices, or surgical, behavioral, and rehabilitation therapies. Priority is given to pragmatic study designs that utilize a cost-effective means of prospectively collecting observational data. Only prospective observational studies will be accepted for funding. Optional letters of intent are encouraged. Program expires 1/8/22. See https://grants.nih.gov/grants/guide/pa-files/PAR-19-171.html Email: adam.hartman@nih.gov

Program: Alfalfa and Forage Research Program
Agency: U.S. Department of Agriculture
Next Deadline: Apr 05, 2019
Supports the use and expansion of alfalfa acreage through increased forage or seed yields, forage quality, and profitability. This is an integrated research and extension program that strongly encourages strong, multi-state and multi-generational expertise research teams to address priority regional science needs of the alfalfa industry. Life Cycle Analysis Research supporting field-to-market opportunities are also available. A 1:1 non-Federal match is required, however, FY 19 FOA notes NIFA may waive the matching funds requirements under special circumstances. See https://nifa.usda.gov/funding-opportunity/alfalfa-and-forage-research-program for details. Email: athro@nifa.usda.gov

Contact: Ann Marie Thro, National Program Leader 202-401-6702
Program: Crop Protection and Pest Management Competitive Grants Program
Agency: U.S. Department of Agriculture
Next Deadline: Apr 16, 2019
Supports projects that address high priority issues related to pests and their management using integrated pest management approaches at the state, regional, and national levels. Anticipated amount available for grants in FY 19 is approximately $4 million. See http://nifa.usda.gov/funding-opportunity/crop-protection-and-pest-management for updates. Program: Farm Business Management and Benchmarking (FBMB)
Agency: U.S. Department of Agriculture
Next Deadline: Apr 09, 2019
Program seeks to improve the farm management knowledge and skills of agricultural producers; and maintain the national, publicly available farm financial management database to support improved farm management. The goal of this program is to engage producers in improving the United States farm management knowledge and skills by encompassing the USDA/NIFA’s food, agricultural, natural resources, and human sciences. Requires 1:1 match/cost share when a grant provides a particular benefit to a specific agricultural commodity. See http://tinyurl.com/zx9kfz7 for updates. Email: toija.riggins@nifa.usda.gov
CFDA Number: 10.319

Program: SPECA Grants Program
Agency: U.S. Department of Agriculture
Next Deadline: Apr 16, 2019
Promotes and strengthens teaching programs in agriscience and agribusiness at secondary and two-year postsecondary institutions by enhancing curricula, increasing faculty teaching competencies, and promoting higher education to prepare students for incorporating agriscience or agribusiness subject matter into other instructional programs. Matching requirement is 100 percent but waivable if applicant or collaborator is exempt (many IHEs are exempt, see eligibility section). Offers Regular and Collaborative Types 1 & 2 grant types. Collaboratives types vary by number of partners required. Applications unlimited, but only two awards per organization per year. See http://tinyurl.com/ho24gmg for details. Program: Precision Measurement Grants Program
Agency: U.S. Department of Commerce
Next Deadline: Apr 16, 2019
Supports experimental research in fundamental measurement or the determination of fundamental constants. Research areas include testing laws of physics to improve fundamental measurement methods, and development of new standards for physical measurement. Deadline refers to required abbreviated proposals of no more than five pages. See http://physics.nist.gov/ResOpp/grants/index.html for details. Email: mohr@nist.gov

**Program:** Sea Grant Programs

**Agency:** U.S. Department of Commerce

**Next Deadline:** Apr 02, 2019

Sea Grant is a nationwide network of 32 university-based programs that work with coastal communities. Each program announces the availability of funding on an annual or biannual basis. Opportunities include: Undergraduate Population and Ecosystem Dynamics (PED) Workshop (1/23/19) to introduce and recruit students into the field of PED; Population and Ecosystem Dynamics (1/30/19) for new Ph.D. Fellowships in PED; and Marine Resource Economics (1/30/19) for new Ph.D. Fellowships in the economics of marine conservation and management. Social, Behavioral, and Economic Research Needs in Aquaculture (4/2/19). Applicants must submit to local Sea Grant Program—deadline refers to student deadline. See https://seagrant.noaa.gov/Funding for details.

**Program:** Deep Learning for Actionable Intelligence Discovery and Exploitation

**Agency:** U.S. Department of Defense

**Next Deadline:** Jun 28, 2019

This BAA seeks white papers to develop and demonstrate a time-dominant data fusion and closed-loop Intelligence, Surveillance and Reconnaissance (ISR) system for intelligence customers. Focus areas include closing the ISR Loop by translating analyst needs into focused information gathering, and developing an Exploitation Cloud capable of discovering and detecting anticipated and unanticipated events or targets of interest. **Program:** DARPA: Information Innovation Office

**Agency:** U.S. Department of Defense

**Next Deadline:** Apr 11, 2019

Supports innovative research proposals in the areas of program analysis, verification, and big data analytics for specifying, discovering, and understanding properties of complex software systems. Programs include: Guaranteeing AI Robustness Against Deception; and The Information Innovation Office Office-wide BAA, seeking unconventional approaches that are outside the mainstream, challenge accepted assumptions, and have the potential to radically change established practice through innovative approaches that enable revolutionary advances in science, devices, or systems (8/30/19). **Program:** DARPA: Tactical Technology Office  
**Agency:** U.S. Department of Defense  
**Next Deadline:** Jun 11, 2019

Supports efforts to provide or prevent strategic and tactical surprise with very high-payoff, high-risk development and demonstration of revolutionary new platforms in Ground Systems, Maritime (Surface and Undersea) Systems, Air Systems, and Space Systems. Solicitations include: TTO Office-Wide BAA: Disruptive Capabilities for Future Warfare [6/11/19]. See http://tinyurl.com/zx5hvug for details. **Program:** Small Business Innovation Research (SBIR) Program  
**Agency:** U.S. Department of Defense  
**Next Deadline:** Jun 19, 2019

Program funds early-stage R&D at small technology companies and is designed to stimulate technological innovation; increase private sector commercialization of federal R&D; increase small business participation in federally funded R&D; and foster participation by minority and disadvantaged firms in technological innovation. IHEs may partner. Deadlines refer to Army, Navy, and Air Force SBIR solicitations. Next pre-release expected 4/19/19. See http://www.acq.osd.mil/osbp/sbir/sb/schedule.shtml Email: SBIRHelp@brtrc.com

**Program:** Small Business Technology Transfer (STTR) Program  
**Agency:** U.S. Department of Defense  
**Next Deadline:** Jun 19, 2019

Supports early-stage research and development conducted by small companies working cooperatively with academic and other researchers, who must be responsible for at least 30 percent of the project. Six DoD components participate: Army, Navy, Air Force, Defense Advanced Research Projects Agency, Ballistic Missile Defense Organization, and Office of the Secretary. Air Force and Army solicitations do not require Phase I award before applying to Phase II solicitation. See http://www.acq.osd.mil/osbp/sbir/sb/schedule.shtml for details. Email: SBIRHelp@brtrc.com

**Program:** Office of Science Graduate Student Research  
**Agency:** U.S. Department of Energy  
**Next Deadline:** May 09, 2019  
Supports part of a graduate student’s thesis research to be conducted at a DOE laboratory/facility. Students must be conducting basic research in one of the following broad areas: Advanced Scientific Computing Research; Basic Energy Sciences; Biological and Environmental Research; Fusion Energy Sciences; High Energy Physics; and Nuclear Physics. Awardees are eligible to receive a monthly stipend of up to $3,000 for general living expenses. The program does not provide additional support for supplies, materials, or travel. See solicitation for specific focus areas under the broad topic areas. See http://science.energy.gov/wdts/scgsr/ for updates. Email: SCGFInfo@science.doe.gov

**Program:** Wildlife Without Borders - Species, Regional, and Global Programs  
**Agency:** U.S. Department of the Interior  
**Next Deadline:** Apr 01, 2019  
Supports Species Programs dedicated to saving some of the world's fastest disappearing animals in their natural habitats; Regional Programs to design signature initiatives which bring together key stakeholder groups to solve conservation problems; and Global Programs which focus on species, ecosystems, and emerging and cross-cutting issues worldwide, to ensure international cooperation to conserve habitats and endangered species. Colleges and universities are eligible to apply. Current solicitations include: African Elephant Conservation Fund [3/25/19]; Rhinoceros and Tiger Conservation Fund [3/29/19] Marine Turtle Conservation Fund (4/1/19); Latin America Regional Program [4/12/19]; and Caribbean Regional Program [4/15/19]. Deadlines vary, but many fall between February and June. See http://www.fws.gov/international/grants-and-reporting/how-to-apply.html for details and additional deadlines.
